Report to the Nebraska Legislature on Electronic Access to Public Information Nebraska. Task Force on Electronic Access to State Government Information,1996 *Digital Democracy*,1996 *The Teleworking Handbook* Imogen Bertin,Alan Denbigh,1998 The State of Copyright Debora Halbert,2014-02-05 This book seeks to make an intervention into the ongoing debate about the scope and intensity of global copyright laws While mapping out the primary actors in the context of globalization and the modern political economy of information ownership the argument is made that alternatives to further expansion of copyright are necessary By examining the multiple and competing interests in creating the legal regime of copyright law this books attempts to map the political economy of copyright in the information age critique the concentration of ownership that is intrinsic in the status quo and provide an assessment of the state of the contemporary global copyright landscape and its futures It draws upon the current narratives of copyright as produced by corporate government and political actors and frames these narratives as language games within a global political project to define how information and culture will be shared and exchanged in the future The text problematizes the relationship of the state to culture comments on the global flows of culture and critiques the regulatory apparatus that is in place to commodify culture and align it with the contemporary nation state In the end the possibility of non commodified and more open futures are explored The State of Copyright will be of particular interest for students and scholars of international political economy law political science anthropology sociology cultural studies library sciences and communication studies It also will appeal to a growing popular audience that has taken an interest in the issues of copyright **Copyright Protection of Unpublished Works in the Common Law World** Patrick Masiyakurima,2020-03-05 This book discusses copyright protection of unpublished works including letters diaries manuscripts photographs memoranda sketches private journals government

records and drafts intended for future publication Under contemporary British copyright law unpublished works are protected by the Copyright Designs and Patents Act 1988 In addition the Berne Convention anticipates that unpublished works shall receive protection While unpublished works are in general assimilated to the treatment of published ones notable differences in the strength of protection afforded to published and unpublished works remain It is the case that contemporary British copyright law confers stronger and longer protection on unpublished works For instance the unpublished status of a work assumes pivotal significance in the framework for determining qualification for copyright protection the extent of copyright protection exceptions to copyright infringement and the remedies for copyright infringement The principal aim of the book is to consider whether copyright in unpublished works is justified a task which is prosecuted from historical normative and legal perspectives Although the book's primary focus is the treatment of unpublished works in Britain it also relies extensively on materials from other Common Law jurisdictions The book contributes to the understanding of why cumulative protection of unpublished works emerged and how exceptions to rights in unpublished works evolved Moreover the analysis deployed in the book aids the task of applying the law to new circumstances
