Quarterly Winter 1988:

A Handbook on Women in Firefighting; The Changing Face of the Fire Service , **Agricultural Libraries Information Notes** ,1991 **Monthly Catalogue, United States Public Documents** ,1994 **Against Leviathan** Robert Higgs,2025-10-07 What is fundamentally wrong with government today In *Against Leviathan* economist and historian Robert Higgs offers an unflinching critical analysis of government power *Against Leviathan* combines an economist s analytical scrutiny an historian s respect for the facts and a refusal to accept the standard excuses and cruelties of government officialdom Topics include Social Security the paternalism of the FDA the War on Drugs the nature of political leadership civil liberties the conduct of the national surveillance state and governmental responses to a continuing stream of crises including domestic economic busts and foreign wars both hot and cold *Against Leviathan* is a thorough and penetrating critique and a significant contribution in this current time of crisis and unchecked expansion of government power *Monthly Catalog of United States Government Publications* ,2000 [Monthly Catalog of United States Government Publications](#) United States. Superintendent of Documents,1994 [The Protection of Wildlife](#), January 1979-April 1989 Charles N. Bebee,1989 **Bibliographies and Literature of Agriculture** ,1989 **Historic Little Rock** C. Fred Williams,2008 An illustrated history of Little Rock Arkansas paired with histories of the local companies **Journal of Women's History Guide to Periodical Literature** ,1992 Gayle V Fischer has produced a terrifically useful volume that no research library should be without The *Journal of American History* an indispensable resource to finding material on women s history throughout the world *Journal of World History* the work is recommended for its currency depth of coverage and scope *Ethnic Forum* As part of its mission to disseminate feminist scholarship and serve as the journal of record for the new area of women s history the *Journal of Women s History* began a compilation of periodical literature dealing with women s history This volume is drawn from more than 750 journals and includes material published from 1980 through 1990 There are forty subject categories and numerous subcategories The guide lists more than 5 500 articles all are extensively cross listed **What Do Unions Do?** Thomas S. Barrows,2017-09-08 One of the best known and most quoted books ever written on labor unions is *What Do Unions Do* by Richard Freeman and James Medoff Published in 1984 the book proved to be a landmark because it provided the most comprehensive and statistically sophisticated empirical portrait of the economic and socio political effects of unions and a provocative conclusion that unions are on balance beneficial for the economy and society The present volume represents a twentieth anniversary retrospective and evaluation of *What Do Unions Do* The objectives are threefold to evaluate and critique the theory evidence and conclusions of Freeman and Medoff to provide a comprehensive update of the theoretical and empirical literature on unions since the publication of their book and to offer a balanced assessment and critique of the effects of unions on the economy and society Toward this end internationally recognized representatives of labor and management cover the gamut of subjects related to unions Topics covered include

the economic theory of unions the history of economic thought on unions the effect of unions on wages benefits capital investment productivity income inequality dispute resolution and job satisfaction the performance of unions in an international perspective the reasons for the decline of unions and the future of unions The volume concludes with a chapter by Richard Freeman in which he assesses the arguments and evidence presented in the other chapters and presents his evaluation of how What Do Unions Do stands up in the light of twenty years of additional experience and research This highly readable volume is a state of the art survey by internationally recognized experts on the effects and future of labor unions It will be the benchmark for years to come Emerging Dimensions of European Security Policy Wolfgang F.

Danspeckgruber,2019-04-08 This book represents an overview of European security affairs as of 1989 1990 It deals with fundamental theoretical and political strategic considerations looks at arms control developments and examines European defense economies and military industrial capabilities of U S **The Breach** Alan McPherson,2025-02-28 A president defying Congress Disrespect for the law Attacks on the press Evasion in the courts The privatization of war Quid pro quos with foreign nations The mounting dangers to American democracy have long been with us But all these perils first emerged together during the Iran Contra scandal of the Reagan Bush era This opaque foreign policy mess has receded from history a minor speedbump at the triumphant end of the Cold War With American democracy in increasing jeopardy from the inside however Iran Contra must be reassessed as a major step down that dark path In this gripping blow by blow account of the 1980s efforts to trade arms with Iran illegally fund rebels in Central America despite a congressional prohibition and dodge political and legal consequences once the truth emerged Alan McPherson argues for the salience of six democracy degrading behaviors throughout the fiasco At the time many warned of the broad attack on democratic norms yet no one paid a real price or learned a lesson Those failures left the country more divided than ever before and ill equipped for more severe assaults to come *Plotting a True Course* William P. Head,2003-05-30 Examining wars from the allied victory in World War II to the conflict in Viet Nam and finally to the operations in the Gulf and Kosovo this book presents a comprehensive look at the evolution of strategic air attack theory and doctrine over the years Canadian Banks and Global Competitiveness

James L. Darroch,1999-03-30 Accounts for why Canadian banks are more successful and better thought of in the global economy than the size of the country s economy would suggest Follows the history of the four largest from their beginning highlighting how their strategies have responded to changing conditions the long term effects of corporate decisions and the contributions they have made to the Canadian economy as a whole Annotation copyright by Book News Inc Portland OR

The Eighties John Ehrman,2005-01-01 An accessible and balanced account of the eighties tracks the transformation of America in the context of Ronald Reagan s policies and convictions and in terms of the broader global political social economic and cultural trends that allowed Reagan to accomplish much of his agenda **Annual Report** Agricultural Research Institute of Ontario,1988 *Guide to the Presidency* Michael Nelson,2015-05-01 The Guide to the Presidency is an

extensive study of the most important office of the U S political system Its two volumes describe the history workings and people involved in this office from Washington to Clinton The thirty seven chapters of the Guide arranged into seven distinct subject areas ranging from the origins of the office to the powers of the presidency to selection and removal cover every aspect of the presidency Initially dealing with the constitutional evolution of the presidency and its development the book goes on to expand on the history of the office how the presidency operates alongside the numerous departments and agents of the federal bureaucracy and how the selection procedure works in ordinary and special circumstances Of special interest to the reader will be the illustrated biographies of every president from Washington to the present day and the detailed overview of the vice presidents and first ladies of each particular office Also included are two special appendices one of which gathers together important addresses and speeches from the Declaration of Independence to Clinton s Inaugural Address and another which provides results from elections and polls and statistics from each office

Flawed Giant Robert Dallek,1998-04-16 Flawed Giant the monumental concluding volume to Robert Dallek s biography of Lyndon Baines Johnson provides the most through engrossing account ever published of Johnson s years in the national spotlight Drawing on hours of newly released White House tapes and dozens of interviews with people close to the President Dallek reveals LBJ as a visionary leader who worked his will on Congress like no chief executive before or since and also displays the depth of his private anguish as he became increasingly ensnared in Vietnam Writing in a clear thoughtful and evenhanded style Dallek reveals both the greatness and the tangled complexities of one of the most extravagant characters ever to ascend to the White House
