**Textbook of Adult-Gerontology Primary Care Nursing** Debra J Hain, Deb Bakerjian, Debra Bakerjian, 2022-02-21. I was thrilled to see content that focuses on quality improvement, patient safety, interprofessional collaboration, care coordination, and other content that supports the role of the AGNP as a clinical leader and change agent. The authors give these topics the attention that they deserve with clear, insightful guidance and, importantly, the evidence base. The chapters that address roles including during disasters, settings of care, billing, and medication use address salient issues that will help the fledgling AGNP to hit the ground running and the seasoned AGNP to keep current.
