*The Conquest of Texas* Gary Clayton Anderson, 2019-02-14 This is not your grandfather's history of Texas Portraying nineteenth century Texas as a cauldron of racist violence Gary Clayton Anderson shows that the ethnic warfare dominating the Texas frontier can best be described as ethnic cleansing The Conquest of Texas is the story of the struggle between Anglos and Indians for land Anderson tells how Scotch Irish settlers clashed with farming tribes and then challenged the Comanches and Kiowas for their hunting grounds Next the decade long conflict with Mexico merged with war against Indians For fifty years Texas remained in a virtual state of war Piercing the very heart of Lone Star mythology Anderson tells how the Texas government encouraged the Texas Rangers to annihilate Indian villages including women and children This policy of terror succeeded by the 1870s Indians had been driven from central and western Texas By confronting head on the romanticized version of Texas history that made heroes out of Houston Lamar and Baylor Anderson helps us understand that the history of the Lone Star state is darker and

more complex than the mythmakers allowed      **Logan's Lady** Becky Barker,2012 Logan Bradford was everything Dee Prescott wanted in a man He was a successful independent rancher who loved the great outdoors a virile tender lover and most of all a true romantic But that was before Dee s commitment to her career came between them Before Logan walked out of her life Then she discovered his tragic secret Suddenly his disappearing act made sense Now he was back and he needed Dee more than ever She d move heaven and earth to help him put the past behind him Somehow she would show him that with love they could overcome anything A love where the sky s the limit      Leander Perez, Boss of the Delta Glen Jeansonne,2006 Leander Perez 1891 1969 was more than simply another Neanderthal segregationist He was a political boss who held absolute power in Plaquemines Parish to an extent unsurpassed by any parish leader in Louisiana s history Leander Perez Boss of the Delta is his full history A bit of a social reformer a political figure of national stature an oil tycoon worth millions of dollars Perez was known to one and all including himself as the Judge although the office he held for most of his career was that of district attorney He got his political start in the early 1920s when Huey Long was beginning to attract statewide attention But even after Long was gunned down in 1935 the Judge continued to dominate life in the lower delta for thirty four years until he died from a heart attack in 1969 Above all Perez relished power and the essence of his might lay in his skill as a backroom broker and in his personal friendships with such idologues as J Strom Thurmond Ross Barnett Lester Maddox Orval Faubus and George Wallace his grip on the parish was partly economic and partly political and it was enforced by an iron will stronger than the will of any other man in the lower delta      *Cutting the Mustard* Marjorie Heins,1987
