Quest Of The Holy Grail 1913:

Encyclopedia of the Holy Grail Jeffrey John Dixon, 2023-03-22 In the twelfth century a French poet wrote a verse romance about a young knight who witnesses a mysterious procession centered on a radiant vessel a grail Left unfinished the poem inspired other writers of prose and verse until the story was completely rewritten into the Arthurian romances in which the vessel becomes a relic of the Last Supper the Holy Grail For hundreds of years the Grail story has haunted the western imagination But the original medieval texts are full of inconsistencies as different writers attempted to complete the story in varied ways This encyclopedia illuminates a path through the Perilous Forest of literature and legend Entries summarize the stories of the principal characters sacred objects and places associated with the Grail An Afterword shows how mysteries of the grail continue to enchant the scholars and creative writers who have transformed the medieval legend into modern mythology **International Catalogue of Scientific Literature, 1901-1914**, 1917 **The Holy Grail** Richard W.

Barber, 2004 In this fascinating work Barber traces the history of the legends surrounding the Holy Grail beginning with Chrétien de Troyes's great romances of the 12th century and the medieval Church's religious version of the secular ideal

The Holy Grail Richard Barber, 2004-12-02 The Holy Grail is an image familiar to us all as an almost unattainable infinitely desirable goal The idea has passed into everyday speech and the legends behind it are as current in today's culture as they have ever been And yet the Grail has no real religious meaning and is nowhere mentioned in the Bible What is the truth behind this elusive symbol Here Barber traces the history of the stories surrounding the Holy Grail He describes how through a long series of imaginative transformations the grail has moved from the sphere of romance to religion and in twentieth century popular culture has become an emblem of mysticism and man's highest aspirations intimately linked with the central ritual of the Christian faith The search for the grail has always been described as a quest in this book Barber goes on his own quest brilliantly exploring the richness of the Holy Grail's cultural impact Barber traces the history of legends surrounding the Holy Grail from Chrétien de Troyes's great romances to the popular bestsellers of the late twentieth century
