Queen Victoria In Her Letters And Journals

William Roger Louis

Queen Victoria In Her Letters And Journals:

Queen Victoria in Her Letters and Journals Victoria (Queen of Great Britain), Christopher Hibbert, 2000 Frequently illuminating and occasionally funny this selection illustrated by the Queen's own drawings presents a moving account of one of the most remarkable personalities of the 19th century *Queen Victoria in Her Letters and Journals* Victoria (Queen of Great Britain), Christopher Hibbert, 1985 *Queen Victoria in Her Letters and Journals* Victoria (Queen of Great Britain), 2003 **Queen Victoria** Helen Rappaport, 2003-05-05 This resource covers the life times and relationships of Queen Victoria providing information about her children her personal interests the historic times in which she ruled and the leaders she influenced In this fascinating guide to every aspect of Queen Victoria's life author Helen Rappaport analyzes the queen's personality celebrates her achievements and details the shortcomings of her empire both in Britain with its continuing divide between rich and poor and overseas where Britain's great empire was won by repression and exploitation A-Z entries including topics barely touched in standard biographies cover things like the various assassination attempts on her life her interest in dancing and Jack the Ripper's murders and how her husband Prince Albert introduced the celebration of Christmas to England Queen Victoria also describes individuals such as her companion Lady Jane Churchill her physician Sir James Clark and politicians such as William Gladstone and Benjamin Disraeli events like the Irish potato famine inventions like steam power and issues such as missionary activity and prostitution It also includes bibliographies both for each entry and overall and a chronology **Queen Victoria and the Theatre of Her Age** R. Schoch, 2004-01-28 A fresh and intimate portrait of Queen Victoria at the play Through Victoria's diary artwork and correspondence we see her as enraptured spectator bountiful patron and tyrannical director of private theatricals At times she appears formidable More frequently she is impudent high spirited and unruly a woman who delights in gory melodramas and circus acts Queen Victoria and the Theatre of Her Age gives readers a deeply personal account of her lifelong devotion to the stage It will appeal to anyone interested in monarchy's place in popular culture **Queen Victoria** Charles V. Reed, 2025-01-07 Queen Victoria was until the 21st century the longest reigning monarch in British history and reigned over an empire on which the sun never set While countless volumes have been written about the Great Queen recent scholarly work has meaningfully explored the queen's and the monarchy's place and role in Britain's global empire as well as the place of the monarchy and the queen in the complex and often brutal history of British imperialism The long story of Victoria is the story of multiple Victorias over the course of a long reign who was employed as a symbol of benevolent British rule who engaged some of her colonial subjects with interest and even empathy but who also supported and advocated for the worst excesses of British warfare and expansion Queen Victoria A Reference Guide to Her Life and Works explores the queen as well as the people events and ideas that shaped the life of the second longest reigning monarch in British history It features a chronology an introduction a bibliography and over 100 cross referenced dictionary entries It gives particular attention to the imperial and global impact

of the queen's rule and her engagement with various colonial subjects across the globe

Queen Victoria's Secrets Adrienne Munich, 1996 An unconventional figure in an age that excluded women from government Victoria was accorded prominence unavailable to any male monarch Yet as Adrienne Munich argues in this fascinating work the originality of the solid dour icon that was Victoria lay paradoxically in her very ordinariness The first book to fully investigate the influence of this icon of British history Queen Victoria's Secrets demonstrates the firm grasp the queen held on the cultural imagination of her country exploring how Victoria created and maintained her royal authority Gracefully weaving together feminist anthropological and postcolonial approaches Munich searches out the myriad often contradictory incarnations of the queen in the minds of her people How did Victoria convincingly maintain her power for forty years after Prince Albert's death never giving up her identity as a grieving widow How did Victorian society's reverential treatment of their queen conflate with the monarch's plain middle class public image These are some of the secrets Munich examines in her richly detailed work In demonstrating the subtle but powerful ways in which Victoria performed significant cultural work Queen Victoria's Secrets goes against the grain of Victoria scholarship which has tended to overlook the queen's political and cultural centrality This stylish accessible portrait will be of great interest to those who are fascinated by the myth making and secrets of the Victorian age

Her Little Majesty Carolly Erickson, 2017-03-14 An insightful and fascinating portrait of Queen Victoria from her childhood through her adult life detailing her personal life and relationships with friends family and the public A vivid Kirkus Reviews and multilayered biography of Queen Victoria chronicling the life of the longest reigning British monarch who ruled for sixty four years offering an intimate portrait of a woman who after losing her beloved husband went on to fulfill her duties as mother grandmother and queen of England

More Adventures with Britannia William Roger Louis, 1998 Includes essays on Henry James Rudyard Kipling Leonard and Virginia Woolf D H Lawrence George Orwell 1984 Mountbatten Winston Churchill among others

Royal tourists, colonial subjects and the making of a British world, 1860-1911 Charles Reed, 2016-02-01 This electronic version has been made available under a Creative Commons BY NC ND open access license This study examines the ritual space of nineteenth century royal tours of empire and the diverse array of historical actors who participated in them It suggests that the varied responses to the royal tours of the nineteenth century demonstrate how a multi centred British imperial culture was forged in the empire and was constantly made and remade appropriated and contested In this context subjects of empire provincialised the British Isles centring the colonies in their political and cultural constructions of empire Britishness citizenship and loyalty

Queen Victoria and the European Empires John Van der Kiste, 2017-01-20

Leaves from the Journal of Our Life in the Highlands, 1848-1861 & More Leaves, 1862-1882 Queen Victoria, 2024-04-24 This solitude the romance and wild loveliness of everything here all make beloved Scotland the proudest finest country in the world Queen Victoria 1819 1901 wrote a diary nearly every day of her life Originally intended for private circulation later expanded to appeal to a wider public these published diary entries cover not

only the family holidays at Balmoral Castle in the Scottish Highlands which the Queen and Prince Albert enjoyed up until his death in 1861 but also the Queen's journeys as sovereign and as Royal Tourist around Scotland Ireland and other regions within the British Isles The books offer intimate views of the most important woman of her time as she shares her love of her family and of the Highlands and demonstrates her intense interest in all corners of her realm and in the lives of individuals from all classes of society Queen Victoria's writings about her life and travels in Scotland and the British Isles are fascinating and entertaining to read Extremely popular when they first appeared they shaped Victoria's image in the nineteenth century and their impact on public perceptions of the monarchy continues to this day This volume includes complete and authoritative texts of the two journals an introduction and explanatory endnotes providing historical and cultural contexts and new information about the Queen's work as author and editor maps of the Queen's travels a Cast of Characters briefly identifying many of the individuals the Queen meets or mentions a Glossary of unfamiliar terms and Suggestions for Further Reading ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more

Queen Victoria and Her Prime Ministers Anne

Somerset, 2024-11-05 A riveting portrait of Queen Victoria and the ten prime ministers who headed British government during her sixty three year reign It is generally accepted that Queen Victoria reigned but did not rule This couldn't be more wrong A passionate and opinionated leader Victoria was born to govern with no room for doubt about her historic destiny or the might of the empire that was built in her name When it came to her involvement in state affairs Victoria herself acknowledged that she had held strong likes and dislikes for the various prime ministers who served throughout her political evolution from headstrong teenager to seasoned leader Anne Somerset's Queen Victoria and Her Prime Ministers charts the feuds and affectionate interactions Victoria had with her ten premiers in often hilarious detail from her adoration of Benjamin Disraeli her favorite prime minister who filled her life with poetry romance and chivalry to her detestation for William Gladstone a man she deemed a dangerous old fanatic Drawing extensively on unpublished sources such as material from the Royal Archives and never before seen prime ministerial papers Somerset casts a fresh and highly illuminating perspective not just on Victoria but on the exceptional politicians who served her in a time of massive global change

The Body of the Queen Regina Schulte, 2006 How many bodies does a queen have What is the significance of multiple bodies How has the gendered body been constructed and perceived within the context of the European courts during the course of the past five centuries These are some of the questions addressed in this anthology a contribution to the ongoing debate provoked by Ernst H Kantorowicz in his seminal work from 1957 The King's Two Bodies On the basis of both textual self presentations and visual representations a gradual transformation of the queen appears A sacred providential figure in medieval and early

modern period an ideal bourgeois wife during the late 18th and 19th Centuries and a star like re presentation of royalty during the past century Twentieth century mass media has produced the celebrity and film star queens personified by the contested and enigmatic Nefertiti of ancient Egypt the mysterious Elizabeth Sisi of Austria Grace Kelly as Queen of both Hollywood and Monaco and Romy Schneider as the invented Empress *The Review of Reviews* William Thomas Stead,1926 *The Carriage Journal: Vol. 56, No. 3 May 2018* Ken Wheeling,Nicolaas W. Conijn,Susan Green,Randy Solle,Tom Ryder,2018-05-03 Features The Queen s Ghillie by Ken Wheeling Page 146 Restoration of the State Coach of the Countess van Wassenaer by Nicolaas W Conijn Page 160 Dump Wagons by Susan Green Page 171 Additional Articles CAA Driving Weekend Page 131 Chester Weber Claims 15th USEF Four in Hand Combined Driving National Championship Title Proficiency Success with Jerry Trapani National Stage Coach and Freight Wagon Association National Conference by Ken Wheeling California State Carriage Collection From Practical Stagecoaches to Elegant Phaetons by Randy Solle Page 140 Susan Townsend Parker Theodore Gerald Winsor Swendson Driving the Horse in Harness A Beginner s Manual Part V by Charles Kellogg Page 152 A Coaching Idyll by Edmund Petley The Storage and Care of Harness and Carriages by Tom Ryder Page 166 Exploring the Carriages of Grant s Farm by Barbara Davis Page 178 Brewster Vehicle Research by Jerry Rider Page 192 **My Dearest, Dearest Albert** Karen Dolby,2018-09-20 Using excerpts from her letters and diaries this book shows the very human face of Queen Victoria from spirited young princess to caring Queen passionate bride and loving mother to great grandmother of a royal dynasty who gave her name to the age of improvement **Victoria and Her Court** Virginia Schomp,2011-01-30 This series of books explores what is perhaps the most dynamic era in the history of England [More Adventures with Britannia](#) Wm. Roger Louis,2010-07-05 Collecting the interpretations of outstanding writers on the literature and history of modern Britain this book deals with a rich variety of themes some familiar many unexpected taking the reader on a highly engaging excursion through British life and intellectual biography The scope includes not only the personalities politics and culture of England Wales Scotland and Ireland but also the interaction of British and other societies throughout the world *England Re-Oriented* Humberto Garcia,2020-11-19 What does the love between British imperialists and their Asian male partners reveal about orientalism s social origins To answer this question Humberto Garcia focuses on westward bound Central and South Asian travel writers who have long been forgotten or dismissed by scholars This bias has obscured how Joseph Emin Sake Dean Mahomet Shaykh I tesamuddin Abu Talib Khan Abul Hassan Khan Yusuf Khan Kambalposh and Lutfullah Khan found in their conviviality with Englishwomen and men a strategy for inhabiting a critical agency that appropriated various media to make Europe commensurate with Asia Drama dance masquerades visual art museum exhibits music postal letters and newsprint inspired these genteel men to recalibrate Persianate ways of behaving and knowing Their cosmopolitanisms offer a unique window on an enchanted third space between empires in which Europe was peripheral to Islamic Indo Eurasia Encrypted in their mediated homosocial intimacies is a queer history of orientalist

mimic men under the spell of a powerful Persian manhood

Getting the books **Queen Victoria In Her Letters And Journals** now is not type of challenging means. You could not only going with ebook heap or library or borrowing from your links to read them. This is an utterly easy means to specifically acquire guide by on-line.
