Charles II is running for his life and into the arms of a woman who will risk all for king and country Jane Lane is of marrying age but she longs for adventure She has pushed every potential suitor away even those who could provide everything for her Then one day adventure makes its way to her doorstep and with it comes mortal danger Royalists fighting to restore the crown to King Charles II implore Jane to help Jane must transport him to safety disguised as a manservant As she places herself in harm s way she finds herself falling in love with the gallant young Charles And despite his reputation as a breaker of hearts Jane finds herself surrendering to a passion that will change her life forever      *Royal Representations* Margaret Homans, 2015-03-10 Queen Victoria was one of the most complex cultural productions of her age In *Royal Representations* Margaret Homans investigates the meanings Victoria held for her times Victoria s own contributions to Victorian writing and art and the cultural mechanisms through which her influence was felt Arguing that being seeming and appearing were crucial to Victoria s rule Homans explores the variability of Victoria s agency and of its representations using a wide array of literary historical and visual sources Along the way she shows how Victoria provided a deeply equivocal model for women s powers in and out of marriage how Victoria s dramatic public withdrawal after Albert s death helped to ease the monarchy s transition to an entirely symbolic role and how Victoria s literary self representations influenced debates over political self representation Homans considers versions of Victoria in the work of Elizabeth Barrett Browning George Eliot John Ruskin Margaret Oliphant Lewis Carroll Alfred Lord Tennyson and Julia Margaret Cameron      **Queen of Thorns and Roses** Connie Suttle, 2018-07-04 Kyri You thought you could walk right into Az ca take over where you left off centuries ago and everybody would just fall in with your plans Is that it I didn t count on her never saw her in all my divinations He meant Sherra An unseeable He d divined Thorn II just not his Queen and partner So You wanted to take over after practically destroying their current King who was a very good King and before that an excellent Commander of the army That s a hell of a way to get Az ca s population to adore you isn t it I can offer them peace he began Except you can t Kaakos is still alive remember and he ll be coming for you of that I have no doubt You know it too and you can t take him on without Az ca s army at your back I thought we could work together Thorn II and I That he d see the reason in it after a while And as he s currently powerless what choice would he have I sniped The present King of Az ca has been rendered powerless through an unsuspected coup and is overcome with despair Kaakos has escaped death but is forced to leave Ny nes Now his sole focus is revenge Az ca s citizens have fallen victim to the enemy s lies and civil war threatens to split the country Sherra is forced to divide her attention between searching for the enemy dealing with traitors and struggling with the King s misery and

desolation When the blood spell that rendered Kerok powerless takes a turn even its maker didn't expect only her dreamwalker with help from another can hope to turn the tide      The Would-be Queen A K Lambert, 2023-05-08 The fate of Earth hangs in the balance as does the release of Zerot from its authoritarian dictatorship Two bitter enemies realise only they possess the knowledge and the audacity to prevent a war that will destroy the Milky Way They must strike up the unlikeliest of alliances one where in the battle of good versus evil good must become evil      **Tut's Queen** Bela I.
