**Tobias Bleicker**

## **Questioning Technology Electronic Technologies And Educational Reform Counterpoints New York Ny V 159:**

**Questioning Technology** Karen Ann Ferneding, 2003 This book revisits current technocentric educational reform policy and examines the meaning of educational reform within the context of a technological society and globalized market economy Having colonized the politics of educational reform technocentrism has narrowed the social space of educational reform discourse by invalidating alternative social visions germane to the tradition of social justice and the development of a civic society This book interrogates current technocentric discourse through the voices of educators who engage in the practice of questioning technology and raises significant issues regarding the dominance of a technology based reform agenda techno utopianism as a dominant social vision and the positioning of teachers within school cultures reconfigured by control technologies and performativity Educators need to create a deliberative approach to technology adoption for only by assuming a more questioning stance toward the adoption of technological innovations can we hope to avoid technological determinism and take responsibility for the consequences of our inventions      **Associations' Publications in Print** ,1981 1981 in 2 v v

1 Subject index v 2 Title index Publisher title index Association name index Acronym index Key to publishers and distributors abbreviations      Education and Technology Neil Selwyn, 2011-03-17 Digital technology lies at the heart of contemporary education provision This book considers the key issues in the field and addresses some fundamental but often unvoiced questions about the ever growing use of technologies in education It focuses on the social as well as the technical aspects of these issues giving careful thought to the people practices processes and structures behind the use of technologies in education The book considers a range of current debates and controversies Will technology replace the school or university Will technology replace the teacher What do we really know about learning and technology Does technology make learning fairer Can technology address the many educational problems and inequalities faced by people around the world What does the future hold for technology and education What can be learnt from the history of technology use Neil Selwyn takes a critical look at some of the major debates concerning digital technologies and education Study questions and annotated further reading are included to support readers along with a companion website linking to online sources and resources
