Gladstone, 2020-09-01 In this New Era of Uncertainty we as Humans are Challenged like Never Before. As a Society We Need To Help Each Other Rise To Greatness. Old School Success for the Millennial Generation and Beyond goes against the so-called experts who say millennials are lazy, entitled and have labeled them Generation Me, the Peter Pan Generation, Trophy Kids and Snowflakes. Jerry Gladstone says these experts forget what it was like being young. Do millennials need some good Old School advice absolutely. Would they benefit from social, financial and life skills that they were not taught in school definitely. This is what Old School Success for the Millennial Generation Beyond offers. The goal is to provide old school wisdom to the new generation. The inspiration within is provided by Academy Award and Grammy Winners, Super Bowl and Music Icons, Olympians, Boxing, UFC World Champions and even Billionaires. There are many pain points the millennial generation are challenged with each day including job security, social media overload, anxiety, social distancing, living up to society's expectations, fear of missing out, FOMO and debt. Within Old School Success for the Millennial Generation there are chapters that help millennials deal with their pain points. The content throughout is unique and appealing because it does not insult the millennial generation; it provides useful strategies and techniques to achieve their dreams and navigate through life's twists and turns.
