Queens Majesties Passage Through The Cit:

The Queen's Majesty's Passage & Related Documents Victoria University (Toronto, Ont.). Centre for Reformation and Renaissance Studies, 2004 **Elizabeth I** Elizabeth I, 2000-09 Elizabeth I Collected Works is the first volume to bring together her extraordinary literary production *The History and Antiquities of the Abbey Church of St. Peter, Westminster: Including Notices and Biographical Memoirs of the Abbots and Deans of that Foundation; the Whole of the Literary Department by Edward Wedlake Brayley* John Preston Neale, 1823 *The Queens of England and Their Times* Francis Lancelott, 1894 *The Illustrated London News* , 1843 *Elizabeth I* Susan Frye, 1996-11-28 Elizabeth I is perhaps the most visible woman in early modern Europe yet little attention has been paid to what she said about the difficulties of constructing her power in a patriarchal society This revisionist study examines her struggle for authority through the representation of her female body Based on a variety of extant historical and literary materials Frye's interpretation focuses on three representational crises spaced fifteen years apart the London coronation of 1559 the Kenilworth entertainments of 1575 and the publication of *The Faerie Queene* in 1590 In ways which varied with social class and historical circumstance the London merchants the members of the Protestant faction courtly artists and artful courtiers all sought to stabilize their own gendered identities by constructing the queen within the natural definitions of the feminine as passive and weak Elizabeth fought back acting as a discursive agent by crossing and thus disrupting these definitions She and those closely identified with her interests evolved a number of strategies through which to express her political control in terms of the ownership of her body including her elaborate iconography and a mythic biography upon which most accounts of Elizabeth's life have been based The more authoritative her image became the more vigorously it was contested in a process which this study examines and consciously perpetuates *Voices of the English Reformation* John N. King, 2014-03-26 Spanning the different phases of the English Reformation from William Tyndale's 1525 translation of the Bible to the death of Elizabeth I in 1603 John King's magisterial anthology brings together a range of texts inaccessible in standard collections of early modern works The readings demonstrate how Reformation ideas and concerns pervade well known writings by Spenser Shakespeare Sidney and Marlowe and help foreground such issues as the relationship between church and state the status of women and resistance to unjust authority Plays dialogues and satires in which clever laypersons outwit ignorant clerics counterbalance texts documenting the controversy over the permissibility of theatrical performance Moving biographical and autobiographical narratives from John Foxe's *Book of Martyrs* and other sources document the experience of Protestants such as Anne Askew and Hugh Latimer both burned at the stake of recusants Jesuit missionaries and many others In this splendid collection the voices ring forth from a unique moment when the course of British history was altered by the fate and religious convictions of the five queens Catherine Parr Lady Jane Grey Mary I Mary Queen of Scots and Elizabeth I **The London Gazette** , 1851 **City/Stage/Globe** D.J. Hopkins, 2013-09-13 This interdisciplinary study theorizes the interaction of individual

performance and social space Examining three categories of space the urban the theatrical and the cartographic this volume considers the role of performance in the production and operation of these spaces during a period in London s history defined roughly by the life of Shakespeare City Stage Globe not only organizes a selection of plays pageants maps and masques in the historical and cultural contexts in which they emerged but also uses performance theory to locate the ways in which these seemingly ephemeral events contributed to lasting change in the spatial concepts and physical topography of early modern London *Queen Victoria in Scotland in 1842* Victoria (Queen of Great Britain),1842 **Renaissance**

Drama Arthur F. Kinney,David A. Katz,2022-09-19 RENAISSANCE DRAMA Experience the best and most noteworthy works of Renaissance drama This Third Edition of Renaissance Drama An Anthology of Plays and Entertainments is the latest installment of a groundbreaking collection of non Shakespearean Renaissance drama Covering not only the popular drama of the period Renaissance Drama includes masques Lord Mayor shows royal performances and the popular mystery plays of the time The selections fairly represent the variety and quality of Renaissance drama and they include works of scholarly and literary interest Each work included in this edition comes with an insightful and illuminating introduction that places the piece in its historical and cultural context with accompanying text explaining the significance of each piece and the ways in which it interacts with other works New to this edition are The famous entertainment for Elizabeth at Kenilworth George Peele s remarkably inventive The Old Wives Tale The oft forgotten history of Thomas of Woodstock predecessor to Shakespeare s Richard II John Lyly s Gallathea a work which explores gender and love written for the Children s Company at Saint Paul s Ben Johnson s Volpone and the controversial Epicoene Perfect for scholars teachers and readers of the English Renaissance Renaissance Drama An Anthology of Plays and Entertainments belongs on the bookshelves of anyone with even a passing interest in the drama of its time **The History and Antiquities of the Abbey Church of St. Peter,**

Westminster Edward Wedlake Brayley,1823 **Queen Victoria in Scotland 1842** Alexander Crichton,John Finlay,1842

Theatre and the English Public from Reformation to Revolution Katrin Beushausen,2018-04-05 This book presents new and overarching perspectives on the relationship between theatre and public from the Henrician Reformation through the interregnum to the Restoration combining vivid case studies with discussion of theatre s continued importance in shaping the early modern public Considered from the vantage point of theatre the early modern public becomes visible as an unruly agent of political change a force that authorities both feared and appealed to and one that proved ultimately beyond control It was through theatrical strategies that rulers and their opposition addressed the early modern public and in turn it was theatre s public potential that shaped the development of the stage during the revolutionary years of the seventeenth century In this volume Katrin Beushausen examines sources including irreverent satirical pamphlets regal spectacles anti theatrical polemic and visions of state theatres casting new light on the development of the early modern public and theatre

Voyages and Travels of Her Majesty, Caroline, Queen of Great Britain John Adolphus,1821 *The Queen Mother*

and Her Century Arthur Bousfield, Garry Toffoli, 2000-07 To honour the Queen Mother and mark the occasion of her 100th birthday Dundurn Press is publishing a biography of this remarkable woman in words and pictures Since her marriage to George VI the Queen Mother has been a public figure who has always evoked passionate reactions whether it was the anonymous soldier who vowed to fight for that little lady Adolf Hitler who described her as the most dangerous woman in Europe or the Canadian journalist who coined the expression the Queen Mum A Canadian perspective on a sovereign who created and cultivated a special relationship with Canada informs *The Queen Mother and Her Century* The first of many tours of Canada the Royal Tour of 1939 which gave Canadians our initial opportunity to experience the Queen Mother e t m s personal magnetism first hand is described in detail along with the many Canadian relationships the Queen Mother has formed since *The Queen Mother and Her Century* is a wonderful album sized 8 1 2 e x 1 1 e commemorative keepsake and makes a thoughtful gift for the many admirers of the Queen Mother The text and 120 colour photographs are complemented by time bars lists of the Queen Mother e t m s official tours associations the Queen Mother is patron of places that are named after the Queen Mother and the Royal Family tree

Queen Elizabeth the Queen Mother, 1900-2002 Arthur Bousfield, Garry Toffoli, 2002-04 Elizabeth provided inspired leadership for a society faced with the stark prospect of destruction in a war to save the world

The Queen's Famous Progress, Or; Her Majesty's Royal Journey to the Bath, and Happy Return ... To which is Added Several Ingenious ... Verses Spoken to Her Majesty at Oxford, Etc ,1702

The history and antiquities of the abbey church of st. Peter, Westminster, illustr. by J.P. Neale Edward Wedlake Brayley, 1823

The Power of Gifts Felicity Heal, 2014 Gifts are always with us we use them positively to display affection and show gratitude for favours we suspect that others give and accept them as douceurs and bribes The gift also performed these roles in early modern English culture and assumed a more significant role because networks of informal support and patronage were central to social and political behaviour Favours and their proper acknowledgement were preoccupations of the age of Erasmus Shakespeare and Hobbes As in modern society giving and receiving was complex and full of the potential for social damage Almost nothing men of the Renaissance learned from that great classical guide to morality Lucius Annaeus Seneca is more disgraceful than the fact that we do not know how either to give or receive benefits The *Power of Gifts* is about those gifts and benefits what they were and how they were offered and received in the sixteenth and seventeenth centuries It shows that the mode of giving as well as what was given was crucial to social bonding and political success The volume moves from a general consideration of the nature of the gift to an exploration of the politics of giving In the latter chapters some of the well known rituals of English court life the New Year ceremony royal progresses diplomatic missions are viewed through the prism of gift exchange Gifts to monarchs or their ministers could focus attention on the donor those from the crown could offer some assurance of favour These fundamentals remained the same throughout the century and a half before the Civil War but the attitude of individual monarchs altered specific behaviour Elizabeth

expected to be wooed with gifts and dispensed benefits largely for service rendered James I modelled giving as the largesse of the Renaissance prince Charles I's gift exchanges focused on the art collecting of his coterie And always in both politics and the law courts there was the danger that gifts would be corroded morphing from acceptable behaviour into bribes and corruption The Power of Gifts explores prescriptive literature pamphlets correspondence legal cases and financial records to illuminate social attitudes and behaviour through a rich series of examples and case studies
