Reproduction, Sex, and Preparation for Marriage Lawrence Q. Crawley, 1964 *Reproduction, Sex and Preparation for Marriage* ,1964 *Reproduction, Sex, and Preparation for Marriage [by] Lawrence Q. Crawley [and Others].* Lawrence Q. Crawley, 1964

The Colleges and Sex Education ... American Social Hygiene Association, 1928 *Treatment Interventions in Human Sexuality* Carol Nadelson, 2012-12-06

Despite much progress in the past ten years American medical schools have woefully inadequate sex education curricula While some have a reasonable amount of lecture time few have clinical opportunities for students to develop practical skills in working with patients who are struggling with sexual problems It is my impression that the same is true in medical and gynecological residencies as well as in graduate schools of psychology counseling and social work This book was specifically written to help fill that gap This is a book for clinicians and it will provide a wealth of practical clinical knowledge and skills in dealing with the gamut of patient s sexual concerns problems and dilemmas Twenty four experts have contributed eighteen chapters which address both the common and unusual sexual issues encountered in practice These include sexual concerns from childhood to old age gender identity and sexual preference sexual dysfunction including that of the physically ill and disabled counseling with students premarital marital and divorced patients fertility and infertility and chapters dealing with rape incest and other sexual contacts between adults and children Of particular importance are chapters on human sexuality in American minority populations a chapter on alcohol medication and other drugs and a chapter on medical management of sexual problems in the gay population a subject long ignored by the profession The focus on practical intervention and skill development is amplified by the concluding four appendixes devoted to patient management problems *Reproductive Restraints* Sanjam Ahluwalia, 2010-10-01

Reproductive Restraints traces the history of contraception use and population management in colonial India while illuminating its connection to contemporary debates in India and birth control movements in Great Britain and the United States Sanjam Ahluwalia draws attention to the interactive and relational history of Indian birth control by including western activists such as Margaret Sanger and Marie Stopes alongside important Indian campaigners In revealing the elitist politics of middle class feminists Indian nationalists western activists colonial authorities and the medical establishment Ahluwalia finds that they all sought to rationalize procreation and regulate women while invoking competing notions of freedom femininity and family Ahluwalia s remarkable interviews with practicing midwives in rural northern India fills a gaping void in the documentary history of birth control and shows that the movement has had little appeal to non elite groups in India Finding that Jaunpuri women s reproductive decisions are bound to their emotional cultural and economic reliance on family and community Ahluwalia presents the limitations of universal liberal feminist categories which often do not consider differences among localized subjects She argues that elitist birth control efforts failed to account for Indian women s values and needs and have worked to restrict reproductive rights rather than liberate subaltern Indian women since

colonial times *Youth Organizing for Reproductive Justice* Chris Barcelos,2025-03-04 This helpful how to guide introduces the practices history and politics of youth movements for justice in the United States Grounded in the struggles and worldmaking of queer and trans youth and people of color Youth Organizing for Reproductive Justice shows us how all youth organizing is reproductive justice as young people resist systems of oppression that limit bodily autonomy and self determination Through case studies activist spotlights and organizing how tos this book provides a powerful tool for understanding the interconnected struggles at the center of youth activism From the school to prison pipeline to transgender youth s access to gender affirming care to support for pregnant and parenting teens Chris Barcelos shows that reproductive justice inspires political organizing across a range of issues This book will help mobilize scholars activists policy makers reproductive justice nonprofit workers and youth organizers toward collective liberation **Textbook of Contraception, Sexual and Reproductive Health** Johannes Bitzer,Tahir A. Seruya,Susan Losher,Albert Ellis,1972 Over 2000 English language references some annotated Classified arrangement Basically covers last 25 years with some older works included for historical perspective Author title and analytical subject indexes A Guide for Christian Sex Education of Youth Thomas Edwards Brown,1968 *Sexuality and the Church of England, 1918-1980* Laura Ramsay,2024-06-24 This book presents an original and archivally rich account of the Church of England s institutional grappling with matters of sex relationships marriage birth control and same sex attraction between 1918 and 1980 uncovering a long and complex history of debates and disagreements that led to its present day impasse over issues of sexuality Across a long and previously underexplored chronology the book examines various ways in which Anglicans shaped and popularised understandings of sex and desire conceptions of sexual morality and notions of sexual citizenship Its account begins in the interwar years when the church exerted a powerful influence on attitudes and approaches towards sex and morality moves through the challenges of the post war years when Anglicans continued to debate and construct the new moral landscape of the permissive society and ends in the late twentieth century when the church s preferred means of functioning as an agent of mediation ultimately meant it lost pace with new approaches towards sexual identities and relationships Despite its historically established role in guiding the nation by the late 1970s the church had unwittingly painted itself into a corner by provoking internal disputes that it struggled to resolve As its compromise positions became outdated the church s views increasingly fell out of favour and contributed to its gradual demise as a former expert on sexual issues **Journal of Social Hygiene** ,1916 *Research Anthology on Advancements in Women's Health and Reproductive Rights* Management Association, Information Resources,2022-05-06 Reproductive health and rights are critical topics in today s society as laws and policies are
