## **Nursing A World View:**

*The Worldview of the Kingdom* Lois Allen, Darrow Miller, 2005 The Church today can be divided into two different understandings of the Kingdom of God The first group views the Kingdom of God as mystical invisible and heavenly These Christians assert that Jesus is Lord of all but his Kingdom does not make a difference *Encyclopedia of Nursing Research* Joyce J. Fitzpatrick, Meredith Wallace (PhD, RN.), 2006 From the world's leading authorities in nursing research this thoroughly updated 2nd Edition of the Encyclopedia of Nursing Research presents key terms and concepts in nursing research comprehensively explained by over 200 expert contributors *Christian Worldview and the Academic Disciplines* Deane E. D. Downey, Stanley E. Porter, 2009-04-15 This book an edited compilation of twenty nine essays focuses on the differences that a Christian worldview makes for the disciplines or subject areas normally taught in liberal arts colleges and universities Three initial chapters of introductory material are followed by twenty six essays each dealing with the essential elements or issues in the academic discipline involved These individual essays on each discipline are a unique element of this book These essays also treat some of the specific differences in perspective or procedure that a biblically informed Christian perspective brings to each discipline *Christian Worldview and the Academic Disciplines* is intended principally as an introductory textbook in Christian worldview courses for Christian college or university students This volume will also be of interest to Christian students in secular post secondary institutions who may be encountering challenges to their faith both implicit and explicit from peers or professors who assume that holding a strong Christian faith and pursuing a rigorous college or university education are essentially incompatible This book should also be helpful for college and university professors who embrace the Christian faith but whose post secondary academic background because of its secular orientation has left them inadequately prepared to intelligently apply the implications of their faith to their particular academic specialty Such specialists be they professors or upper level graduate students will find the extensive bibliographies of recent scholarship at the end of the individual chapters particularly helpful *Shaping a Christian Worldview* David S. Dockery, Gregory Alan Thornbury, 2002-09-01 *Shaping a Christian Worldview* presents a collection of essays that address the key issues facing the future of Christian higher education *Caring in Nursing Classics* Marlane C. Smith, 2012-12-12 Print CourseSmart *Caring* Madeleine M. Leininger, 1988 *Encyclopedia of Nursing Research* Mr. Rohit Manglik, 2024-03-13 EduGorilla Publication is a trusted name in the education sector committed to empowering learners with high quality study materials and resources Specializing in competitive exams and academic support EduGorilla provides comprehensive and well structured content tailored to meet the needs of students across various streams and levels **The New Age Movement and the Biblical Worldview** John P. Newport, 1998 John Newport delivers a comprehensive study of the impact of New Age beliefs on contemporary culture and on Christianity itself while also offering an effective biblical antidote to today's worldview crisis After first surveying the historical development of the New Age worldview from ancient times

through important tendencies in nineteenth century America to recent Far Eastern influences Newport explores in depth eleven key areas of the New Age worldview and contrasts each area of belief with the traditional biblical worldview

*Human Caring Science* Jean Watson, 2012 Rev ed of *Nursing human science and human care* Jean Watson c1999 **The Changing Face of Health Care** John Frederic Kilner, Robert David Orr, Judith Allen Shelly, Judy Allen Shelly, 1998 In response to the many changes currently going on in health care this book offers the combined insight and wisdom of a stellar group of scholars and professionals with extensive experience in the health care field The book opens with a look at people's actual experience of health care today from four different perspectives It then addresses foundational questions including the nature of medicine nursing and justice Surveyed next are the changing economics of health care as well as the impact of these changes on such areas as mental health care long term care health care for minorities and legal malpractice The closing section of the book assesses from a Christian perspective available constructive alternatives including creative funding strategies with special attention to the needs of poor persons physician unions and the use of alternative medicine therapies *Foundations of Clinical Nurse Specialist Practice* Janet S. Fulton, Brenda L. Lyon, Kelly A. Goudreau, 2010 Print CourseSmart **A Global Agenda for Caring** Delores A. Gaut, 1993 Compiling the work of nurse scholars from five continents this book shows how caring's applicability cuts across cultural and geographic borders A Global Agenda for Caring is a significant contribution to the world's body of research on caring and it brings us closer to realizing the full potential of studying caring worldwide *Transcultural Caring Dynamics in Nursing and Health Care* Marilyn A Ray, 2018-05-16 How do you perceive your cultural identity All of us are shaped by the cultures we interact with and the cultural backgrounds and ethnicities that are part of our heritage Take a dynamic approach to the study of culture and health care relationships Dr Marilyn A Ray shows us how cultures influence one another through inter cultural relationships technology globalization and mass communication and how these influences directly shape our cultural identities in today's world She integrates theory practice and evidence of transcultural caring to show you how to apply transcultural awareness to your clinical decision making Go beyond common stereotypes using a framework that can positively impact the nurse patient relationship and the decision making process You'll learn how to deliver culturally competent care through the selection and application of transcultural assessment planning and negotiation tools for interventions *How Television Shapes Our Worldview* Deborah A. Macey, Kathleen M. Ryan, Noah J. Springer, 2014-05-15 Over the last half of the twentieth century television has become the predominant medium through which the public accesses information about the world Through the news situation comedies police dramas and commercials we learn about the world around us and our role within it These genres narratives and cultural forms are not simply entertainment but powerful socializing agents that show the world as we might never see it in real life *How Television Shapes Our Worldview* brings together a diverse set of scholars methodologies and theoretical frameworks to interrogate the ways through which television molds our vision of the outside

world The essays include advertising and public relations analyses audience interviews and case studies that touch on genres ranging from science fiction in the 1970s to current reality television Television truly provides a powerful influence over how we learn about the world around us and understand its social processes

**Book Alone , The Dynamics of Changing Higher Education in the Global South** Busani Mpofu, Sabelo Ndlovu-Gatsheni, 2020-06-29 Today there are generally universities in Africa rather than African universities The legitimacy of the university in Africa is under serious questions now because of its complicity in racism patriarchy sexism colonialism capitalism genocide epistemicide linguicide culturecide and alienation In other words the university in Africa as we know it today is elitist and exclusionary Therefore rethinking the idea of the university is fundamental to overcoming its current deficiencies in the Global South This volume bringing together a number of national case studies and macro analyses on the dynamics of changing higher education in the Global South gestures towards the desired imagined decolonial African university which should be a site of multilingualism where African indigenous languages

cosmologies and ontologies become a central part of its identity and soul intolerant of epistemicides linguicides and cultural imperialism but a site of cognitive and social justice that fully embraces the idea that all human beings are born into valid useful relevant and legitimate knowledge systems
