Resources in Education ,2001 **Giftedness and Talent** Nadine Ballam,Roger Moltzen,2017-11-01

This book brings together recent postgraduate research in the broad area of giftedness talent development and gifted education conducted across New Zealand and Australia. It addresses the significant demand for research in the field undertaken outside the United States and offers valuable practical insights. Divided into 14 chapters the book explores giftedness and talent in a diverse range of socioeconomic cohorts and contexts including examinations of gender race and ethnicity. Though primarily intended for practitioners it will also benefit undergraduate and postgraduate students researchers and educators in New Zealand Australia and beyond.

Gifted Education in Asia David Yun Dai,Ching Chih Kuo,2015-09-01

The book *Gifted Education in Asia: Problems and Prospects* is the first of its kind in terms of providing a critical assessment of the state of gifted education in nine representative countries or regions in Asia: Hong Kong, India, Japan, Mainland China, Saudi Arabia, Singapore, South Korea, Taiwan, and Turkey. Five commentaries that put gifted education in a global context and a conclusion chapter that provides a long term projection of future developments in gifted education in an information age and knowledge economy in the 21st century and what challenges and opportunities lie ahead for Asian countries. As Asia has become an economic powerhouse globally and its education has also gained global attention e.g. its stellar performance in international comparisons such as PISA, gifted education gearing toward the cultivation of the most precious human capital gains added importance. Authors of the 15 Chapter volume come from Asia, Europe, and North America and they represent top experts in the field of education. The book is an authoritative source of knowledge for anyone interested in gifted education, talent development, and creativity in this region. Policy makers, business, and school leaders, teachers, educational researchers, and parents will find this book informative and thought provoking.

Values and Foundations in Gifted Education Kirsi Tirri,2007
