Answering the Hard Questions Robert R. Hill, 2022-11-03 No question should be off limits if it is asked with the intent of seeking truth But many Christians do not know how to answer some of the hard questions about the Bible and the Christian faith Could you answer these questions What would you do if you were asked one of these questions from an unsaved friend What would you do if your children asked you one of these questions 1 If God is real then why doesn't he show himself 2 If God is real then why does he allow suffering and evil to continue 3 How can God be real when secular science shows that everything has an explanation without God 4 If God is a merciful kind and forgiving God then why did he order the slaughter of whole people groups including men women children and their animals too 5 Why would a loving God send anyone to an eternal hell 6 How can God be real since the Bible says God is love but commands the barbaric death of innocent animals in the Old Testament and Jesus says to eat his body and drink his blood And there are other weird things in the Bible too 7 How can God be real since we don't see a difference between people who call themselves Christians and the rest of the world This series is designed to equip Christians to answer these types of hard questions in defending the Bible and the Christian faith We must be able to respond to these types of questions or else we will not be confident in our faith and therefore we will be weak in witnessing I want you to be able to answer these questions quickly and confidently to be an effective and passionate ambassador for Christ

Quick Answers to Tough Questions Bryan

Osborne, Bodie Hodge, 2017-06-23 Today the faith of Christians is being undermined daily A relentless stream of secular attacks from supposedly solid science has put many Christians on the defensive Whether the argument is about evolution history or theology every believer must be able to provide an answer for the hope that is within them But you don't have to be an expert to respond effectively when confronted about your faith Quick Answers to Tough Questions gives you quick and concise answers to the tough questions that are often posed to believers regarding Creation and evolution Age of the earth

and Noah's Ark, death and suffering, origin of life and missing links. Biblical history and a biblical worldview help us to understand the past, present and future. Too many believers have fallen victim to those who say that the Bible's history is false or that science has disproved it. Equip yourself to address the skeptical questions and comments of believers and unbelievers alike and successfully stand strong in your defense of the inerrancy and truth of God's Word. **Hard Questions, Real**

Answers William Lane Craig, 2003-10-17 Why doesn't God answer my prayers? If God is so powerful, why does evil exist? And if He is so good, why do we suffer? Nonbelievers and even Christians are often troubled by questions about suffering, doubt, failure and unanswered prayer. Yet careful, compassionate answers are hard to find in part because evangelicals have not taken the life of the mind seriously enough. The intellectual currents of our day are just too strong for simplistic responses. In **Hard Questions, Real Answers**, William Lane Craig doesn't offer trite phrases or pat answers; he offers honest insights gained from a life of study and ministry. Readers in the midst of doubt and confusion will find real answers to these perplexing questions and learn to stand on the only sure foundation for hope: God Himself. This expanded new edition includes chapters on abortion and homosexuality to help readers know how to think about these volatile social issues. **101 Tough**
