## **Question Of Namibia:**

Namibia's Independence Struggle Cleophas Johannes Tsokodayi, 2011-01-01      **The Question of Namibia** Laurent C.W. Kaela, 2016-07-27 Following the Second World war South Africa claimed that the League of Nations mandate to administer Namibia had lapsed with the dissolution of that organization and that it was within its power to annex it It rejected UN efforts to have the territory placed under its trusteeship This marked the beginning of the intractable dispute over the international status and independence of Namibia This book analyses the role of the international community through the UN and other organizations in the search for a settlement It gives attention to the efforts of the Western Contact Group and the people of Namibia themselves and shows how conditions for a settlement ultimately emerged Finally it outlines Namibia s major post independence challenges      **The United Nations: Structure & Functions Of An International Organisation** Rumki Basu, 2004      **Consideration of the Question of Namibia at the Resumed Thirty-fifth Session of the General Assembly** United Nations Council for Namibia, 1981      **Key Resolutions of the United Nations General Assembly 1946-1996** Dietrich Rauschning, Katja Wiesbrock, Martin Lailach, 1997-08-28 Key resolutions from the first fifty years of the United Nations General Assembly      Kenya National Assembly Official Record (Hansard) , 1983-03-15 The official records of the proceedings of the Legislative Council of the Colony and Protectorate of Kenya the House of Representatives of the Government of Kenya and the National Assembly of the Republic of Kenya      Kenya National Assembly Official Record (Hansard) , 1983-03-15 The official records of the proceedings of the Legislative Council of the Colony and Protectorate of Kenya the House of Representatives of the Government of Kenya and the National Assembly of the Republic of Kenya      **Resolutions and Statements of the United Nations Security Council** Karel Wellens, 1990-06-22      **Hague Yearbook of International Law / Annuaire de La Haye de Droit International, Vol. 23 (2010)** Nikos Lavranos, Ruth A. Kok, 2019-03-25 The title of the Hague Yearbook of International Law reflects the close ties which have always existed between the AAA and the City of The Hague with its international law institutions and indicates the Yearbook s aim of devoting attention to developments taking place in the international law institutions based in The Hague However the Yearbook has a broader scope as well to offer a platform for review of new developments in the field of international law As of the 2010 Volume the Yearbook will be compiled by a new and expanded Editorial Board offering fresh ideas and a new approach A newly established Advisory Board has also been added including ICJ Judge Bruno Simma Serge Brammertz Prosecutor of the International Criminal Tribunal for the Former Yugoslavia ICTY Jacomijn J van Haersolte van Hof advocate advocaat at HaersolteHof and arbitrator The Netherlands and Professor Peter Hilpold Innsbruck University Austria Sections have been created on public international law private international law international investment law and international criminal law containing in depth articles on current issues The breadth of the Yearbook s content thus offers an interesting and valuable illustration of the dynamic developments in the various sub areas of international law      **Foreign Assistance**

**Yearbook of the United Nations, Volume 39 (1985)** United Nations,2023-08-28 **West Germany and Namibia's Path to Independence, 1969-1990** Thorsten Kern,2019-06-05 Namibia s main liberation movement the South West Af rica People s Organisation SWAPO relied heavily on outside support for its armed struggle against South Africa s occupation of what it called South West Africa While East Germany s solidarity with Namibia s struggle for national self determination has received attention little research has been done on West Germany s policy towards Namibia which must be seen in the light of inter German rivalry The impact of the wider realities of the Cold War on Namibia s rocky path to independence leaves ample room for research and new interpretations In this study Thorsten Kern shows that German division played a vital role in West Germany s position towards Namibia during the Cold War The two states deeply diverging policies characterised in this context by competition for influence over SWAPO were strongly affected by the Cold War rivalry between the capitalist West and the communist East Yet ultimately the dynamics of rapprochement helped to bring about Namibia s independence This book is based upon a doctoral dissertation presented to the University of Cape Town in 2016 Kern conducted research in

the National Archives of Namibia and in German archives and his work draws on interviews with contemporary witnesses
