**Parliament** , 1838 **Raven Queen, Arise** Dave Reed, 2021-10-01 Becoming a goddess wasn't what I planned for today Death made me an offer I couldn't refuse But I'm in love with the archangel who is his oldest and best friend You have been friends for a millennium I said Perhaps as much as a god and his angel could be friends I thought It would be cosmically stupid for you to allow a woman to ruin such love I held their hands tight as they flinched and tried again to pull away But they were looking at me now not each other which is what I wanted Focus on me boys I thought to myself selecting my next words carefully The stone floor was hard and cool against my knees as I knelt between them I brought both of their hands to my lips I choose you I said again loud enough to fill the dark room I looked from one to another and asked Will you both choose me Confusion and ancient possessiveness settled across their faces at war with hope and a new consideration The juxtaposition might have been comical had my heart not hung in the balance Ravens mate for life And death Raven Queen Arise is a poly romance featuring a bisexual heroine doing the best she can to protect the people she loves right the wrongs done her and assemble the beginnings of her own reverse harem **Discovery of a Queen** Elizabeth Brown, 2021-01-01 My

sisters have been in a magical slumber for centuries my mother the last great battle queen is dead leaving me to face the world alone I'm the last of my kind A queen not entirely shifter and not entirely witch but a perfect blend of both I've been living in hiding for over four hundred years avoiding ties with the supernatural community specifically the Council and the Alpha of all alphas like the plague That is until I find myself challenging for alpha of the New England pack in front of both the shifter and witch communities Now I'm the leader of both Fuck I'm the leader of both I've put myself square in the Council's sight my time in hiding forcibly over But the Council is the least of my problems Malick the oldest Archdemon to

walk the earth is still alive despite my mother's best efforts His legion growing in number by the day I may want to keep myself and my new community away from his legion but I know that the only way we'll ever be safe is to kill him Countless queens have tried All of them failing even with their alpha dragon mates and supernatural communities I'm going to have to work with the Alpha Caleb and the Council if I want to end Malick and wipe out his legion for good Unfortunately Caleb also happens to be my mate as in soulmate together forever never to be parted partners in crime I know that he won't let me go after we've finished wiping Malick from the face of the earth But I refuse to be subject to the Council's control I also need to find a way to wake my sisters because what's coming for us is far worse than Malick and there are no guarantees there will be any survivors
