The Book of Numbers Timothy R. Ashley,2022-12-06 The book of Numbers tells a story with two main characters God and Israel The way the story is told sounds odd and often harsh to readers today The main point of the book is nevertheless of immense importance for God s people in any age exact obedience to God is crucial This comprehensive and erudite commentary presents a thorough explication of this significant Hebrew text Timothy Ashley s introduction discusses such questions as structure authorship and theological themes and it features an extended bibliography of major works on the book of Numbers Then dividing the text of Numbers into five major sections Ashley elucidates the theological themes of obedience and disobedience which run throughout His detailed verse by verse comments primarily explain the Hebrew text of Numbers as it stands rather than speculate on how the book came to be in its present form This second edition includes revisions that reflect Ashley s decades of experience with the book of Numbers as well as updates to the footnotes and bibliography which add many important works published in the last thirty years With these new features Ashley s commentary solidifies its place as the church s most faithful and definitive reference on the book of Numbers
