**Mythic Patterns in Ibsen's Last Plays** Orley I. Holtan, 1970-12-30 Mythic Patterns in Ibsen's Last Plays was first published in 1970 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions Until recently critics have tended to regard Ibsen principally as a social dramatist one who was concerned primarily with the political social and moral questions of his time Radical though he was in the Victorian era his ideas with the passage of time ceased to be avant garde and for this reason many critics have dismissed him as outdated Professor Holtan examines a major portion of Ibsen's work his last eight plays in a new perspective however and finds much that is of lasting significance and interest Ibsen's initial impact came with the publication in 1879 of *A Doll's House* the play which seemingly advocates a woman's right to leave her husband and children His reputation as a social dramatist was only furthered by the appearance of his next two plays *Ghosts* and *An Enemy of the People* But Professor Holtan's study of the plays which came after these identifies in the later plays values which transcend the social problems of their time penetrating questions of the human spirit itself The eight last plays which Professor Holtan examines in this study are *The Wild Duck* *Rosmersholm* *The Lady from the Sea* *Hedda Gabler* *The Master Builder* *Little Eyolf* *John Gabriel Borkman* and *When We Dead Awaken* In these plays he identifies a mythic pattern and unity based in elements of symbolism and mysticism which have puzzled or annoyed readers and critics for years In his mythic vision Ibsen's lasting contribution far exceeds that of his invention of the social problem drama Professor Holtan concludes

turned the pages of this interesting book Ellie went on a magical trip through forests where the trees told stories of long ago She faced the dangerous trails of the dark woods with a lost princess and even flew through the sky on a ship that sailed through the clouds Along the way she met characters who came alive on the pages and into her heart Every trip was like a thread in a tapestry of stories that taught Ellie about being brave the power of friendship and how her mind could take her anywhere Ellie ran into problems on her amazing trips which made her stronger and more determined For Ellie her trips were more than just tasks they were chances to learn and grow Fixing a broken clockwork toy that made a sad heart happy facing a fierce dragon that was guarding a magical jewel and lighting up a town in the sky with hard work and teamwork She learned that even small actions can make the darkest nights brighter and that empathy is important when you're listening to the trees speak She learned how important it is to do her job when she helped a lighthouse guard But Ellie may have learned more about the magic in the book than anything else The book was unique not only because of the interesting stories inside but also because Ellie was able to use her mind and dream big enough for magic to happen When Ellie realized that the adventures and magic didn't stop when the book did it was the start of a new part of her life They were looking for anyone with a good heart and could be found everywhere deeply woven into reality Ellie realized the real adventure had just started as she put the book down its shine wearing off until she could only see leather and paper Ellie looked to the edge of her own world ready to discover the wonders that lay within each day She had learned about being brave making friends and the limitless power of her imagination Her trips had made her heart stronger and her soul was excited about the exciting things that were still to come What ran through her story was her growth her exploration and her realization that everyone can have amazing adventures

### Chapter 1 What They Found

Ellie found something in the dark dusty closet of her grandmother that would change her life forever This wasn't your normal attic it was full of secrets and stories with old things that each had a fascinating story behind them Ellie liked to look around and she did it again today As she slowly walked through the old boxes and furniture she felt a soft glow It looked like it was coming from an old dirty book that was waiting for her in a corner Ellie became interested in the book because of the strange light that was shining on it It wasn't like the other old worn out books she had seen in the attic where the stories were hidden behind faded covers This book was different It looked like it had its own shine a warm friendly glow that seemed to wrap around her She carefully picked it up and wiped off years of dust The cover shimmered as she touched it making the book feel different in her hands almost like it were alive Ellie felt both nervous and excited as she opened the book She was shocked to find blank pages shining with a beautiful golden light She didn't understand how a book with no words could be so interesting but she felt like she knew it She thought the book had picked her out and drawn her into its magic Magic seems to have found Ellie She had always believed in stories with magic and said that anything could happen As she turned the pages the light from the book got brighter and wrapped a warm arm around her Ellie thought the book was speaking to her telling her stories and secrets about faraway places and exciting

adventures that were only for people who were brave enough to look for them With each page the book drew her in as if getting her ready for the adventure that was to come Ellie didn't know she was about to join a magical world when she opened this beautiful book This book was unlike any other It opened the door to events most people could only imagine and to planets far away It offered amazing adventures meeting mythical animals problems to solve and important lessons to be learned Ellie opened the book and found herself at the entrance to a whole new world where stories came to life and magic was real Her long held desire for adventure had come true Ellie was thrilled and excited about the possibilities She couldn't wait to enter the world of the book and find out that her imagination was the only thing that stopped her She had no idea that this was just the start of a trip that would teach her the real power of friendship magic and the endless possibilities that lie within the pages of a book

### Chapter 2 The First Part of the Journey

Ellie was in her grandmother's old dirty attic when she opened the magical book She was picked up by a swirl of colors and lights and taken to a different place Ellie on the other hand woke up in the middle of a magical dense forest The trees were very tall and the air smelled like strange flowers The bright colors and sounds made me think of fantasy and adventure like walking into a picture Even though she wasn't scared she was amazed and a little scared Ellie saw a figure in armor in the woods The person looked confused and puzzled as she looked around trying to make sense of this beautiful and mysterious landscape This person wasn't like everyone else it looked like a knight from one of her favorite stories The knight carried a scary old sword and the light from the trees made his armor shine Even though the knight was very strong and had good armor he seemed to be lost because he kept going in different directions Ellie who was always brave and kind went up to the knight The knight was shocked to see a woman in the middle of the magical forest but he quickly became friendly with her after she introduced herself He told Ellie that he was stuck in the middle of a bush and trying to get back to his land Quickly Ellie chose to help the knight It made her excited to think about going on her first real trip and what could be braver than helping a knight in need Ellie and the knight set out on a quest to find his land The roads through the forest were complicated and dangerous They wound and turned taking you deeper into the forest They met fairies who were up to no good animals that could talk and even a dragon that flew high above the trees its scales shining in the sun Ellie had only read about these things in fairy tales She felt like she was in one of her favorite fairy tales every step of the way This time though she wasn't just reading she was living the story Things got in the way for Ellie and the knight as they went through the forest testing their bravery and smarts They went through thorny mazes that disappeared when they spoke words of love crossed bridges that only good people could see and solved puzzles that old trees gave them Ellie proved to be a loyal and honest friend to the knight and she learned that she was smarter and stronger than she had ever thought Instead of just walking through a magical forest on their way to find the knight's country they went on a journey of friendship and adventure She learned that her biggest strengths were kindness and bravery and she learned that any girl could have amazing experiences The knight got the hope and drive he needed to find his way home

with Ellie's help The forest cleared and Ellie saw the shining gates of the knight's domain She knew her adventures were just starting She couldn't wait to see what new adventures the magical book would bring her now that she could enter a world of fairy tales The first time Ellie and the knight met made them feel excited and amazed so they set out together ready for anything that came their way Chapter 3 Forest of Enchantment In the middle of the magical forest Ellie and the hero found themselves in a world where magic was easy to find This forest was different from all the others every tree leaf and wind whisper seemed to hold ancient power It was strange and scary She became more aware of how rare her adventure was as they fell It was home to both mythical and real animals in the live forest Some of the trees were very old and knew a lot about the forest's history They could talk slowly and in great detail sharing stories about the forest's past Sprites were hiding in the dark and being mischievous They laughed and told everyone who listened secrets Ellie had only imagined the creatures that lived in the thickets griffins watching over gems unicorns with manes that sparkled and even dragons flying high above and making huge shadows on the ground But the magical woods wasn't just a beautiful and interesting place it also had troubles and places to get stuck The knight and Ellie knew right away that their quest would not be easy They met supernatural beings that didn't like meeting new people Mammals caught strangers off guard by weaving intricate webs out of silver thread that was as tough as steel and as sticky as honey Trolls scary monsters watched over roads and bridges and challenged people to puzzles or strength contests Additionally there were shadows that tried to turn friends against each other by whispering worries and doubts deep in the forest These obstacles taught Ellie and the knight what it means to be brave and work together Ellie thought of a trick from the magic book that turned the huge spiders webs into harmless mist and let them pass A troll dared them to a strength match Ellie's quick thinking and the knight's bravery helped them beat the troll by using a simple trick to trick it And their trust and friendship shone like a light driving away the evil when it tried to turn them against each other Each obstacle Ellie and the knight faced brought them closer together the problems they solved together made their bond stronger Ellie understood that being brave meant more than not being afraid of anything It meant having the guts to face your fears The knight knew that real power comes from the heart and that understanding and humanity are just as strong as a sword They learned together that friendship and working together was the most magical thing of all The magic forest taught them and put them to the test It proved to them that they could do anything together no matter how hard or dangerous the journey was When they came out of the bush feeling good about what they had done and what they had learned they knew that the trip had changed them They went into the magical forest as strangers and came out as friends ready to face any problems that came their way with bravery smarts and a strong trust in each other
