Tolstoy, Margaret Deland, Elizabeth Gaskell, Margaret Oliphant, Margaret Mitchell, Elizabeth von Arnim, Elizabeth Burgoyne Corbett, 2023-11-16 The Essential Feminist Collection 60 Powerful Classics in One Volume is a formidable anthology that explores the intricate and evolving landscape of feminist literature. It spans an impressive array of literary styles and genres from the dramatic depth of Victorian novels to the poignant realism of early 20th century narratives. This collection encapsulates the feminist consciousness through its selection of diverse and groundbreaking works. Standout pieces in the anthology take the reader through transformations in gender roles, societal expectations and personal emancipation, reflecting an array of experiences and challenges faced by women across varying socio-cultural landscapes. The anthology brings together an esteemed assembly of authors and thinkers whose works have significantly shaped feminist discourse. With contributors such as Charlotte Brontë, Virginia Woolf and Sojourner Truth among others, this volume reflects a tapestry of voices that helped to define and challenge the sociopolitical boundaries of their times. It aligns with pivotal literary movements such as romanticism and realism, providing a rich historical and cultural context that enhances the narrative of women's struggle and empowerment. The pioneering contributions collected here transcend geographic and temporal boundaries, weaving a narrative that is both extensive and enlightening. This anthology is highly recommended for those seeking to immerse themselves in feminist literature's vast and dynamic landscape. It offers an unparalleled opportunity to engage with the myriad perspectives and styles of its esteemed contributors, presenting a comprehensive dialogue on the timeless themes of gender, power and identity. The breadth of insight contained within these pages represents not just a historical account but an ongoing conversation, making it an invaluable resource for both academic study and personal reflection on the multifaceted journey towards equality.

The World's Work, 1915 **Germs and governance** Anne Marie Rafferty, Marguerite Dupree, Fay Bound Alberti, 2021-04-20 Germs and governance brings together leading historians, practitioners and policy makers to consider the past, present and future of hospital infection control. Combining historical case studies with practitioner experiences, this volume offers a new understanding of the emergence of theories of germ transmission and containment and how these theories played out in real-world environments, networks and professional organisations. Exploring the historical context in which technologies like gloves were developed and popularised, as well as how relationships between communities and hospitals, doctors and nurses and the emerging role of hospital bacteriologists have shaped infection control practices, the collection emphasises the diverse contexts in which ideas about germs, infection and safety circulated. The volume also addresses the historical neglect of the critical role of nurses in the development and success of infection control measures.

The Sleep Room F.R. Tallis, 2021-11-15 When promising young psychiatrist James Richards is offered the job opportunity of a lifetime by the charismatic Dr Hugh Maitland, he is thrilled. Setting off to take up his post at Wyldehope Hall in deepest Suffolk, Richardson doesn't look back. One of his tasks is to manage Maitland's most controversial projects: a pioneering therapy in which extremely disturbed patients are kept asleep for months. If this radically

and potentially dangerous procedure is successful it could mean professional glory for both doctors As Richardson settles into his new life he begins to sense something uncanny about the sleeping patients six women forsaken by society Why is Maitland unwilling to discuss their past lives Why is the trainee nurse so on edge when she spends nights alone with them And what can it mean when all the sleepers start dreaming at the same time In this atmospheric reinvention of the ghost story Richardson finds himself questioning everything he knows about the human mind as he attempts to uncover the shocking secrets of The Sleep Room **Howard Grey: a Story for Boys** Howard Grey, One Who Has Studied Them, 1859
