Gaddis,2019-11-12 There s a problem with school lunch in America Big Food companies have largely replaced the nation s school cooks by supplying cafeterias with cheap precooked hamburger patties and chicken nuggets chock full of industrial fillers Yet it s no secret that meals cooked from scratch with nutritious locally sourced ingredients are better for children workers and the environment So why not empower lunch ladies to do more than just unbox and reheat factory made food And why not organize together to make healthy ethically sourced free school lunches a reality for all children The Labor of Lunch aims to spark a progressive movement that will transform food in American schools and with it the lives of thousands of low paid cafeteria workers and the millions of children they feed By providing a feminist history of the US National School Lunch Program Jennifer E Gaddis recasts the humble school lunch as an important and often overlooked form of public care Through vivid narration and moral heft The Labor of Lunch offers a stirring call to action and a blueprint for school lunch reforms capable of delivering a healthier more equitable caring and sustainable future **Dear Diary: What My Doctor Never Told Me About Liposuction** Kathyne L. Jackson,2003-06-20

Writing this book has been a very essential part of my recovery Except for my son doctor and finally my Mom there was no one I had chosen to confide in Putting my own experiences down on paper gave me a chance to not only relive the experience and face the uncertainties but to understand my motivation for doing it Writing this book was an emotional lifeline for me and its been a wonderful outlet Also where else could I have expressed the joy of going from a size 22 to 16 in two months Since no one knew I had the surgery this book was the one place whereI could shout This book was also written with others in mind There may be those who felt as I did Theyve secretly dreamed of undergoing the procedure because they were just as unhappy with certain aspects of their bodies as I was Theyve squirreled away some money in the hopes that one day they might also take the next step There are also those who have taken that step I hope my words help someone else whos alone with their thoughts and pain as Ive been give them a much needed mental hug and let them know that someone else had undergone what they are considering or are now enduring At those times when I was most vulnerable I kept telling myself

that there would be people reading my words and saying to themselves This is normal Kathyne went through this too so I wont worry Am I am glad I did it Would I do it again

Christmas Fudge Fatality (Murder in the Mix Mysteries)

Addison Moore,2020-01-22 A baker who sees the dead One too many suitors And a killer Living in Honey Hollow can be murder A laugh out loud standalone cozy mystery by New York Times Bestseller Addison Moore All books in the series can be read individually but are best enjoyed in order Includes RECIPE My name is Lottie Lemon and I see dead people Okay so I rarely see dead people mostly I see furry creatures of the dearly departed variety who have come back from the other side to warn me of their previous owner s impending doom The holidays have arrived and the Jolly Holly Tree Lot is hosting a special event that has pets and people alike bustling to get a picture with the jolly old elf himself My sweet cats are just as anxious as I am to get to the front of the line but that body I stumble upon threatens to take the joy right out of the season Lottie Lemon has a brand new bakery to tend to a budding romance with perhaps one too many suitors and she has the supernatural ability to see the dead which are always harbingers for ominous things to come Throw in the occasional ghost of the human variety a string of murders and her insatiable thirst for justice and you ll have more chaos than you know what to do with Living in the small town of Honey Hollow can be murder
