May,Thomas Maissen,2021-06-17 National history has once again become a battlefield In internal political conflicts which are fought on the terrain of popular culture museums schoolbooks and memorial politics it has taken on a newly important and contested role Irrespective of national specifics the narratives of new nationalism are quite similar everywhere National history is said to stretch back many centuries expressesing the historical continuity of a homogeneous people and its timeless character This people struggles for

independence guided by towering leaders and inspired by the sacrifice of martyrs Unlike earlier forms of nationalism the main enemies are no longer neighbouring states but international and supranational institutions To use national history as an integrative tool new nationalists claim that the media and school history curricula should not contest or question the nation and its great historical deeds as doubts threaten to weaken and dishonour the nation This book offers a broad international overview of the rhetoric contents and contexts of the rise of these renewed national historical narratives and of how professional historians have reacted to these phenomena The contributions focus on a wide range of representative nations from around all over the globe **Kabbalah Research in the Wissenschaft des Judentums (1820–1880)** George Y. Kohler,2019-03-18 In recent years more and more scholars have become aware of the fact that the 19th century movement of the Wissenschaft des Judentums engaged in essential research of kabbalistic texts and thinkers The legend of Wissenschaft s neglect for the mystic traditions of Judaism is no longer sustainable However the true extent of this enterprise of German Jewish scholars is not yet known This book will give an overview of what the leading figures have actually achieved Landauer Jellinek Jost Graetz Steinschneider and others It is true that their theological evaluation of the worth of kabbalah for what they believed was the essence of Judaism yielded overall negative results but this rejection was rationally founded and rather suggests a true concern for Judaism that transcended their own emancipation and assimilation as German Jews **New York University Catalogue** New York University,University of the City of New York,1911 **The Dial** ,1909 **The Literary World** ,1881 *Catalogue* New York University,1912 **Learning Directory** ,1972 Congress of Arts and Science: History of language.
