Stand Up Oliver Double, 2014-01-22 Stand Up is the first book to both analyse the background of stand up comedy and take us inside the world of being a solo comedian Oliver Double writes a lively history of the traditions of British stand up comedy from its roots in music hall and variety to today's club and alternative comedy scene and also engages in a serious exploration of what it is like to be a comedian onstage in front of a sometimes adoring and sometimes hostile audience He looks critically at the work of such stand up stars as Frankie Howerd Les Dawson Billy Connolly Victoria Wood Ben Elton and Eddie Izzard And he looks at himself as a performer [The Complete Works of H. C. McNeile \(Sapper\)](#) H. C.

McNeile, 2023-12-07 The Complete Works of H C McNeile Sapper presents a comprehensive collection of one of the early 20th century's notable literary figures known for his gripping storytelling and exploration of themes related to war adventure and human perseverance McNeile writing under the pseudonym Sapper employs a distinct engaging narrative style infused with vivid characterizations and intricate plot developments The collection reflects the ethos of the post World War I era where the disillusionment of war intertwines with a burgeoning fascination for heroism notably epitomized in works like Bulldog Drummond which combines elements of mystery and action revealing both the thrills and perils of a changing societal landscape H C McNeile himself a decorated veteran of World War I drew from his personal experiences in his writing capturing the zeitgeist of his generation and the complexities of post war life His military background heavily influenced his characterization of the quintessential British hero brave witty and steadfast often battling against nefarious forces McNeile's literary career marked by an extensive output showcases not only his prowess in crafting enthralling narratives but also his desire to resonate with a readership eager for escapism amidst the aftermath of conflict This collection is an essential read for enthusiasts of classic adventure literature and those seeking to understand the cultural narratives shaped by the early 20th century McNeile's works offer a remarkable blend of excitement and insight making them not only entertaining but also a valuable lens through which to examine the evolution of contemporary British literature Readers will find themselves immersed in the adventures and moral quandaries faced by his characters as they navigate a world irrevocably altered by war

Learning Through Talk in the Early Years Elizabeth Sharp, 2005-09-14 This book is aimed at class teachers of Reception to Year 3 seeking ideas to develop their pupils' speaking and listening skills The author describes each activity in an easy to follow format with links to the relevant curriculum targets The most valuable part of the book is the commentary from the author's own teaching experience This provides some useful insights such as the fact that the flow of children's ideas was improved while they had a discussion while engaged in drawing The book is easy to read It provides a practical guide to some tried and tested speaking and listening activities which may be useful for the beginning Foundation or Key Stage 1 teacher Special Do the children in your class need help with language and listening skills Lots of ideas and

suggestions for activities using and encouraging talk in the classroom make this book a lively practical guide to encouraging young children to develop their verbal reasoning skills and to communicate more effectively There is advice on how to tie in these activities with the various curriculum subjects and the following are covered setting up a talk corner using story bags and story boxes using Circle Time and playing games to encourage talk In each activity there are directions for helping children with Special Educational Needs working with Teaching Assistants TAs and other adults in the classroom planning and assessing work and finding suitable resources A selection of photocopiable material is included and all the suggestions and ideas in the book have been tried and tested by the author in her own classroom The focus of this book is on young children aged 5 to 8 but the activities can be adapted to suit those younger or older The Reference Catalogue of Current Literature ,1906 **McClure's Magazine** ,1923 **Reading with Babies, Toddlers and Twos** Susan Straub,KJ Dell'Antonia,2013-05-07 It s never too early or too late to start sharing books with your baby Reading is one of the first activities you can enjoy with your child and Reading with Babies Toddlers and Twos gets you started Instill a love for reading early by answering questions such as Which books will a newborn baby enjoy What do you buy after you ve read Goodnight Moon Are eBooks and apps appropriate for young children Can I make up a story to tell my child What are the best collections of fairy tales fables and other classic stories A parenting resource to help with early learning and literacy Straub Dell Antonia and Payne use their decades of experience as parents book reviewers and children s librarians to bring you the very best in children s books so you ll never run out of ideas for reading with your baby An accessible and enjoyable guide this book is a go to resource Traci Lester executive director Reach Out and Read of Greater New York Giant Book of Preschool Activities, Grades PK - K ,2009-01-19 Help students in grades PK K make connections and reinforce learning while keeping the classroom manageable using Giant Book of Preschool Activities This 304 page book provides practice for the skills and functions needed for early childhood development With more than 26 themes and 500 activities this book makes it practically impossible to run out of ideas for teaching social motor memory and auditory skills The book includes ideas for movement rhyming circles counting games and centers and comes with reproducibles literature selections Web site suggestions and an index of activities by skill This book supports NAEYC standards and aligns with state national and Canadian provincial standards Babies in the Library! Jane Marino,2007 Eclectic library reading programs for young children have blossomed across the nation over the last decade encouraging in toddlers a fondness for the library and an excitement for the caches of books to be found there Likewise in an effort to promote a love of language in babies as young as three months old scores of early childhood initiatives are beginning to sprout as well Aimed at children s librarians and other professionals who work with very young children this librarian tested sourcebook provides complete programs that spotlight the value and necessity of singing speaking and reading to babies in their earliest months Ten ready to use programs are divided for their intended audience five for pre walkers and five for walkers Marino combines rhymes involving

body movement songs fingerplays circle games and books in ways that teach interaction skills with young children and help to enrich their language and enhance their listening capabilities Several of the rhymes are repeated in a take home section to aid librarians and others in charge of children s programs to present parents and caregivers with the tools they need to use rhymes and activities whenever and wherever they want A helpful bibliography lists the best picture books programming books rhyme collections and numerous recordings that are suitable for very young children The captivating activities in Babies in the Library will delight the youngest library users while making it easy for librarians to create programs for this important and growing segment of the library population

Good Books Matter Larry Swartz,Debbie Nyman,2008 Based on extensive research on the features that make children s books appealing and appropriate this valuable teacher resource offers guidance on selecting books strategies for specific grade levels suggestions for extension and tips for assessment This teacher friendly book is organized around the major genres traditional literature picture books nonfiction poetry and multicultural texts that will inspire young readers Throughout the book teachers will find suggestions for using literature to implement shared reading reading aloud and response strategies with emergent developing and independent readers This comprehensive book is rooted in the belief that educators must consider and offer a wide range of choice to ensure that students read good books It argues that the choices children make about what they read should be governed by their interests and desire to learn not by a grade or reading level
