Language, Gender and Sexual Identity Heiko Motschenbacher, 2010 This book makes an innovative contribution to the relatively young field of Queer Linguistics Subscribing to a poststructuralist framework it presents a critical deconstructionist perspective on the discursive construction of heteronormativity and gender binarism from a linguistic point of view On the one hand the book provides an outline of Queer approaches to issues of language gender and sexual identity that is of interest to students and scholars new to the field On the other hand the empirical analyses of language data represent material that also appeals to experts in the field The book deals with repercussions of the discursive materialisation of heteronormativity and gender binarism in various kinds of linguistic data These include stereotypical genderlects structural linguistic gender categories especially from a contrastive linguistic point of view the discursive sedimentation of female and feminine generics linguistic constructions of the gendered body in advertising and the usage of personal reference forms to create characters in Queer Cinema Throughout the book readers become aware of the wounding potential that gendered linguistic forms may possess in certain contexts

The Routledge Handbook of Language, Gender, and Sexuality Jo Angouri, Judith Baxter, 2021-04-26 Shortlisted for BAAL British Association for Applied Linguistics Book Prize 2022 *The Routledge Handbook of Language*

Gender and Sexuality provides an accessible and authoritative overview of this dynamic and growing area of research. Covering cutting edge debates in eight parts it is designed as a series of mini edited collections enabling the reader and particularly the novice reader to discover new ways of approaching language gender and sexuality. With a distinctive focus both on methodologies and theoretical frameworks the Handbook includes 40 state of the art chapters from international authorities. Each chapter provides a concise and critical discussion of a methodological approach, an empirical study to model the approach, a discussion of real world applications and further reading. Each section also contains a chapter by leading scholars in that area positioning through their own work and chapters in their part current state of the art and future directions. This volume is key reading for all engaged in the study and research of language gender and sexuality within English language sociolinguistics, discourse studies, applied linguistics and gender studies.

Japanese Language, Gender, and Ideology Shigeko Okamoto, Janet S. Shibamoto Smith, 2004-10-28 Japanese Language Gender and Ideology is a collection of previously unpublished articles by established as well as promising young scholars in Japanese language and gender studies. The contributors to this edited volume argue that traditional views of language in Japan are cultural constructs created by policy makers and linguists and that Japanese society in general and language use in particular are much more diverse and heterogeneous than previously understood. This volume brings together studies that substantially advance our understanding of the relationship between Japanese language and gender with particular focus on examining local linguistic practices in relation to dominant ideologies. Topics studies include gender and politeness, the history of language policy, language and Japanese romance novels and fashion magazines, bar talk, dictionary definitions and the use of first person pronouns. The volume will substantially advance the agenda of this field and will be of interest to sociolinguists, anthropologists, sociologists and scholars of Japan and Japanese.

Queer Japanese H. Abe, 2010-03-29 Abe presents a comprehensive picture of the linguistic strategies employed by Japanese sexual minorities in various social contexts from magazine advice columns to bars to text messaging on cell phones to private homes.

Talking Gender and Sexuality Paul McIlvenny, 2002 This edited volume brings together scholars from psychology, linguistics, sociology and communication science to investigate how performative notions of gender and sexuality can be fruitfully explored with the rich set of tools that have been developed by conversation analysis and discursive psychology for analyzing everyday practical language use. Agency and identity in talk. Contributors re-examine the foundations of earlier research on gender in spoken interaction, critically appraise this research to see if and how it translates successfully into the study of sexuality in talk and promote innovative alternatives that integrate the insights of recent feminist and queer theory with qualitative studies of talk and conversation. Detailed empirical analyses of naturally occurring talk are used to uncover how gender and sexual identities, agencies and desires are contingently accomplished in conversational practices. Collectively they pose the important question of what a critical theory of talk, gender and sexuality ought to look like if it is to be sensitive to a politics of conversation.

analysis Major Trends in Theoretical and Applied Linguistics 2 Nikolaos Lavidas, Thomaï Alexiou, Areti Maria Sougari, 2014-01-31 In the three volumes of Major Trends in Theoretical and Applied Linguistics the editors guide the reader through a well selected compendium of works presenting a fresh look at contemporary linguistics Aimed at specialists or anyone interested in languages this publication deals with both theoretical issues and applied linguistics looking closely at discourse analysis gender and lexicography language acquisition and language disorders **Pronoun Envy** Anna Livia, 2001 Controversy over gendered pronouns for example using the generic he has been a staple of feminist arguments about patriarchal language over the last 30 years and is certainly the most contested political issue in Western feminist linguistics Most accounts do not extend beyond policy issues like the official institution of non sexist language In this volume Anna Livia reveals continuities both before and after the sexist language reform movement and shows how the creative practices of pronoun use on the part of feminist writers had both aesthetic and political ends Livia uses the term pronoun envy ironically to show that rather being a case of misguided envy battles over gendered language are central to feminist concerns Livia examines a broad corpus of written texts in English and French concentrating on those texts which problematize the traditional functioning of the linguistic gender system They range from novels and prose poems to film scripts and personal testimonies and in time from the 19th century to the present Some withhold any indication of gender others have non gendered characters Livia's goal is two fold to help bridge the divide between linguistic and literary analysis and to show how careful study of the manipulation of linguistic gender in these texts informs larger concerns This fresh and highly interdisciplinary work lies at the intersection of several vital areas including language and gender sociolinguistics and feminist literary analysis **Queer French** Denis M. Provencher, 2016-05-23 In this book Denis M Provencher examines the tensions between Anglo American and French articulations of homosexuality and sexual citizenship in the context of contemporary French popular culture and first person narratives In the light of recent political events and the perceived hegemonic role of US forces throughout the world an examination of the French resistance to globalization and Americanization is timely in this context He argues that contemporary French gay and lesbian cultures rely on long standing French narratives that resist US models of gay experience He maintains that French gay experiences are mitigated through gay French language that draws on several canonical voices including Jean Genet and Jean Paul Sartre and various universalistic discourses Drawing on material from a diverse array of media Queer French draws out the importance of a French gay linguistic and semiotic tradition that emerges in contemporary textual practices and discourses as they relate to sexual citizenship in 20th and 21st century France It will appeal to an interdisciplinary readership in gender and sexuality studies cultural studies linguistics media and communication studies and French studies Encyclopedia of Sex and Gender Carol R. Ember, Melvin Ember, 2003-12-31 The central aim of this encyclopedia is to give the reader a comparative perspective on issues involving conceptions of gender gender differences gender roles relationships between the genders and

sexuality The encyclopedia is divided into two volumes Topics and Cultures The combination of topical overviews and varying cultural portraits is what makes this encyclopedia a unique reference work for students researchers and teachers interested in gender studies and cross cultural variation in sex and gender It deserves a place in the library of every university and every social science and health department Contents Glossary Cultural Conceptions of Gender Gender Roles Status and Institutions Sexuality and Male Female Interaction Sex and Gender in the World s Cultures Culture Name Index Subject Index

Grammatical Gender in Interaction Angeliki Alvanoudi,2014-11-06 In Grammatical Gender in Interaction Cultural and Cognitive Aspects Angeliki Alvanoudi explores the relation between grammatical gender in person reference culture and cognition in Modern Greek conversation The author investigates the cultural and cognitive aspects of grammatical gender by drawing on feminist sociolinguistic and non linguistic approaches cognitive linguistics research on linguistic relativity studies on person reference in interaction and conversation analysis The study presented in this book shows that the use of grammatical gender contributes to the routine achievement of sociocultural gender in interaction and that grammatical gender guides speakers thinking of referents as female or male at the time of speaking

Transgender Identities in the Press Angela Zottola,2021-01-28 Winner of the PROSE Award 2022 for Language Linguistics For many people newspapers are a key source of information on many topics including issues related to gender and sexuality Applying a broad range of corpus linguistic methods Transgender Identities in the Press critically explores the linguistic cues and patterns used by the print media in their representation of trans people Through close analysis of a corpus of articles collected from English language newspapers from the UK and Canada Angela Zottola focuses on the semantic categories of representation associated with transgender identities Exploring a set of key terms this book examines the semantic prosody and the language choices that each term is invested with using Critical Discourse Analysis to investigate how the way the

press represents this topic influences readers and their understanding of the major debates Using a mixture of quantitative and qualitative methods Transgender Identities in the Press casts light on the complex picture of press language during a period of social change and increasing awareness Highlighting both efforts to represent this community in an inclusive and non discriminatory way and areas where there is need for improvement this book illustrates a variety of issues from a critical and social perspective

Falling into the Lesbi World Evelyn Blackwood,2010-09-13 Falling into the Lesbi World offers a compelling view of sexual and gender difference through the everyday lives of tombois and their girlfriends femmes in the city of Padang West Sumatra While likening themselves to heterosexual couples tombois and femmes contest and blur dominant constructions of gender and heterosexuality Tombois are masculine females who identify as men and desire women their girlfriends view themselves as normal women who desire men Through rich in depth and provocative stories author Evelyn Blackwood shows how these same sex Indonesian couples negotiate transgressive identities and desires and how their experiences speak to the struggles and desires of sexual and gender minorities everywhere Blackwood analyzes the complex and seemingly contradictory practices of tombois and their partners demonstrating how they make sense of Islamic transnational and modern state discourses in ways that seem to align with normative gender and sexual categories while at the same time subverting them The childhood and adolescent narratives of tombois and femmes offer bold new insights into a social process that is rarely addressed in anthropological lesbian gay or transgender studies We see how tombois and femmes come to view themselves as boys and girls respectively through their interactions with family and community and how as teenagers tombois learn that masculinity needs its opposite feminine women By contrast femmes notice shifts in their desires as they develop long term relationships with tombois The book reveals the complexity of tomboi masculinity showing how tombois enact both masculine and feminine behaviors as they move between the anonymity and vulnerability of public spaces and the familiarity of family spaces Falling into the Lesbi World demonstrates how nationally and globally circulating queer discourses are received and reinterpreted by tombois and femmes in a city in Indonesia Though less educated than many internet savvy activists in major urban centers their identities are clearly both part of yet different than global gay models of sexuality In contrast to the international LGBT model of modern sexualities this work reveals a multiplicity of sexual and gender subjectivities in Indonesia arguing for the importance of recognizing and validating this diversity in the global gay ecumene

AsiaPacifiQueer Fran Martin,Peter Jackson,Mark McLelland,Audrey Yue,2010-10-01 This interdisciplinary collection examines the shaping of local sexual cultures in the Asian Pacific region in order to move beyond definitions and understandings of sexuality that rely on Western assumptions The diverse studies in AsiaPacifiQueer demonstrate convincingly that in the realm of sexualities globalization results in creative and cultural admixture rather than a unilateral imposition of the western values and forms of sexual culture These essays range across the Pacific Rim and encompass a variety of forms of social cultural and personal expression examining sexuality through music cinema the media
