often comic collision between this family's ancient Near Eastern traditions and the American pop culture of the 50s and 60s Balakian moves with ease from childhood memory to history to his ancestors lives to the story of a poet's coming of age Written with power and grace *Black Dog of Fate* unfolds like a tapestry its tale of survival against enormous odds Through the eyes of a poet here is the arresting story of a family's journey from its haunted past to a new life in a new world
