Abbreviations Dictionary Dean A. Stahl, Karen Landen, 2018-10-08 Published in 2001 Abbreviations nicknames jargon and other short forms save time space and effort provided they are understood Thousands of new and potentially confusing terms become part of the international vocabulary each year while our communications are relayed to one another with increasing speed PDAs link to PCs The Net has grown into data central shopping mall and grocery store all rolled into one E mail is faster than snail mail cell phones are faster yet and it is all done 24 7 Longtime and widespread use of certain abbreviations such as R S V P has made them better understood standing alone than spelled out Certainly we are more comfortable saying DNA than deoxyribonucleic acid but how many people today really remember what the initials stand for The Abbreviations Dictionary Tenth Edition gives you this and other information from Airlines of the World to the Zodiacal Signs *Bulletin* ,1912 *Bulletin* New York (State). until 1931 the Canadian Army's Defence Scheme Number One was to launch a surprise attack on the US with Mexico and Japan as allies. But beyond the fraught politics of the border Laxer discovers another legacy as well. Travelling the country from Campobello Island in the east to Richmond BC in the west all the way up to the Alaska panhandle in the north Laxer meets people who live within a stone's throw of the foreigners on the other side and who share with him tales of friendship and rivalry, smuggling and trade that have shaped the character of their communities.
