Elizabeth the Queen Sally Bedell Smith, 2012 A tribute to the life and enduring reign of Elizabeth II draws on numerous interviews and previously undisclosed documents to juxtapose the queen's public and private lives providing coverage of such topics as her teen romance with Philip her contributions during World War II and the scandals that have challenged her family This book was previously listed in Forecast The Queen Elizabeth Longford, 1983 A biography of Queen Elizabeth II prepared with the cooperation of Princess Margaret and the Queen Mother and with full access to the Royal Archives

The Queen Robert Lacey, 2012-05-15 With a level of intimacy and more than a few emotional peaks a biography of Queen Elizabeth from the New York Times bestselling author of The Kingdom Publishers Weekly Elizabeth of York was not born to be Queen She came into the world on April 21st 1926 the equivalent of the modern Princess Beatrice first born daughter of the Duke of York destined to flutter on the royal fringe So while Lilibet was brought up with almost religious respect for the crown there seemed no chance of her inheriting it Her head was never turned by the personal prospect of grandeur which is why she would prove so very good at her job Elizabeth II's lack of ego was the paradoxical secret of her greatness For more than thirty years acclaimed author and royal biographer Robert Lacey has been gathering material from members of the Queen's inner circle her friends relatives private secretaries and prime ministers Now in The Queen Lacey offers a life of the celebrated monarch told in four parts that capture the distinctive flavor of passing eras and reveal how Elizabeth II adapted or on occasions regally declined to adapt to changing times **The Queen** Catherine Ryan, 2018-01-16 Her Royal Highness Queen Elizabeth II has reigned for 64 years longer than any British monarch in history During that time the Queen has endured the ups and downs that long life will bring She was a beacon of hope during and after the Second World War in

difficult times when the world faced a precarious future and she has served as a role model for generations of men and women who continue to be in awe of her commitment to service sacrifice and the Commonwealth of nations over which she rules The abdication of her uncle Edward VIII in 1936 turned her family's world upside down When her father was crowned King George VI Elizabeth was thrust into the eye of the storm as a future queen A shy and reserved child she grew into a wise and insightful monarch who has dealt ably with nine British Prime Ministers during her long reign from Winston Churchill to Theresa May It was of course not always straightforward and the Queen has found herself in hot water several times most notably during the marriage of Prince Charles and Diana Princess of Wales When Diana was tragically killed in a car crash the standing of the Royal Family was probably at its lowest ebb It is unlikely that we will ever see a monarch reign so long or so effectively again holding together a disparate group of nations each with its own aspirations customs and traditions Catherine Ryan has written an intriguing biography of one of the most famous women of modern times who at 91 years old still seems fit and healthy and looks very unlikely to hand over the reins to her successors any time soon *DK Life Stories Queen Elizabeth II* Brenda Williams, Brian Williams, 2023-05-16 Discover the inspiring story of Queen Elizabeth II the longest reigning monarch in British history in this fascinating kids biography At just 25 years of age Princess Elizabeth succeeded King George VI to the British throne This compelling book looks at Elizabeth's life both as a public and private figure It traces her early years as a princess her experiences in the women's army during World War II her coronation her life as Queen both at home and in the public eye her death at Balmoral and the events of her funeral Learn how Elizabeth worked alongside 15 British prime ministers met leaders from around the world and remained a stable presence as head of the British royal family DK Life Stories goes beyond the basic facts to tell the true life stories of history's most inspiring people Full color photographs and hand drawn illustrations complement age appropriate narrative text Definition boxes information sidebars and inspiring quotes add depth while a handy reference section at the back makes DK Life Stories the one biography series everyone will want to collect *Queen of Our Times* Robert Hardman, 2022-04-05 The definitive portrait of Queen Elizabeth II by a renowned royal biographer As seen on Good Morning America CNN and the BBC Shy but with a steely self confidence inscrutable despite ten decades in the public eye unflappable devout indulgent outwardly reserved inwardly passionate unsentimental inquisitive young at heart Even with her recent passing at age ninety six she remains a twenty first century global phenomenon commanding unrivalled respect and affection Sealed off during the greatest peacetime emergency of modern times she has stuck to her own maxim I have to be seen to be believed Robert Hardman one of Britain's most acclaimed royal biographers now wraps up the full story of one of the undisputed greats in a thousand years of monarchy Hardman distills Elizabeth's complex life into a must read study of dynastic survival and renewal It is a portrait of a world leader who remains as intriguing today as the day she came to the Throne at age twenty five With peerless access to members of the Royal Family staff friends and royal records *Queen of Our Times* brings fresh insights and

what her incredible legacy will be Here Is What You ll Learn About Who Is Queen Elizabeth IIFamily ChildhoodBecoming A QueenThe Early Years As QueenBeing Queen In A Changing WorldThe Impact Of Queen Elizabeth IIQueen Elizabeth s LegacyMuch Much More **The Queen** Douglas Keay,1992 Monarch Robert Lacey,2008-06-24 An exemplary book Martin Amis The New Yorker In Monarch Robert Lacey makes you feel like you re right there in the palace in the castle I was absolutely riveted Dominick Dunne Elizabeth Alexandra Mary Windsor who became Elizabeth II Queen of England on February 6 1952 has been loved and loathed revered and feared applauded and criticized by her people Still she remained a captivating figure in the British monarchy for over seventy years In Monarch a meticulously detailed portrait of Elizabeth II as both a human being and an institution bestselling author Robert Lacey brings the queen to life as never before as baby Lilibet learning to wave to a crowd in the Royal Mews as a child ardently praying for a brother so as to avoid her fate as a young woman falling in love with and marrying her cousin Philip and as the mother in law of the most complicated royal of all Princess Diana Featuring dozens of photographs a family tree of the Hanoverian Windsor Mountbatten families and a map that charts the location of royal castles Monarch is an engaging critical and celebratory account of Elizabeth s reign that no reader of popular history should be without **A Brief History of the Private Life of Elizabeth II** Michael Paterson,2012-01-19 Elizabeth II is the longest reigning British monarch A personally quiet modest and dutiful person she is far better informed about the lives of her subjects than they often realize She has known every Prime Minister since Winston Churchill and every American President since Eisenhower Yet what of the woman behind the crown This book seeks to take a new look at this exhaustively documented life and show how Queen Elizabeth became the person she is Who and what have been the greatest influences upon her What are her likes and dislikes What are her hobbies Who are her friends What does she feel about the demands of duty and protocol Is she really enjoying herself when she smiles during official events How differently does she behave when out of the public eye Examining the places in which she grew up or has lived the training she received and her attitudes to significant events in national life it presents a fresh view of one of recent history s most important figures In recent years Queen Elizabeth has become the longest reigning monarch in our history and has cut back on commitments Nevertheless she is still very active and has made some wise decisions about who takes over a number of her duties **The Queen** Ian Lloyd,2022-04-21 At the time of Elizabeth II s accession Winston Churchill was the Prime Minister of the United Kingdom Harry S Truman was President of the United States and Joseph Stalin still governed the Soviet Union It has often been said that she never put a foot wrong during her seven decades as monarch and even those ideologically opposed to Britain and its governments have lauded her Remarkably she retained her relevance as sovereign well into her nineties remaining a reassuring constant in an ever changing world Royal biographer Ian Lloyd reveals the woman behind the legend over seventy themed chapters Drawing on interviews with relatives friends and courtiers he explores her relationship with seven generations of the royal family from the children of Queen Victoria to Elizabeth s own

great grandchildren He also sheds light on some lesser known aspects of her character such as her frugality and her gift for mimicry In addition we see her encounters with A listers from Marilyn Monroe to Madonna and her adept handling of several of the twentieth century s most difficult leaders Above all Lloyd examines how the Queen stayed true to the promise she made to the nation at the age of 21 that my whole life whether it be long or short shall be devoted to your service *Queen Elizabeth II* Charles River Editors,2015-05-21 Includes pictures Includes quotes by the Queen about her life and reign Includes online resources and a bibliography for further reading Includes a table of contents When I was twenty one I pledged my life to the service of our people and I asked for God s help to make good that vow Although that vow was made in my salad days when I was green in judgement I do not regret nor retract one word of it Elizabeth II Until the implementation of new legislation on March 26 2015 men were given preference to women in the British royal line This system of male primogeniture meant that women seldom inherited the throne and even when they did they were often dominated by male councillors Those women who married British kings gained the title of Queen but they were queen consorts holding the title with no power This makes Elizabeth II one of a select few queens regnant queens ruling in their own right and one of even fewer to set her own course in the history of her family and its throne This is ironic given that history and Elizabeth s relation to preceding monarchs made it highly unlikely that she would ever even inherit the throne It was only the abdication of her uncle in circumstances that shocked the world that put the young Princess Elizabeth s father on the throne and made her the heir In less tumultuous times hers would not have been the head that wore the crown Nonetheless Queen Elizabeth II has become so much a part of British society and culture that her presence is taken almost for granted setting the standard people now expect of a British monarch The longest lived and second longest reigning monarch in British history Elizabeth II has overseen her country during a time of incredible turmoil and ever accelerating change providing a stable figure at the heart of a nation going through seemingly endless upheavals Her impact in this regard extends beyond the United Kingdom and all the way to those countries of the Commonwealth over which she is still monarch In too many ways to count hers has been an extraordinary reign but even as she has been able to portray herself as a figure of tradition she has been a modern queen in many respects so even as she reaches old age and her subjects are forced to consider what life will be like without her she has set the Royal Family on a path to modernity *Queen Elizabeth II The Life and Legacy of Britain s Second Longest Reigning Monarch* traces the life of Elizabeth II and the history of her reign Along with pictures of important people places and events you will learn about Queen Elizabeth II like never before in no time at all **Princess** Jane Dismore,2021-02-19 As a 13 year old girl Princess Elizabeth fell in love with Prince Philip of Greece an ambitious naval cadet and they married when she was 21 When Elizabeth suddenly became Queen at 25 their lives changed forever With previously unpublished material and unique interviews with friends and relations this book looks afresh at her life as princess glittering yet isolated Letters from Elizabeth and the royal family give an intimate insight into their lives and minds Vivid detail and anecdotes
