**Home Stories** Dr. Shalini Guggnani, 2021-07-28 Happy Homes are destinations everyone wants to come home to. But what are happy homes? Homes that have happy people, progressing relations, success, good health, building finances and all the things that contribute to making one's life balanced, better. Happy homes mean peace, harmony, goodwill, growth and success. After all, home is one place that defines our existence. Have you tried knowing what this existence vibrates? We are all surrounded by energies and these energies create a lot of influence on our daily lives. Often we might go through small and large issues at home but unable to reach a solution. As you read the book you will be able to relate to quite a few. This book is a compendium of some such home related case studies. I have discussed some issues that call for attention and have been neglected, some challenges that exist but you have been unaware of. I have approached these challenges with Vaastu and Geo Thermal ways to create harmonious homes.
