Challenging Ourselves to Discover  
Life's Great Answers

JOHN DEAR

# Questions Of Jesus Challenging Ourselves To Discover Lifes Great Answers

**Donna Pisani**

## **Questions Of Jesus Challenging Ourselves To Discover Lifes Great Answers:**

**The Questions of Jesus** John Dear, 2007-12-18 This illuminating examination of the Gospels reveals how the questions Jesus asks of his followers lead the way to a deeper understanding of the meaning of life and the mystery of God The Gospels are filled with stories parables miracles commandments and dramatic incidents that trace Jesus life and recount his teachings A close reading of the Gospels reveals however that they are also filled with questions As John Dear points out in this remarkable book Jesus like any great teacher and rabbi has a question for everyone he meets for every occasion for every experience for every potential disciple Dear uses these questions as a starting point an invitation to readers to discover the lessons they contain by searching their own hearts and minds for answers Throughout The Questions of Jesus Dear interweaves insights from ethical and religious teachers ranging from Buddha to Gandhi to Martin Luther King Jr Using recent events as powerful and poignant examples he shows why a renewed commitment to Jesus message of nonviolence compassion justice and peace is essential to healing a world torn by violence and war

**Not a Hopeless Case** Halee Gray Scott, 2023-04-25 Is America the next missionary graveyard Or is it ripe for spiritual revolution The statistics seem grim Every year the decline of Christianity continues at a rapid pace especially among young adults Churches across the country are closing their doors dying or are being adopted by nearby larger churches What is the story church leaders hear We ve lost the next generation But this decline in religious affiliation has not made us less spiritual Young adults are still asking questions that only faith or religion can fully answer Questions are like seeds buried in the rich dark soil of our hearts Nurtured with oxygen and water they unfold into that which they were meant to become Absent these conditions they wither in the dark Those most resistant to Christianity are those whose questions did not receive oxygen in their faith communities while they were children and teenagers Not a Hopeless Case is the story of questions the questions of young adults about faith and spirituality young adults who are lost and want to be found and the questions of pastors who seek to find them

**Questions for Christians** John Morreall, 2014-06-17 Questions for Christians The Surprising Truths behind Basic Beliefs asks whether or not Christians today have gotten Jesus message right drawing on the Bible and the history of Christianity for answers From the gender of God to what happens when we die Questions for Christians digs into some of the thorniest points of the Christian faith questions that many people would rather ignore Most Christians today believe in just wars but how do we reconcile this belief with Jesus saying Do not resist an evildoer But if anyone strikes you on the right cheek turn the other also or the pacifism of most early Christians Protestants and Catholics today generally believe that Jesus died on the cross to atone for our sins but most Orthodox Christians don t believe this and neither did most Western churches before 1100 What is the truth Drawing on sources both ancient and modern John Morreall explores these issues while identifying points of controversy Some of the answers are surprising while others provide a more complete understanding of common beliefs

**Jesus Is the Question** Martin B. Copenhaver, 2014-09-02 Contrary to some common assumptions Jesus is not the

ultimate Answer Man but more like the Great Questioner In the Gospels Jesus asks many more questions than he answers To be precise Jesus asks 307 questions He is asked 183 of which he only answers 3 Asking questions was central to Jesus life and teachings In fact for every question he answers directly he asks literally a hundred Jesus is the Question considers the questions Jesus asks what they tell us about Jesus and more important what our responses might say about what it means to follow Him Through Jesus questions he modeled the struggle the wondering the thinking it through that helps us draw closer to God and better understand not just the answer but ourselves our process and ultimately why questions are among Jesus most profound gifts for a life of faith A game changer of a book     God is Subversive Lee Griffith,2011-04-12 To Lee Griffith being a peacemaker means much more than sporting PEACE T shirts or voting for left wing political candidates Peacemaking is for him a daily practice of community formation lifestyle decisions and prayer ordinary living that is faithful to the gospel and happily out of sync with most of the world most of the time and it is a vital part of following Jesus Christ In these challenging talks Griffith a veteran anti war activist who has been arrested many times for his pro peace demonstrations sets forth a solidly biblical argument for uncompromising nonviolence Along the way he describes encounters with dumpster divers and prostitutes with bag ladies and judges with people who hear voices and see ghosts and he shares how through these encounters and more he has come to know better the subversive God of the gospel     Philosophical Hermeneutics and the Priority of Questions in Religions Nathan Eric Dickman,2022-02-24 Buddhas gods prophets and oracles are often depicted as asking questions But what are we to understand when Jesus asks Who do you say that I am or Mazu the Classical Zen master asks Why do you seek outside Is their questioning a power or weakness Is it something human beings are only capable of due to our finitude Is there any kind of question that is a power Focusing on three case studies of questions in divine discourse on the level of story the god depicted in the Jewish Bible the master Mazu in his recorded sayings literature and Jesus as he is depicted in canonized Christian Gospels Nathan Eric Dickman meditates on human responses to divine questions He considers the purpose of interreligious dialogue and the provocative kind of questions that seem to purposefully decenter us drawing on methods from confessionally oriented hermeneutics and skills from critical thinking He allows us to see alternative ways of interpreting religious texts through approaches that look beyond reading a text for the improvement of our own religion or for access to some metaphysically transcendent reality This is the first step in a phenomenology of religions that is inclusive diverse relevant and grounded in the world we live in     **Entrusted to Lead** Donna Pisani,2024-10-01 A practical tool for women who are called to leadership roles in any area of life Entrusted to Lead offers biblical insight and real life encouragement for how to navigate their leadership journey In Entrusted to Lead Pastor Donna Pisani draws on over four decades of experience to offer a biblical perspective of women in leadership that considers their role an entrusted assignment rather than just an entitled position Women who wrestle with God s call to lead or who don t have anyone supporting their call will discover how to Embrace their God given unique leadership gifts Become alert to the

internal lies that make them hesitant to pursue their calling Answer Jesus mandate to women to go tell even when no one seems to be listening Understand how Paul empowered both genders to lead and serve together Lean into Jesus strength when facing leadership challenges Generations of confusion keep women from answering God s call to lead depriving God s kingdom of crucial gifts and abilities Entrusted to Lead shows women what it looks like to lead with confidence in the workplace and in ministry and why Jesus always wanted women to have a seat at the table 11 Leonard Sweet,2012-02-01 As believers our journey is just as important as the destination And because relationships are essential to our walk through life it is vital that we partner with people who positively impact our world Dr Leonard Sweet believes these essential people are found in the pages of God s Word Using eleven classic figures from the Bible Dr Sweet details key personal attributes that make up God s Dream Team for your life Readers of all ages will be encouraged to not only seek out such people but to find their place with those around them **Biblical Storytelling Design** Jim Roché,2020-04-09 The apostle Paul directed Timothy to teach faithful men who would follow his model of teaching others also 2 Tim 2 2 To ask a new believer to tell his or her unbelieving network of friends about Jesus takes boldness confidence and critically a teaching program that is simple and easily reproducible This book teaches how to craft and model telling biblical stories in the believer s own words and style that can be easily repeated by following spiritual generations But crafting effective stories to reproduce takes wisdom Biblical Storytelling Design identifies seven negative influences that can either weaken or even terminate the storytelling process of spiritual reproduction But these influences can be counteracted by applying storytelling strategies when crafting stories This book teaches not only what to do but why it works through understanding insights from educational psychology sociology and anthropology that are illustrated in Scripture itself *The Gospel of Peace* Dear, John,2023-11-10 A comprehensive commentary of the synoptic gospels from the perspective of nonviolence **Simple Discipleship** Dana Allin,2019-01-08 A Clear and Personalized Path for Discipleship Discipleship can feel like a meandering journey we don t know what we want and none of the programs offered seem to get us anywhere We need something to orient ourselves and something to direct our steps toward a clear destination Simple Discipleship with its companion assessment tool offers a plan for discipleship that is tailored to your real life and your personality and clearly pointed in the way of Jesus Most discipleship resources are designed as mass productions efficient for touching many but often failing to see individuals grow in Christ This is the best of both worlds an assessment tool for your entire church combined with an achievable personalized discipling strategy **The Return of Oral Hermeneutics** Tom Steffen,William Bjoraker,2020-05-01 Have Western exegetes turned an Eastern book into a Western one Has our fondness for a fixed printed text capable of being analyzed with precision and exactitude blinded us to other hermeneutic possibilities Does God require all people to be able to analyze grammar to interpret Scripture Does God assume all people can interpret Scripture through oral means The authors recognize the effects of centuries of literacy socialization that produced a blind spot in the Western Christian world the neglect by most in the

academies agencies and assemblies of the foundational and forceful role orality had on the biblical text and teaching From the inspired spoken word of the prophets including Jesus pre text to the elite literate scribes who painstakingly hand printed the sacred text to post text interpretation and teaching the footprint of orality throughout the entire process is acutely visible to those having the oral aural influenced eyes of the Mediterranean ancients Could oral hermeneutics be the mother of relational theology *Finding the Flow* Tara Miller,Jenn Peppers,2010-05-07 This is one of the most practical books available regarding how to develop transformational leaders who can in turn lead transformational groups What sets their work apart from all the other small group books out there is their focus on the leader of the group I ve seen Jenn and Tara at work firsthand in the church where I pastor and they ve taken the small group ministry to a new level of effectiveness

**The Doubters' Club** Preston Ulmer,2021-09 Is it possible to grow in our Christian faith without engaging the doubter or the skeptic And if growing in our faith means growing closer to the doubter how do we do that without compromising what we believe to be true *Kindred Souls* Stephanie Ford,2017-05-15 Many of us go through our busy lives with many acquaintances but few true close friends Most of our daily conversations focus on the mundane or we barely scratch the surface of what s going on in our friends lives as we try to catch up on the run We weren t meant to travel alone Yet many of us are afraid to reveal our innermost thoughts of being too nosy or not religious enough to commit to spiritual kinships Using the story of Ruth and Naomi as an example Stephanie Ford describes how to overcome the risk and fear of sharing and explains how to be a faithful listener She offers new insights that will empower you to build and nurture soul friendships Through this book you will discover what spiritual friendship is and how it differs from other forms find practical ways to develop and nurture spiritual friendships meet spiritual companions from biblical and Christian history explore the most profound friendship of all friendship with God and learn how it can transform your life *Kindred Souls* is for individuals prayer partners or small groups who want to deepen the friendships they already have and open themselves to new possibilities God offers Let this book guide you as you seek kindred companions to encourage and challenge you on the spiritual journey

**Practicing What Jesus Preached** Stephen Chapin Garner,2023-05-16 Daily devotions work wonders In this fine collection of reflections on the Sermon on the Mount Dr Garner encourages us to meditate upon Jesus s words consider their meaning put them into practice and pray for the Lord s blessing in the midst of work and life A verse a reflection a question a practice and a prayer will greet you as you travel for a month with Jesus putting his preaching into practice [Live a Life That Matters](#) Jean Maalouf,2018-05-25 What are you living for OK Youve got the house and the car of your dreams youve got the latest electronic devices you were obsessed with youve made all the trips of your reverie and imagination and youve achieved what you always wanted to achieve But somehow something was and still is missing Where are the promises of the happy ever after relationships the fun of the rich and famous and the security of the good life these things were supposed to deliver What is the meaning of it all Now what Sooner or later we will come to the conclusion that these things even if they

are nice to have are not what matter most in life not by a long shot Otherwise why are we never satisfied and continue to want more Why do we play the happy persons when we really are not And after all our accumulated successes how in the world are we still missing what matters most our true self realization and the fulfillment of our fundamental goal In a unique style both profound and simple philosopher Maalouf points to the very core of what matters most His long years of studies two doctorates and writing experience more than forty published books led him to firmly suggest in this book that life is not only the total sum of the most comfortable income possessions position prestige and passion for every convenience Life is essentially and especially a continuous search for a deeper meaning that can be found in that everlasting hunger of our restless minds and hearts and in our most fundamental purpose and particular life mission We don't only exist we live a full life that is lived in the spirit of Saint Irenaeus's famous line The glory of God is a human being who is fully alive Otherwise no true fulfillment is possible Fully alive explains Dr Maalouf requires us to live a meaningful life not by aggrandizing the ego but by emptying it It takes what matters most to let go of the superficial mirages of the false self It takes the awakening of the holy hunger and divine longing to decipher the meaning of life that constitutes the true self In the end what really counts is not to live according to the creature's distractions but according to the Creator's statutes not to become what our culture prescribes but to incarnate what our fundamental purpose and mission inspire and not what makes a living but what makes a life

Gospelized Lives John Indermark, 2017-07-15 Gospelized lives are lives that have encountered Jesus Christ Christ's call leads to a continually unfolding story for each of us An encounter with the living Christ demands a response John Indermark says In this book you will learn about New Testament characters who encountered Jesus Some responded with joy and gratitude Others ignored or rejected his offer of good news Indermark's powerful reflections on the various biblical characters along with daily reading of scripture written prayers and suggested exercises make an ideal 6 week study for individuals or groups Each chapter contains 5 daily readings Here are a few of the New Testament characters you will explore Bartimaeus The women at Jesus tomb Mary and Jesus family The slave of the high priest A rich young man Herod Antipas The woman with the hemorrhage The Gerasene demoniac Mary Magdalene Ten lepers Study this book during Lent or any time you or your small group wants to think more deeply about what it means to hear and respond to Christ's word Includes a Leader's Guide

*Beating Burnout in Congregations* Lynne M. Baab, 2003-08-01 I can only shake my head in the face of the irony that all too often the very place where we look for life and health the very place where we expect to nurture and deepen a loving relationship with God can cause so many to experience the exact opposite So remarks author Lynne Baab in this timely and discerning examination of burnout in congregations What is burnout What causes congregation volunteers to burn out Why is unpaid service sometimes life giving and other times just another frantic commitment How can congregations become oases of peace and nurture while still carrying out their mission and ministry How can we recognize holy moments in the presence of God if we are moving so fast that life passes by us in a blur How can leaders make

congregations healthy places to serve After reflecting on these important questions and dozens of interviews with congregation volunteers Baab suggests We must not fear burnout instead we need to do a better job coming alongside people as they experience burnout and help them figure out what they are learning

**Where is Christ in Christ-ians?** Tomeka Mark, 2017-10-23 Are you desperate for comfort Longing for answers Needing to hear God Then be quiet Be still Listen Do you hear that small voice inside of you Allow God to speak His truth In a world filled with chaos and distraction it is easy to lose your way It is easy to allow your circumstances desires fears and doubts to drown out God s voice It is easy to place God in a box and only come to Him when we are most broken and desperate If we stood still long enough to listen what would we hear God say about our day to day lives What would He say about the state of our hearts our churches and our families With unflinching honesty and candor Tomeka M Mark shows us the world through God s eyes Each page is a journey to the depth of God s heart and His deepest yearnings for His people By posing the question Where is Christ in our homes in our workplace and in our church Mark confronts the biggest challenges facing the Church and Christian men and women today Filled with great passion and deep conviction Mark asks the hard questions exposes sin and urges people to draw close to God Written as a letter from God to his beloved people with helpful end of chapter checklists and Bible verses Mark leaves us all to ask Where is Christ in Christ-ians
