Questioning skills, for teachers William W. Wilen,1991 **Questioning Skills, for Teachers** William W. Wilen,1986
This publication reviews the research findings related to the verbal questioning behaviors and practices of teachers It emphasizes current research related to the impact of questioning practices on student thinking achievement and attitudes This includes questioning techniques and strategies and approaches to the analysis of classroom questions Finally it suggests an approach for teachers to use to gather information on their questioning behaviors in order to improve systematically their questioning practices JD **Resources in Education** ,1993 Questions in Elementary Science and Social Studies Textbooks Bonnie B. Armbruster,1989 **Today's Education** ,1983 Quality Questioning Jackie Acree Walsh,Beth Dankert Sattes,2016-10-05 Realize the potential of quality questioning for student thinking and learning Quality questioning begins with the preparation of questions that engage all students in thinking and culminates in the facilitation of dialogue that takes learning deeper Completely updated this second edition reflects new research addresses technological and policy changes and includes new insights from the authors work with teachers Designed for immediate classroom use readers will find Graphics tools and strategies to develop student skills and create a powerful learning culture QR codes that link to more than twenty new classroom videos Tools and strategies to support personal reflection classroom observations and collaborative dialogue *Faith-Based Education That Constructs* HeeKap Lee,2010-08-09 Constructivism is everywhere It is a hot issue at this time in the field of philosophy education technology and religion However can constructivism be an alternative approach in faith based education While some conclude that Jesus knew learning was an active knowledge creating process and that he always encouraged his disciples to think deeply and go beyond the surface level others would find that constructivism undercuts faith based education because of its claims to relativity For example constructivists claim that meaning is imposed on the world by us rather than existing in the world independently from us Thus they proclaim that truth is relative to particular times places and people Christians hold that truth does exist absolutely So how can there be a way forward for faith based educators who see the good in the constructivist approach In *Faith Based Education that Constructs* readers will find a unique approach whereby constructivism may appropriately be applied to a faith based education setting Although disagreement can occur between constructivism and faith based education this book concludes that constructivist thought and Christian faith based education are in the end congruent and harmonious in significant ways Those faith based educators who continue to hold cautionary views of radical constructivist assertions against absolute truths need not disregard all other aspects of constructivism **Teacher Evaluation and Merit Pay** ,1986-03-26 This bibliography includes scholarly journals dissertations papers and books published primarily from 1980 through December 1984 that focus on teacher evaluation and merit pay These materials are presented in separate chapters according to the type of publication in which they appeared In addition to materials identified and annotated from a literature search of

several education databases the authors wrote to public school districts with student populations of over 5 000 requesting copies of their teacher evaluation materials They received 348 sets of evaluation documents and these materials are annotated in the chapter entitled School District Publications Other materials prepared by school districts are included in the chapter entitled Papers **Striving for Excellence** ,2000 Each vol a compilation of ERIC digests The National Education Priorities of the President and the U.S. Department of Education, Striving for Excellence, Volume IV: 2000 ,2000
