Nursing Illuminations A Of Days A Daily Reader For Nurses:

Nursing Illuminations Patricia T. Van Betten, Melisa Moriarty, 2004 Ideal for gift giving or personal use this inspirational daily reader is designed to help nurses reflect on the magnificent aspects of their profession Depicting the similarities and bonds of nurses from the past and present through their causes struggles and accomplishments this unique companion describes the contributions of 366 nurses and addresses the history of nursing as well as the contemporary issues that nurses are facing today **A Richard Selzer Reader** Kevin Kerrane, 2017-07-31 A Richard Selzer Reader Blood and Ink is a career spanning collection including major short stories and essays by the renowned doctor author In the 1960s while practicing as a general surgeon and teaching surgery at the Yale School of Medicine Richard Selzer began publishing unique creative work in magazines such as Harper's and Esquire By 1985 when he retired as a physician to devote himself completely to writing Selzer was already recognized as a pioneer in the field of medical humanities When he died in 2016 as the author of 13 books his influence was acknowledged by a younger generation of doctor writers like Abraham Verghese and Atul Gawande Selzer's unusual style fuses scientific and poetic language Drawing on favorite readings from the King James Bible to the tales of Edgar Allen Poe he used this style to convey a sense of awe at the beauty and complexity of the human body even in the midst of suffering While describing himself as an atheist Selzer always searched for sacramental moments of courtesy courage and grace in medical encounters Because he often looked critically at the failure of doctors to regard the full humanity of their patients Selzer's work has become required reading in many medical training programs A Richard Selzer Reader includes several of the author's most famous essays and stories as well as two dozen selections that have not been collected in his previous books Chronologically the material ranges from apprenticeship stories as far back as a high school composition to two odd self portraits that remained unpublished at the time of Selzer's death Topically the material ranges from meditations on the body and on human mortality to reflections on both medicine and writing as serious vocations Along the way Selzer celebrates the work of other doctor writers like Thomas Browne and Anton Chekhov and in a series of previously unpublished diary entries he discusses the joys of nature art and family as bulwarks against the difficulties of growing old **Nursing Times, Nursing Mirror** ,1990 *The Patient Room* Wolfgang Sunder, Julia Moellmann, Oliver Zeise, Lukas Adrian Jurk, 2020-12-07 The patient room is the smallest cell of the hospital organism Its layout determines the structure of the ward and is therefore a decisive factor for the entire building Many requirements have to be met The patient's sense of well being can be positively influenced by the design homely materials an attractive view and sufficient privacy are important objectives Equally important are the working conditions for the staff especially short distances and an efficient care routine Finally even the risk of infection can be reduced by a conscientiously planned room layout This publication provides a systematic overview of the design task patient room and shows exemplary solutions both typologically and in selected case studies **First World War Nursing** Alison S. Fell, Christine E. Hallett, 2013-06-07 This book brings together

a collection of works by scholars who have produced some of the most innovative and influential work on the topic of First World War nursing in the last ten years The contributors employ an interdisciplinary collaborative approach that takes into account multiple facets of Allied wartime nursing historical contexts history of the profession recruitment teaching different national socio political contexts popular cultural stereotypes in propaganda popular culture and longstanding gender norms woman as nurturer They draw on a wide range of hitherto neglected historical sources including diaries novels letters and material culture The result is a fully rounded new study of nurses unique and compelling perspectives on the unprecedented experiences of the First World War The First 25 Years Corinne F.
