## Queens Of The Bible:

**All the Kings and Queens of the Bible** Herbert Lockyer, 1969      *All the Kings and Queens of the Bible* Herbert Lockyer, 1961      **The Kings and Queens in the Bible** HRH Elijah A Adeyemi Ph.D, 2021-06-24 The book *The Kings and Queens in the Bible* an outline study gives in an outline form a comprehensive survey of activities of the kings of Judah of Israel and those from outside Israel The Bible King James version is the main source of information but sometimes sources from outside the Bible are used to give a clear picture of what the kings did or failed to do and the repercussions of their actions and inactions Those who obeyed God were greatly blessed but those who despised God and His laws suffered terrible consequences for their actions Sometimes their generations shared in their woes Any leaders who ignore the lessons of the kings and Queens in the Bible as contained in this book will certainly suffer the consequences of ungodly leadership

*Queens of the Bible* Jean Dougan, 1978      *Introducing the Women's Hebrew Bible* Susanne Scholz, 2017-08-10 Introducing the Women's Hebrew Bible is an up to date feminist introduction to the historical socio political and academic developments of feminist biblical scholarship In the second edition of this popular text Susanne Scholz offers new insights into the diverse field of feminist studies on the Hebrew Bible Scholz provides a new introductory survey of the history of feminism more broadly giving context to its rise in biblical studies before looking at the history and issues as they relate specifically to feminist readings and readers of the Hebrew Bible Scholz then presents the life and work of several influential feminist scholars of the Bible outlining their career paths and the characteristics of their work The volume also outlines how to relate the Bible to sexual violence and feminist postcolonial demands Two new chapters further delineate recent developments in feminist biblical studies One chapter addresses the relationship between feminist exegesis and queer theory as well as masculinity studies Another chapter problematizes the gender discourse as it has emerged in the Christian Right's approaches to the Old Testament      *Queens of Academe* Karen W. Tice, 2012-04-17 Higher education is an unlikely venue for showcasing ideals of femininity yet campus beauty pageants have increased in popularity in a cultural marketplace conjoining personal empowerment with beauty and style Karen Tice examines the desires and racial and political agendas that propel students onto collegiate catwalks      *One From Among Thy Brethren* H. Raymond Godfrey, 2022-02-03 In the New Testament the apostle Paul conveyed Christ's command that Christian men should lead the faith Let your women keep silence in the churches 1 Corinthians 14:34-35 Suffer not a woman to teach nor to usurp authority over the man 1 Timothy 2:11-15 and the family Wives submit yourselves unto your own husbands Colossians 3:18 In the Old Testament Moses conveyed God's command that an Israelite man should lead the nation of Israel One from among thy brethren shalt thou set king over thee Deuteronomy 17:15 It is clear from the Bible that God intends for men to lead the faith family and nation but never has a detailed explanation been given as to why this is the case This book is an endeavor to provide that detailed explanation In 1920 American men granted women the right to vote and thereby relinquished their leadership of the nation to women Since

then men have also relinquished their leadership of the faith and the family to women As a result of men relinquishing their leadership duties the faith family and nation are becoming increasingly separated from God resulting in a growing embrace of sexual immorality homosexuality transgenderism pedophilia pornography abortion irrational fear Marxist ideology Christian persecution fatherless families atheism revisionist history book burning rioting unmanageable debt and so on God has a masculine personality and He wants the faith family and nation to have the same masculine personality This is why He commands Christian men to lead the faith family and nation and this is why today s feminine leadership has separated us from God This growing separation between us and God is frightening and painful to experience and it is destroying the faith family and nation However it has one benefit it allows us to see the devastating consequences of feminine leadership God hates the fact that we are separated from Him and He wants us to come back to Him The only way to do this is to return the faith family and nation to masculine leadership as intended by God and commanded by the Bible **Telling Queen**
