Perspectives on South Africa-China Relations at 15 Years April, Funeka Yazini, Shelton, Garth, 2015-04-02 The year 2013 marked 15 years of the phenomenal diplomatic relations between South Africa and China The relationship between South Africa and China has been developing since diplomatic ties were established on 1 January 1998 Since then South Africa China s bilateral relations have undergone rapid and all facet development There were frequent high level and other kinds of mutual exchanges between the two countries The bilateral relations within the space of fifteen years have evolved from a Partnership to a Strategic Partnership and then to a Comprehensive Strategic Partnership Furthermore in the Comprehensive Strategic Partnership which was set out in the Beijing Declaration signed in 2010 the two countries expressed the desire to further strengthen and deepen cooperation in both bilateral and regional affairs by establishing a comprehensive strategic partnership based on equality mutual benefit and common development The agreements range from political dialogue trade investment mineral exploration manufacturing and agriculture to joint efforts in the global arena such as in the United Nations the Forum on China Africa Cooperation FOCAC and Brazil Russia India China and South Africa BRICS In recognition of the aforementioned bilateral achievements on 19 September 2013 an Ambassadorial forum was co hosted by the Department of International Relations and Cooperation DIRCO The Embassy of the People s Republic of China in the Republic of South Africa and the Africa Institute of South Africa Human Science Research Council AISA HSRC The objective of the Ambassadorial Forum was to provide an opportunity for reflections on the past and outlook on the future diplomatic relations between South Africa and China This book presents the official keynote addresses which provide strategic thinking and foresight into the bilateral relations between the two countries The main substance of the book is a collection of the Ambassadorial Forum papers that were submitted The papers evaluate economic and political progress from a national interest perspective Progress is measured against variables such as trade growth people to people development partnerships and the implementation of state agreements all against the background of the theory of national interest

International Handbook of War, Torture, and Terrorism Kathleen Malley-Morrison, Sherri McCarthy, Denise Hines, 2012-12-15 Armed conflict on domestic or foreign soil impacts people s daily lives and shapes policy around the world Millions live with the threat of terrorism whether from random sources or known enemies And the acceptability of torture is debated by politicians and public alike The International Handbook of War Torture and Terrorism synthesizes historical backgrounds current trends and findings from the Personal and Institutional Rights to Aggression and Peace Survey

PAIRTAPS administered in forty countries over nine global regions Contributors examine the social cognitive and emotional roots of people's thinking on war and national security issues particularly concerning the role of governments in declaring war invading other countries or torturing prisoners By focusing on the cultural traditions and colonial histories of broad regions rather than of individual nations the book demonstrates how context shapes ordinary citizens' views on what is justifiable during times of war as well as more nebulous concepts of patriotism and security The Handbook Introduces the PAIRTAPS and explains the methodology for analyzing responses Defines war related concepts from the unique perspectives of Western Europe U K U S Middle East Gulf States Russia Balkans Africa Latin America South Southeast Asia and East Asia Provides an integrative summary of definitions and points of view Situates results in terms of social engagement disengagement theory Considers implications for peace and reconciliation As a reflection of the changing global landscape the International Handbook of War Torture and Terrorism deserves to be read by a wide range of researchers in peace psychology political science sociology and anthropology

AMERICAN NATIONAL SECURITY AND FOREIGN POLICY AN INTERNATIONAL PERSPECTIVE Samanga Amarasinghe, 2014-02-26 This is a qualitative historical study of the United States National Security and Foreign Policies which encompasses Global Functional and Regional policies and their long term and short term impacts on the various theaters of operations

Southern and Postcolonial Perspectives on Policing, Security and Social Order Roxana Pessoa Cavalcanti, Peter Squires, Zoha Waseem, 2024-11-12 Postcolonial legacies continue to impact upon the Global South and this edited collection examines their influence on systems of policing security management and social ordering Expanding the Southern Criminology agenda the book critically examines social harms violence and war crimes human rights abuses environmental degradation and the criminalization of protest The book asks how current states of policing came about their consequences and whose interests they continue to serve through vivid international case studies including prison struggles in Latin America and the misuse of military force Challenging current criminological thinking on the Global South the book considers how police and state overreach can undermine security and perpetuate racism and social conflict

Strategic Perspectives on Crime and Policing in South Africa Johan Burger, 2007 The simple truth is that the police do not prevent crime and some researchers even refer to this responsibility of the police as an impossible mandate

New Challenges and Future Perspectives in Nutrition and Sustainable Diets in Africa Hettie Carina Schönfeldt, Gloria Essilfie, Yunyun Gong, 2024-05-06 Africa is confronted with the triple burden of malnutrition it is also faced with the triple challenges of poverty inequality and unemployment In many African countries large proportions of the population rely on agriculture not only for their food but also for their livelihoods A transformed agricultural and food system is thus a necessary condition for addressing this double triple challenge Additionally post harvest and food waste and losses reduce the availability of sufficient quantities of safe edible and preferable foods At least one third of food produced at farm level is lost due to inappropriate storage infrastructure and agro processing technologies

in developing countries and one third of food purchased is wasted at household and retail level *Freedom of Speech and Information in Global Perspective* Pekka Hallberg, Janne Virkkunen, 2017-03-13 This book offers a unique exploration of the current state of freedom of speech as a basic right available to everyone The research focuses on the different development stages of the concept of freedom of speech and the use of modern indicators to depict its treatment in different legal cultures including the obligations under international treaties and the effects that the globalising and digitalising environment have had on it The authors conduct a broad survey of freedom of speech around the world from Europe over Russia and both Americas to Africa Asia and Australia The aim of this survey is to identify safeguards of freedom of speech on both a national and an international level violations and threat scenarios and in particular challenges to freedom of speech in the digital era **Hydropolitics in the Developing World** Anthony Turton, Roland Henwood, 2002 Bringing contributions by a variety of authors together in one volume is part of an attempt to show that hydropolitics is a growing discipline in its own right The prevailing definition of hydropolitics is widened to include the elements of scale and range This is illustrated through a focus on theoretical and legal issues case studies from Southern Africa and a proposed research agenda The book is an important addition to the literature on hydropolitics *Climate change, land, water and food security: Perspectives from sub-saharan africa* Mulala Danny Simatele, Felix Kwabena Donkor, Henry Bikwibili Tantoh, 2023-06-22 *Sexuality and Human Rights* Phillip Tahmindjis, 2014-05-22 Finally a comparative overview of sexuality and human rights issues and law Human rights issues exist globally particularly when they have to do with sexuality Sexuality and Human Rights A Global Overview focuses on the controversial issues of human sexuality and the legal challenges that LGBT individuals face Internationally recognized legal experts thoroughly discuss the status of important human rights laws pertaining to sexuality from around the world Reviewing the progression from historical foundations and shifting public opinions through the most recent landmark legal cases this is an essential resource on the present state of human rights laws and sexuality This unique up to date examination of the legal issues involving LGBT individuals rights around the world reviews the latest rulings such as the adoption of minors by homosexual or bisexual parents the legal acceptance of marriage between same sex couples whether the gender reassigned can be legally considered their true gender identity and much much more Sexuality and Human Rights A Global Overview illustrates the journey our worldwide legal systems have traveled and the path stretching before them until the destination of equality and acceptance in sexuality may finally be reached Well referenced comprehensive and yet accessible to the general reader this book provides a crucial provocative look at just what basic sexual human rights means in today's laws Some of the topics of Sexuality and Human Rights A Global Overview include perspectives and objectives to challenge discrimination sexuality and international human rights law sexuality and human rights in Australian law transsexuals issues in European human rights law sexual orientation and gender identity legal issues in North America the present state of sexuality and human rights in European law the Asian legal perspective on sexuality

and human rights laws pertaining to sexual identity issues **Sexuality and Human Rights A Global Overview** is a vital reference source for law educators law students gay rights activists and law reformers Defence Diplomacy and National Security Strategy Ian Liebenberg, Dirk Kruijt, Shrikant Paranjpe, 2020-04-20 The post cold war era presented security challenges that at one level are a continuation of the cold war era at another level these phenomena manifested in new forms Whether the issues of economics and trade transfer of technologies challenges of intervention or humanitarian crisis the countries of the South previously pejoratively labelled Third World or developing countries have continued to address these challenges within the framework of their capabilities and concerns The volume explores defence diplomacies national security challenges and strategies dynamics of diplomatic manoeuvres and strategic resource management of Latin American southern African and Asian countries **The War on Terror in Comparative Perspective** M. Miller, B. Stefanova, 2006-11-14 This book offers a thoughtful analysis of the international and domestic political impact of the global war on terrorism through the prism of US security relations in the wake of 9 11 Focused on regional and country specific responses and consequences the book considers the change and continuity in the international system Theory of World Security Ken Booth, 2007-12-20 What is real What can we know How might we act This book sets out to answer these fundamental philosophical questions in a radical and original theory of security for our times Arguing that the concept of security in world politics has long been imprisoned by conservative thinking Ken Booth explores security as a precious instrumental value which gives individuals and groups the opportunity to pursue the invention of humanity rather than live determined and diminished lives Booth suggests that human society globally is facing a set of converging historical crises He looks to critical social theory and radical international theory to develop a comprehensive framework for understanding the historical challenges facing global business as usual and for planning to reconstruct a more cosmopolitan future Theory of World Security is a challenge both to well established ways of thinking about security and alternative approaches within critical security studies

Transnational Feminist Perspectives on Terror in Literature and Culture Basuli Deb, 2014-11-13 This book offers a transnational feminist response to the gender politics of torture and terror from the viewpoint of populations of color who have come to be associated with acts of terror Using the War on Terror in Afghanistan and Iraq this book revisits other such racialized wars in Palestine Guatemala India Algeria and South Africa It draws widely on postcolonial literature photography films music interdisciplinary arts media new media and activism joining the larger conversation about human rights by addressing the problem of a pervasive public misunderstanding of terrorism conditioned by a foreign and domestic policy perspective Deb provides an alternative understanding of terrorism as revolutionary dissent against injustice through a postcolonial transnational lens The volume brings counter terror narratives into dialogue with ideologies of gender race ethnicity nationality class and religion addressing the situation of women as both perpetrators and targets of torture and the possibilities of a dialogue between feminist and queer politics to confront securitized regimes of torture This book explores

the relationship in which social and cultural texts stand with respect to legacies of colonialism and neo imperialism in a world of transnational feminist solidarities against postcolonial wars on terror

The Road to Democracy in South Africa South African Democracy Education Trust, 2024-12-02 This book examines the contributions made by the governments organisations and African people on the ground throughout the continent towards the realisation of the South African dream in 1994 The chapters provide detailed insight into the roots of the continent's liberation from colonialism The subject matter in this book also discusses The anti apartheid struggle Caribbean solidarity with the South African struggle Botswana's role in South African liberation Black internationalism The involvement of the ANC Print editions not for sale in Sub Saharan Africa This book is part of Routledge's co published series 30 Years of Democracy in South Africa in collaboration with UNISA Press which reflects on the past years of a democratic South Africa and assesses the future opportunities and challenges

The D-Word: Perspectives on Democracy in Tumultuous Times Christi van der Westhuizen, Sphiwe Dube, Zwelethu Jolobe, 2024-03-12 This curated collection engages international debates about the current challenges facing democracy Given the proliferation of crisis literature on democracy this volume finds its distinctive niche in presenting perspectives from the global margins that bridge disciplinary sectoral national and conceptual divides South Africans enter into conversation with scholars and activists from elsewhere in the Global South including the Arab world and the rest of Africa and from the European periphery Insights on democracy are offered from a diversity of perspectives and voices spanning philosophy socio legal and political studies sociology public administration and queer and gender studies and activism The book will be of interest to academics activists policymakers development planners and the general public The D Word is a timely contribution addressing burning questions are current contestations about the relevance of democracy due to systemic flaws in how it is constituted received practised and even imagined and can the democratic project be salvaged The book's unique approach brings a variety of lenses to bear on the prospects for democracy The critical reflections it contains make for an enriching broad canvas of ideas Professor Sandy Africa University of Pretoria

Commissions of Inquiry and National Security Stuart Farson, Mark Phythian, 2010-12-16 This text presents a comparative international study of commissions of inquiry that have been convened in response to extraordinary failures and scandals In recent years commissions of inquiry have been common to the politics of the United States Britain Canada and Australia Recent years have seen a much wider range of states establish commissions of inquiry into intelligence and security issues and they have also played important roles in transitions in Latin America and Eastern Europe Commissions of inquiry are no longer even the exclusive preserve of states as transnational institutions such as the United Nations and European Union have begun to convoke them This groundbreaking book comprehensively examines commissions of inquiry around the world which have become important and increasingly invoked tools to discover truth curb abuses and reconcile national security imperatives with the constraints of law and human rights It offers timely insights for national security analysts government officials
