Representing Rape Language And Sexual Consent:

Representing Rape Susan Ehrlich, 2003-08-27 *Representing Rape* is the first feminist analysis of the language of sexual assault trials from the perspective of linguists Susan Ehrlich argues that language is central to all legal settings specifically sexual harassment and acquaintance rape hearings where linguistic descriptions of the events are often the only type of evidence available Language does not simply reflect but helps to construct the character of the people and events under investigation The book is based around a case study of the trial of a male student accused of two instances of sexual assault in two different settings a university tribunal and a criminal trial This case is situated within international studies on rape trials and is relevant to the legal systems of the US Canada Britain Australia and New Zealand She shows how culturally dominant notions about rape percolate through the talk of sexual assault cases in a variety of settings and ultimately shape their outcome Ehrlich hopes that to understand rape trials in this way is to recognize their capacity for change By highlighting the underlying preconceptions and prejudices in the language of courtrooms today this important book paves the way towards a fairer judicial system for the future

Sexual Consent Milena Popova, 2019-05-07 An introduction to issues of sexual consent covering key strands of feminist thought how sexual consent is negotiated in practice the influence of popular culture and more The MeToo movement has focused public attention on the issue of sexual consent People of all genders from all walks of life have stepped forward to tell their stories of sexual harassment and violation In a predictable backlash others have taken to mass media to inquire plaintively if flirting is now forbidden This volume in the MIT Press Essential Knowledge series offers a nuanced introduction to sexual consent by a writer who is both a scholar and an activist on this issue It has become clear from discussions of the recent high profile cases of Harvey Weinstein Bill Cosby and others that there is no clear agreement over what constitutes consent or non consent and how they are expressed and perceived in sexual situations This book presents key strands of feminist thought on the subject of sexual consent from across academic and activist communities and covers the history of research on consent in such fields as psychology and feminist legal studies It discusses how sexual consent is negotiated in practice from No means no to Yes means yes and describes what factors might limit individual agency in such negotiations It examines how popular culture including pornography romance fiction and sex advice manuals shapes our ideas of consent explores the communities at the forefront of consent activism and considers what meaningful social change in this area might look like Going beyond the conventional cisgender heterosexual norm the book lists additional resources for those seeking to improve their practice of consent survivors of sexual violence and readers who want to understand contemporary debates on this issue in more depth

Making Sense of Sexual Consent Mark Cowling, Paul Reynolds, 2017-03-02 The issue of sexual consent has stimulated much debate in the last decade The contributors to this illuminating volume make sense of sexual consent from various conceptual standpoints socio legal post structural philosophical and feminist The volume comprises a range of studies all based around consent within a specific

context such as criminal justice homosexuality sadomasochism prostitution male rape learning disabilities sexual ethics and the age of consent It is the first collection to publish exclusively on issues of sexual consent and both makes sense of sexual consent in contemporary society and guides debate towards better consent standards and decisions in the future Making Sense of Sexual Consent will excite considerable discussion amongst academics professionals and all those who think that freedom to make decisions about our sexual selves is important It will set the agenda for debate on sexual consent into the 21st Century Discursive Constructions of Consent in the Legal Process Susan Ehrlich,Diana Eades,Janet

Ainsworth,2016-02-01 Experts in linguistics and law use diverse theoretical and analytical approaches to demonstrate the complex ways in which language is used to seek steer give or withhold consent in a range of legal contexts The book illuminates problematic issues in legal practices and procedures that may otherwise be uncritically accepted Sex, Culpability, and the Defence of Provocation Danielle Tyson,2013 The partial defence of provocation is one of the most controversial doctrines within the criminal law It has now been abolished in a number of international jurisdictions Addressing the trajectory of debates about reform of the provocation defence across different jurisdictions Sex Culpability and the Defence of Provocation considers the construction and representation of subjectivity and sexual difference in legal narrations of intimate partner homicide Undeniably the most vexing exculpatory cultural narrative of our times is that of a woman asking for it This book explores how the process of judgment in a criminal trial involves not only the drawing of inferences from the facts of a particular case but also operates to deliver a narrative Law it is argued constructs a narrative of how the female body incites male violence And pursuing an approach that is informed by socio legal studies literary theory and feminist theories of the body Sex Culpability and the Defence of Provocation considers how this narrative is constructed via a range of discursive practices that position woman as a threat to masculine norms of propriety and autonomy Once we have a clear understanding of the significance of narrative in legal decision making we can then formulate textual strategies of resistance to the violence of law s victim blaming narratives by rewriting them **The Language of Sexual Misconduct**
