Report of the Advisory Committee on Individual & Democratic Rights Under the Constitution Australia. Constitutional Commission. Advisory Committee on Individual and Democratic Rights under the Constitution, 1987 Right to strike **A Bill of Rights for Australia** George Williams, 2000 Using overseas examples and taking account of Australia's international treaty obligations George Williams sets out a novel plan for extending the legal protection for human rights in Australia

Report of the Advisory Committee on Individual & Democratic Rights Under the Constitution - Constitutional Commission Australia. Constitutional Commission, M. Byers, T. Purcell, 1985 *Human Rights Under the Australian Constitution* George Williams, 2002 This book is a thorough and accessible work that explores the decisions of the High Court on express and implied constitutional rights as well as underlying themes of constitutional interpretation **Religious**

Freedom and the Australian Constitution Luke Beck, 2018-03-19 This book examines the origins of Australia's constitutional religious freedom provision It explores on the one hand the political activities and motives of religious leaders seeking to give the Australian Constitution a religious character and on the other the political activities and motives of a religious minority seeking to prevent the Australian Constitution having a religious character The book also interrogates the argument advanced at the Federal Convention in favour of section 116 dealing with separation of religion and government and argues that until now scholars and courts have misunderstood that argument The book casts new light to show how the origins of the provision lead to section 116 being conceptualised as a safeguard against religious intolerance on the part of the Commonwealth Written in an accessible style the work has potential to influence the development of constitutional doctrine by the High Court through its challenge of historical assumptions on which the High Court's current doctrine is based Given the ongoing political debates concerning the interaction of discrimination law and religious freedom the book will be of interest to academics and policy makers working in the areas of law and religion constitutional law and comparative law [The Changing Shape of Government in the Asia-Pacific Region](#) John W.
