

¿QUÉ ES UN PREJUICIO?

El **prejuicio** es una opinión o actitud negativa que se tiene hacia una persona o grupo de personas sin tener una base real o fundamentada.

Se trata de juzgar y estereotipar a alguien por su raza, religión, género, orientación sexual u otras características, sin conocer realmente a esa persona individualmente.

Los **prejuicios** pueden generar discriminación y tratar a las personas de manera injusta, limitando la igualdad y el respeto.

Es importante cuestionar nuestros propios prejuicios y fomentar la tolerancia y el entendimiento entre todos, para construir una sociedad más inclusiva y justa.
