British Books in Print ,1985 [The Darker Side of Faery](#) John Kruse,2021-09-19 There is a distinct tendency today to assume that faery kind are friendly and helpful towards us humans The evidence of over one thousand years experience preserved in British folk tradition tells a very different story British faeries are like humans selfish greedy violent and cruel What makes things worse of course is the fact that they have magical powers too This book deliberately focuses upon only the darker side of faery how their magic can be used to trick and steal from us how they will attack and abduct us how we can offend them and how they can make us ill **Nursing Mirror** ,1985-07 [The Ministry of Quizzes](#) David Gentle,2021-10-14 The Ministry of Quizzes is the must buy gift book for quiz solvers and puzzlers from David Gentle author of On the Tip of My Tongue Perfect for fans of the GCHQ Puzzle Book Bletchley Park Brainteasers and The Ordnance Survey Puzzle Book Deep in the heart of Whitehall up a quiet side road is an office block Unremarkable on the outside inside it buzzes and bustles with activity Civil servants are hard at work researching compiling cross checking Facts and trivia questions and puzzles This is the Ministry of Quizzes This small but essential government department serves the nation s needs on all matters relating to quizzes puzzles and general knowledge trivia Now for the first time their work can be revealed The Ministry of Quizzes features an ingenious and irresistible mixture of over 200 quizzes and puzzles to be played solo or with family and friends Not everyone is convinced this government department actually exists But how else could we explain such a copious and comprehensive collection of diverse devious and distracting questions and brainteasers I find it impossible to believe you will not love this book Daniel Radcliffe **The Stones of London** James Vincent Elsdon,John Allen Howe,1923 *Whitaker's Cumulative Book List* ,1984 **Nursing Times** ,1989-08 [Having It All](#) Sarah Jane Butfield,2022-09-14 Having it all but at what cost for a career nurse and devoted mother When one of my early mentors suggested that my nursing qualification as a Registered General Nurse would be my ticket to Having It All I could not envisage what that would mean for me As a nurse and a woman who intended to have a family I did not think too far ahead and any thoughts on how it would manifest itself in relation to my nursing career were limited to family friendly options However this phrase became embedded in my subconscious and would end up influencing my goals dreams and aspirations both personally and professionally For me having it all was not based on greed or a materialistic wish list instead it described

the tight rope walk that was my life a finely balanced juggling act between my career and my family The truth was that I had survived a period in my life that physically and emotionally pushed me to the edge and I was literally saved by the deep seated love for my children Now as I looked forward there was a ray of light beckoning and telling me it was time to start over Might this be my happy ever after at last *The British National Bibliography* Arthur James Wells,2003 Quarry and Surveyors' and Contractors' Journal ,1920 *The Last Ride* Nick Louth,2024-11-07 What happened to the missing victim On a midsummer s night a stolen car packed with teenagers crashes at high speed on the southern edge of Bodmin Moor in Cornwall DI Jan Talantire arrives at the scene to find the victims of the crash It appears to be a tragic accident until a worried mother turns up at the scene of the accident Her daughter Jade a friend of the joyriders hasn t been seen since the previous night The account dovetails with the statement of the householder who claimed to see a girl running near the crashed vehicle the moment he emerged Was Jade in the car with her friends when it crashed and if she was why did she flee And where is she now A tense and gripping detective novel Perfect for fans of Elly Griffiths and Sally Rigby The Cumulative Book Index ,1970 A world list of books in the English language A Desert of Pure Feeling Judith Freeman,2012-05-16 From the writer whose voice Carolyn See has characterized as one of the strangest most distinguished in American fiction writing today There is really nothing to compare her with except maybe the austere beauty of a Japanese rock garden here is a richly dramatic novel about a woman struggling to make peace with herself as a mother a lover an artist and a friend Lucy Patterson has just encountered her past in the person of a man whom she has not seen for twenty five years Dr Carlos Cabrera saved the life of her infant son and it was her love for him that compelled her to end her marriage the first moment in an arc of emotional turbulence and upheaval that has since defined her existence Her past having caught up with her Lucy has come to an isolated motel in the desert outside Las Vegas to write out her life reexamine it and she hopes find its calm center It s a journey she is determined to make alone but in the next room is a young woman a single mother stripper and prostitute panicked about her own life whom Lucy finds she cannot and finally does not want to ignore A fiercely odd pair they nonetheless become indispensable to each other in navigating the emotional terrain of their past and in finding separately and together clear paths into the future A Desert of Pure Feeling is the finest work we have yet seen from a writer whose gifts at once lyrical and tough minded become vividly apparent in this penetrating and compelling story *Military Ghosts* Alan C. Wood,2010-10-15 The first ever ghostly gazetteer of military manifestations both here and abroad *The Life of (A Single Parent) Brian!* Brian Rowlands,2010-10 What happens when after ten years of what you thought was a happy and normal family life your wife suddenly turns your world upside down and leaves leaving you heartbroken and in shock and with two expectant young children to care for and raise First you hit the bottle get seriously drunk and hit a downward spiral in free fall heading for certain disaster Then once you ve hit rock bottom you take stock of the situation pick yourself up dust yourself down and begin the long and difficult climb out of the abyss putting life together

again piece by arduous piece This is what happened to Brian Rowlands and this is his true story Beginning with the end of his marriage this book charts his and his children s journey along the long and very rocky road they encountered as they struggled to re build their shattered lives and put some kind of stability and substance back in place Filled with many highs and lows and told in an honest and open manner this book charts the last ten years in this single parent family s remarkable life From heartbreak to happiness through disastrous relationships difficult medical problems and eleven different homes in five years their story will entertain enthrall and shock Drawing the reader in once started it is a book that the reader will want to go on reading page after page leaving you begging for more and wanting to know just what happens next Rising Ground Philip Marsden,2016-03-25 The travel writer and Cornwall native explores his home on a journey by foot to Land s End in this fascinating and hauntingly evocative memoir Literary Review A Guardian Financial Times Observer and Scotsman Book of the Year In 2010 Philip Marsden moved with his family to a rundown farmhouse in Cornwall England From the moment he arrived Marsden was fascinated by the landscape and the traces of human history all around him Wanting to experience the place more fully he set out to walk across Cornwall to the evocatively named Land s End Rising Ground is a record of that journey but it is also so much more a beautifully written meditation on place nature and human life that encompasses history archaeology geography and the love of place that suffuses us when we finally find home Firmly in a storied tradition of English nature writing that stretches from Gilbert White to Helen MacDonald Rising Ground reveals the ways that places and peoples have interacted over time from standing stones to footpaths ancient habitations to modern highways What does it mean to truly live in a place and what does it take to understand and honor those who lived and died there long before we arrived A fascinating study of place and its meaning Observer UK
