Querelle Of Brest:

Querelle Jean Genet, 1994-01-13 Querelle is regarded by many critics as Jean Genet's highest achievement in the novel certainly one of the landmarks of postwar French literature The story of a dangerous man seduced by danger it deals in a startling way with the Dostoevskian theme of murder as an act of total liberation and as a pact demanding an answering sacrifice It is awesome perhaps the finest novel I have ever read in my life It literally sent shivers through me the sheer beauty of the language the exquisite perversity of the imagination the incredible grasp of motivation it is his most tightly plotted best organized most accessible novel It is a wonder Dotson Rader Querelle of Brest Jean Genet, 1972 **The Rites of Passage of Jean Genet** Gene A. Plunka, 1992 In this book Gene A Plunka argues that the most important single element that solidifies all of Genet's work is the concept of metamorphosis Genet's plays and prose demonstrate the transition from game playing to the establishment of one's identity through a state of risk taking that develops from solitude However risk taking per se is not as important as the rite of passage Anthropologist Victor Turner's work in ethnography is used as a focal point for the examination of rites of passage in Genet's dramas Rejecting society Genet has allied himself with peripheral groups marginal men and outcasts scapegoats who lack power in society Much of their effort is spent in revolt or direct opposition in mainstream society that sees them as objects to be abused As an outcast or marginal man Genet solved his problem of identity through artistic creation and metamorphosis Likewise Genet's protagonists are outcasts searching for positive value in a society over which they have no control they always appear to be the victims or scapegoats As outcasts Genet's protagonists establish their identities by first willing their actions and being proud to do so Unfortunately man's sense of Being is constantly undermined by society and the way individuals react to roles norms and values Roles are the products of carefully defined and codified years of positively sanctioned institutional behavior According to Genet role playing limits individual freedom stifles creativity and impedes differentiation Genet equates role playing with stagnant bourgeois society that imitates rather than invents the latter is a word Genet often uses to urge his protagonists into a state of productive metamorphosis Imitation versus invention is the underlying dialectic between bourgeois society and outcasts that is omnipresent in virtually all of Genet's works Faced with rejection poverty oppression and degradation Genet's outcasts often escape their horrible predicaments by living in a world of illusion that consists of ceremony game playing narcissism sexual and secret rites or political charades Like children Genet's ostracized individuals play games to imitate a world that they can not enter Essentially the play acting becomes catharsis for an oppressed group that is otherwise confined to the lower stratum of society Role players and outcasts who try to find an identity through cathartic game playing never realize their potential in Genet's world Instead Genet is interested in outcasts who immerse themselves in solitude and create their own sense of dignity free from external control Most important these isolated individuals may initially play games yet they ultimately experience metamorphosis from a world of rites charades and rituals to a type of sainthood where dignity and

nobility reign The apotheosis is achieved through a distinct act of conscious revolt designed to condemn the risk taker to a degraded life of solitude totally distinct from society's norms and values Book Jacket Querelle Translated from the Original French Jean Genet, 1974 **The Lavender Screen** Boze Hadleigh, 2001-01-01 A fascinating glimpse into the beginning and development of gay and lesbian themed films from Maedchen in Uniform in 1931 to such current films as Philadelphia and Wilde provides reviews and evaluations and details the director's attitude toward public response and criticism Original Querelle de Brest. Ethical Issues in Twentieth Century French Fiction C. Davis, 1999-12-08 This book examines ethical problems raised by a number of key twentieth century theoretical and fictional texts by authors such as Levinas Sartre Beauvoir Yourcenar Duras and Genet It argues that even texts which apparently espouse ethical positions based on respect for and responsibility towards others frequently depict conflict as an insurmountable aspect of human relations This is reflected at an aesthetic level as these texts both describe the struggle for supremacy and replicate it in their relation to their readers

Proibito! Roberto Curti, 2023-09-15 From its birth in 1913 to its abolition in 2021 film censorship marked the history of Italian cinema and its evolution mirrored the social political and cultural travail of the country During the Fascist regime and in the postwar period censorship was a powerful political tool in the hands of the ruling party many films were banned or severely cut By the end of the 1960s censors had to cope with the changing morals and the widespread diffusion of sexuality in popular culture which led to the boom of hardcore pornography With the crisis of the national industry and the growing influence of television censorship gradually changed its focus and targets The book analyzes Italian film censorship from its early days to the present discussing the most controversial cases and protagonists These include such notorious works as *Last Tango in Paris* and *Salò* or the 120 Days of Sodom and groundbreaking filmmakers such as Luchino Visconti Federico Fellini and Pier

Paolo Pasolini who pushed the limits of what was acceptable on screen causing scandal and public debate The Male Gazed Manuel Betancourt, 2024-05-21 Featuring deep dives into thirst traps drag queens Antonio Banderas and telenovelas all in the service of helping us reframe how we talk about desiring men this insightful memoir in essays is as much a coming of age as a coming out book Manuel Betancourt has long lustfully coveted masculinity in part because he so lacked it As a child in Bogot Colombia he grew up with the social pressure to appear strong manly and ultimately straight And yet in the films and television he avidly watched Betancourt saw glimmers of different possibilities From the stars of telenovelas and the princes of Disney films to pop sensation Ricky Martin and teen heartthrobs in shows like *Saved By the Bell* he continually found himself asking Do I want him or do I want to be him *The Male Gazed* grapples with the thrall of masculinity examining its frailty and its attendant anxieties even as it focuses on its erotic potential Masculinity Betancourt suggests isn't suddenly ripe for deconstruction or even outright destruction amid so much talk about its inherent toxicity Looking back over decades worth of pop culture's attempts to codify and reframe what men can be wear do and desire this book establishes that to gaze at men is still a subversive act Written in the spirit of Hanif Abdurraqib and Olivia Laing *The Male Gazed* mingles personal anecdotes with cultural criticism to offer an exploration of intimacy homoeroticism and the danger of internalizing too many toxic ideas about masculinity as a gay man

Dream Projects in Theatre, Novels and Films Yehuda Moraly, 2020-11-02 Every artist has a dream project an enterprise that he or she has continuously taken up but never completed Via archived notes and drafts a retrospective reconstitution of such projects can serve as a key for better understanding the authors artistic corpus The present study reaches out to the authorship of Paul Claudel Jean Genet and Federico Fellini Claudel deferred and never completed the fourth segment of his *Trilogie des Coufontaines* The only indication of the existence of this prospective fourth part of the theatre sequence is a brief entry in his *Journal* In 1949 he began writing a third version of his first great work *T te d Or* Like the unfinished fourth section that was to be added to the trilogy the draft of the third version of *T te d Or* reveals a dialogue between the Old and New Testaments a theme that appears to be central to Claudel's entire corpus Genet labored over *La Mort* for many years At the conclusion of Saint Genet *com dien et martyr* 1952 Sartre mentions this final work of Genet Genet discussed his progress on *La Mort* in correspondence and even published *Fragments of La Mort* in the literary magazine *Les Temps Modernes* While the project never came to fruition it nevertheless remains an important means through which to understand Genet's work The aborted production of Fellini's *Voyage de G Mastorna* has become a legend After 8 and *Giulietta degli spiriti* Fellini wrote a screenplay that he began to film but subsequently abandoned much to the chagrin of producer Dino de Laurentiis who had already invested in sets and costumes Fellini would often revisit this project but never completed it This book also examines additional dream projects taken from different art forms poetry Mallarmé's *Le Livre* literature Vigny's *Daphn* painting Monet's *Nymph* as music Schoenberg's *Moses und Aron* and various films Clouzot's *LEnfer* Visconti's *La Recherche* Kubrick's *Napoleon* etc
