Questions Of Faith:

Questions of Faith Peter Berger, 2015-11-04 Leading religious and cultural commentator Peter Berger explores how and what we can believe in modern times Deals clearly with questions such as Does God exist What was so special about Jesus How can one be Christian in a pluralistic society Structured around key phrases from the Apostles Creed Draws on the Christian theological tradition and the work of other relevant thinkers such as Freud and Simone Weil The author takes the position of an open minded sceptic exploring his own beliefs **Without a Doubt** Kenneth Richard Samples, 2004-07 Without a Doubt provides answers to tough questions about Christianity that assure the heart and satisfy the mind of Christian seeker and skeptic alike **50 Simple Questions for Every Christian** Guy P. Harrison, 2013-03-19 Written in a respectful and conversational style this unique book is designed to promote constructive dialogue and foster mutual understanding between Christians and non Christians The author a skeptic and journalist asks basic questions about Christian belief What is the born again experience Why would God want to sacrifice his only son for the world Do miracles really happen How reliable is the Bible What is the rapture Why isn't everyone a Christian Each question is followed by commentary and analysis that is skeptical and tough but never argumentative or condescending Christians will find the book useful as a basis for developing their apologetics while skeptics will welcome Harrison's probing rational analysis of religious claims Faith Is the Answer, But What Are the Questions? Rev. James W. Moore, 2007-08-01 The Christian gospel says to us Here is the One who can deliver you Here is the One who can save you Follow him and you can live He will lead you to commitment to love and to life I believe that with all of my heart but I also know that there are still a number of tough questions we grapple with daily in these challenging times How does faith help us when problems arise How does the Christian faith strengthen us when suffering or tragedy or heartache explodes into our lives How does the Holy Spirit help us Did Jesus really mean for us to love everybody In this hectic world with so many things crying out for our allegiance and support whom can we trust Faith is the answer of course but still what are the questions And how do we respond to them honestly creatively and redemptively That is the adventure before us These and other questions we will deal with in this book James W Moore adapted from the introduction This book includes a study guide JAMES W MOORE popular speaker and preacher is the author of Yes Lord I Have Sinned But I Have Several Excellent Excuses God Was Here and I Was Out to Lunch When Grief Breaks Your Heart There's a Hole in Your Soul That Only God Can Fill and many other books He and his wife June live in Fairview Texas What Did Jesus Ask? Elizabeth Dias, 2015-10-27 In What Did Jesus Ask 65 of today's leading spiritual writers thinkers and artists offer modern meditations on the questions that Jesus posed in the Bible to teach his followers how to think like a Christian and consider their personal faith As a teacher Jesus Christ put many of his lessons in the form of questions The gospels record more than 300 of them Some are rhetorical needing no answer but most were real questions posed to real people Many of Jesus questions are familiar to readers today yet the context and the potential

interpretations of such phrases will offer enlightenment to many. Organized by Biblical verse these 65 enigmatic questions include You of little faith why did you doubt Matthew 14:31 Do you have eyes but fail to see and ears but fail to hear Mark 8:18 And now What Did Jesus Ask poses those questions to many of today's prominent religious figures scholars and thought leaders to contemplate and interpret Contributors include bestselling singer songwriters Amy Grant and Michael W Smith Christian leaders Barbara Taylor and Cardinal Wuerl of Washington and bestselling authors James Martin and Sarah Young and many more Including a foreword by Nancy Gibbs bestselling author and managing editor of TIME magazine What Did Jesus Ask is a thought provoking volume for both readers interested in religious thought and understanding the teachings of Jesus better

Poole, Judson Poling, 2003 This revised edition of the Tough Questions series of small group curriculum faces head on the difficult and challenging questions seekers ask about the Christian faith [The Bible's Answers to 100 of Life's Biggest Questions](#) Norman L. Geisler, Jason Jimenez, 2015-01-13 Every believer has questions about God the Bible Jesus and the purpose and meaning of life The vexing problem is that so few believers are able to answer even the most basic ones Without answers doubt creeps in and the future of the church is in jeopardy With insight and precision Geisler and Jimenez address one hundred penetrating questions that the culture asks and Christians must be prepared to

Thiemann, William C. Placher, 1998-09-01 A one of a kind book in which several outstanding theologians use their expertise to examine everyday questions that Christians ask Christians do not just believe they think about what they believe Moreover they are not content with simple answers **The Questions Christians Hope No One Will Ask** Mark Mittelberg, 2010-10-29 2011 Retailers Choice Award winner Some questions can stop a conversation Today more than ever people are raising difficult penetrating questions about faith God and the Bible Based on an exclusive Barna survey of 1 000 Christians *The Questions Christians Hope No One Will Ask* presents compelling easy to grasp answers to ten of the most troubling spiritual questions facing Christians today These include How do you know God exists at all Why would God allow evil and suffering Why trust the Bible when it s full of mistakes Why do Christians condemn homosexuality What makes you think Jesus was more than just a good teacher In this apologetics resource Mark Mittelberg offers clear theological answers to help you defend your beliefs with confidence **Answering the Hard Questions** Robert R. Hill, 2022-11-03 No question should be off limits if it is asked with the intent of seeking truth But many Christians do not know how to answer some of the hard questions about the Bible and the Christian faith Could you answer these questions What would you do if you were asked one of these questions from an unsaved friend What would you do if your children asked you one of these questions 1 If God is real then why doesn t he show himself 2 If God is real then why does he allow suffering and evil to continue 3 How can God be real when secular science shows that everything has an explanation without God 4 If God is a merciful kind and forgiving God then why did he order the slaughter of whole people groups including men women children and their animals too 5 Why would a loving God send anyone to an eternal hell 6 How can God be real since the Bible says God is love but commands the barbaric death of innocent animals in the Old Testament and Jesus says to eat his body and drink his blood And there are other weird things in the Bible too 7 How can God be real since we don t see a difference between people who call themselves Christians and the rest of the world This series is designed to equip Christians to answer these types of hard questions in defending the Bible and the Christian faith We must be able to respond to these types of questions or else we will not be confident in our faith and therefore we will be weak in witnessing I want you to be able to answer these questions quickly and confidently to be an effective and passionate ambassador for Christ **Questions of Faith for Inquiring Believers** R.
