Nursing Case Management From Concept To Evaluation:

Nursing Case Management Elaine Liebman Cohen,Toni G. Cesta,1997 The classic resource for nursing case managers Features 24 New chapters to expand the depth of knowledge about nursing case management and the evolving case management models in the collaborative health care system

Nursing Case Management Elaine Cohen,Toni G. Cesta,2004-08-26 This classic resource offers complete coverage of nursing case management from theoretical background and historical perspective to practical applications and how the field is changing to meet the challenges of today s health care environment It focuses on the implementation of various case management models used throughout the United States and abroad Key topics include the impact of public policy on health care understanding the effects of health care reimbursement and its application at the patient level throughput and capacity management the impact of the revenue cycle compliance and regulatory issues and principles needed to improve case manager client interaction This helpful resource is designed to help nurse case managers assess their organization s readiness for case management prepare and implement a plan to achieve necessary improvements and evaluate the plan s success Includes numerous proven case management models currently being used in institutions across the country Organized to take the nursing case manager on a journey from the historical development of nursing case management to the successful implementation of a case management program Offers detailed guidance for planning implementing and evaluating a case management program Outlines the planning process with information on key topics such as analysis of the organization the role of the organization s members selection criteria for new case managers case management education credentialing and partnerships Features guidelines for implementing a case management program with information on ethical issues technology compliance and regulatory issues Addresses the evaluation component of developing and implementing a case management program by presenting information on outcomes research documentation continuous quality improvement measuring cost effectiveness care continuum and evidence based practice Presents acute care and community based models of case management Highlights the evolution of collaborative models of case management addressing key elements of joint decision making shared accountability and interdisciplinary systems of care Addresses health care delivery through case management and public policy by presenting current legislative issues and their affect on both health care reimbursement and the application of care at the patient level Presents the insights experiences and advice of nursing administrators who have researched and successfully implemented nursing case management programs in various facilities

Case Studies in Nursing Case Management Suzanne Smith Blancett,Dominick L. Flarey,1996 Case Studies in Nursing Case Management provides portrayals of health care organizations around the nation that have successfully implemented case management programs It reports on how case management is being used in inpatient ambulatory operating room intensive care home h ealth and subacute settings Specific populations such as pediatric maternity dialysis geriatric psychiatric and AIDS HIV patients are also addressed Case

managers roles in managed care and community based settings as well as in insurance companies are described

Handbook of Nursing Case Management Dominick L. Flarey, Suzanne Smith Blancett, 1996 AACN Protocols for Practice Healing Environments discusses the benefits of creating a healing environment for critically ill patients and their families and how changes to a patient's environment can promote healing Family needs visitation complementary therapies and pain management are also covered

Case Management Suzanne K. Powell, 2000 The Second Edition of this comprehensive how to text has been completely revised and updated This text outlines the basics of case management and illustrates some of the pitfalls encountered in the field of case management The book provides information on the new Case Management Standards supplies standard definitions and guidelines of case management for the practicing case manager and presents information on caring for clients in a wide variety of health care settings New to this edition chapters focusing on Quality Reviews and Risk Management with a strong emphasis on Continuous Quality Improvement CQI ethical and legal issues and various case studies

CMSA Core Curriculum for Case Management, 2008 This text contains the core body of knowledge for case management practice as delineated by the Case Management Society of America CMSA the largest professional organization of case managers The core curriculum provides a synthesis of case management evolution and presents essential elements concepts and vision for current and future case management practice This edition is significantly expanded to reflect the dynamic changes taking place in case management Each chapter is organized in a consistent format that includes learning objectives introduction important terms and concepts key definitions and references

Nurse-Case Management Specialty Review and Study Guide Frank Thompson, 2015-09-25 Includes Multiple choice fact scenario and case based questions Correct answers and explanations to help you quickly master specialty content All questions have keywords linked to additional online references The mission of StatPearls Publishing is to help you evaluate and improve your knowledge base We do this by providing high quality peer reviewed educationally sound questions written by leading educators StatPearls Publishing

The Leader's Guide to Hospital Case Management Stefani Daniels, Marianne Ramey, 2005 This text will address the role of the hospital case manager from a business perspective rather than a nursing perspective Will engage all areas that are involved with the health care system in pursuit of global objectives on behalf of every stakeholder

The Case Manager's Guide Alice Easterling, Judith Ann Avie, Mary Louise Wesley, Norma Chimner, 1995-11-29 This easy to use personal guide for new and aspiring case managers shows how to build the skills and competencies required for success This essential self assessment skill building toolkit includes customizable job descriptions a critical pathway worksheet histogram and Pareto chart examples a practice work plan and four effective models for successfully implementing continuous quality improvement

Case Management Arthur J. Frankel, Sheldon Gelman, Diane K. Pastor, 2019 Over the course of twenty years and across three editions this text has approached case management as both an art and a science by providing students and practitioners with the basics of case management theory skills and applications

This fourth edition which focuses on both the social work and nursing professions offers trainers instructors and students detailed information about how case management is delivered major issues encountered in practice how services are affected by different populations and the unique skills that are required by case managers in order to be effective Chapter exercises and numerous case examples help readers practice some of the skills associated with the content offered Case Management is unique in that it brings together the major professions that conduct case management in the United States It is focused on skill learning more than on theory and discusses not only the importance of case management in the current social work and medical milieu but also the challenges that case managers face in helping clients In addition the text offers a model for integrated case management between professions and in numerous settings including nursing centers community mental health facilities and criminal justice centers

The Nurse as Executive Barbara Stevens Barnum, Karlene M. Kerfoot, 1995 This new edition of Aspen's bestselling book The Nurse as Executive has been thoroughly revised and updated to reflect the significant changes in nursing management The nurse executive's role as a member of the executive team is examined as well as the nurse executive's role in health care issues such as quality outcomes team building and cost containment Organizing the book around the new resource driven management model rather than the goal driven management model makes this book unique and distinguishes it from other management texts

Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Nursing Case Management From Concept To Evaluation eBooks, including some popular titles.

FAQs About Nursing Case Management From Concept To Evaluation Books

What is a Nursing Case Management From Concept To Evaluation PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Nursing Case Management From Concept To Evaluation PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Nursing Case Management From Concept To Evaluation PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Nursing Case Management From Concept To Evaluation PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Nursing Case Management From Concept To Evaluation PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might

require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
