**Rethinking Sexual and Reproductive Health and Rights for Young Women in Southern Africa** Tamaryn Crankshaw,Jane Freedman,Carolien Aantjes,Nana K. Poku,2024-10-29 This important book provides a critical examination of the sexual and reproductive health and rights SRHR of young women and girls in Southern Africa examining the ways in

which current policies and programmes aimed at improving SRHR often fail to reach the most marginalised populations Addressing key regional challenges such as high rates of HIV unintended pregnancies unsafe abortions and sexual and gender based violence the book highlights how health inequalities in the region are in fact increasing despite the 2030 Agenda for Sustainable Development of leaving no one behind The book draws on theoretical analysis and empirical data gathered from studies carried out in five Southern African countries Madagascar Mozambique South Africa Zambia and Zimbabwe arguing that a continued focus on HIV and interventions that target health in a narrow sense often fail to understand the wider socio economic determinants of poor sexual and reproductive health and the ways in which girls and young women are made vulnerable Written by leading scholars in the field this will be essential reading for students and researchers in Global Health International Development Women s Studies and all related fields     International Perspectives and Experiences Enhancing Access to Healthcare ,2025-02-19 Access to healthcare is a straightforward concept either we can receive high quality healthcare when needed or we cannot While this concept is simple reality is much more complex Many people cannot afford good healthcare even if they have health insurance Others live in areas where vaccines doctors hospitals and other health services are in short supply and these supply constraints continue to grow Still others find it hard to make appointments for care especially if they must travel long distances or miss work to attend those appointments The inability to accommodate patient needs has been problematic for decades and sometimes for much longer in many parts of the world In this book authors from around the globe describe innovative approaches for improving access to health care Their entrepreneurial spirit knowledge and sheer grit in the face of complex challenges are admirable and demonstrable Policymakers healthcare providers payers and patients will find valuable insights and actionable strategies in this volume for addressing access barriers and ensuring timely care Readers are encouraged to explore these and other groundbreaking approaches using the lessons learned here to improve healthcare access and enhance lives worldwide     International Perspectives on Gender-Based Violence Madhumita Pandey,2023-11-24 This book examines the multifaceted nature of gender based violence GBV and the many forms it can take It explores the area of GBV and its implications on human rights law and policy The book highlights the significance of current international debates around preventing GBV and provides context for understanding GBV as a complex structural phenomenon deeply rooted in gender inequality It addresses GBV as one of the most notable human rights violations within all societies and provides multiple global perspectives on GBV to address the common challenges and barriers to combating this issue Key areas of coverage include Sexual violence Domestic violence Intimate partner violence Media Misogyny Online trolling Discrimination Sex trafficking and modern slavery Preventative Measures and role of men International Perspectives on Gender Based Violence is an essential resource for researchers clinicians therapists and upper level undergraduate and graduate students in developmental psychology family policy forensic psychology human rights public health criminology criminal justice and clinical social work as well as all

interrelated disciplines      **Adapting Gender and Development to Local Religious Contexts** Romina Istratii,2020-10-01

This book provides a critical and decolonial analysis of gender and development theory and practice in religious societies through the presentation of a detailed ethnographic study of conjugal violence in Ethiopia Responding to recent consensus that gender mainstreaming approaches have failed to produce their intended structural changes Romina Istratii explains that gender and development analytical and theoretical frameworks are often constructed through western Euro centric lenses ill equipped to understand gender related realities and human behaviour in non western religious contexts and knowledge systems Instead Istratii argues for an approach to gender sensitive research and practice which is embedded in insiders conceptual understandings as a basis to theorise about gender assess the possible gendered underpinnings of local issues and design appropriate alleviation strategies Drawing on a detailed study of conjugal abuse realities and attitudes in two villages and the city of Aksum in Northern Ethiopia she demonstrates how religious knowledge can be engaged in the design and implementation of remedial interventions This book carefully evidences the importance of integrating religious traditions and spirituality in current discussions of sustainable development in Africa and speaks to researchers and practitioners of gender religion and development in Africa scholars of non western Christianities and Ethiopian studies and domestic violence researchers and practitioners      Voice and Agency Jeni Klugman,Lucia Hanmer,Sarah Twigg,Tazeen Hasan,Jennifer

McCleary-Sills,Julieth Santamaria,2014-09-29 Despite recent advances in important aspects of the lives of girls and women pervasive challenges remain These challenges reflect widespread deprivations and constraints and include epidemic levels of gender based violence and discriminatory laws and norms that prevent women from owning property being educated and making meaningful decisions about their own lives such as whether and when to marry or have children These often violate their most basic rights and are magnified and multiplied by poverty and lack of education This groundbreaking book distills vast data and hundreds of studies to shed new light on deprivations and constraints facing the voice and agency of women and girls worldwide and on the associated costs for individuals families communities and global development The volume presents major new findings about the patterns of constraints and overlapping deprivations and focuses on several areas key to women s empowerment freedom from violence sexual and reproductive health and rights ownership of land and housing and voice and collective action It highlights promising reforms and interventions from around the world and lays out an urgent agenda for governments civil society development agencies and other stakeholders including a call for greater investment in data and knowledge to benchmark progress      Sex and Gender Hilary M. Lips,2020-04-10 Are sex and gender

really two different things How malleable is gender identity Do both gender and sex have to be conceptualized as binaries as having two distinct but complementary categories Should we emphasize gender differences or is that the wrong question When should we call a gender difference small Are women really nonaggressive or does that label stem from stereotyping How does subtle or modern sexism work on its targets Scholarship on these and other gender related questions has exploded

in recent years Hilary Lips synthesizes that research for students in an accessible and readable way Concepts on sex and gender are presented with the social context in which they were developed As in previous editions Lips takes a multicultural approach discussing the gender experiences of people from a wide range of races cultures socioeconomic statuses and gender and sexual identities She emphasizes empirical research but takes a critical approach to that research Impacts of the Media on African Socio-Economic Development Nelson, Okorie,Ojebuyi, Babatunde Raphael,Salawu, Abiodun,2016-11-23 Technology and media are now integrated in various facets of society including social and economic development This has allowed for new and innovative methods for aiding in development initiatives Impacts of the Media on African Socio Economic Development is an essential research publication for the latest scholarly information on societal and economical dimensions of development and the application of media to advance progress Featuring extensive coverage on many topics including gender empowerment international business and health promotion this book is ideally designed for government officials academics professionals and students seeking current research on social realities and achieving further development in emerging economies The Palgrave Handbook of Gender and Development Wendy Harcourt,2016-04-29 With original and engaging contributions this Handbook confirms feminist scholarship in development studies as a vibrant research field It reveals the diverse ways that feminist theory and practice inform and shape gender analysis and development policies bridging generations of feminists from different institutions disciplines and regions **Body Politics in Development** Wendy Harcourt,2009-10-15 Body Politics in Development sets out to define body politics as a key political and mobilizing force for human rights in the last two decades This passionate and engaging book reveals how once tabooed issues such as rape gender based violence and sexual and reproductive rights have emerged into the public arena as critical grounds of contention and struggle Engaging in the latest feminist thinking and action the book describes the struggles around body politics for people living in economic and socially vulnerable communities and covers a broad range of gender and development issues including fundamentalism sexualities and new technologies from diverse viewpoints The book s originality comes through the author s rich experience and engagement in feminist activism and global body politics and was winner of the 2010 FWSA Book Prize **Women's Health and the Limits of Law** Irehobhude O. Iyioha,2019-12-10 Despite some significant advances in the creation and protection of rights affecting women s health these do not always translate into actual health benefits for women This collection asks What is an effective law and what influences law s effectiveness or ineffectiveness What dynamics elements and conditions come together to limit law s capacity to achieve instrumental goals for women s health and the advancement of women s health rights The book presents an integrated co referential and sustained critical discussion of the normative and constitutive reasons for law s limited effectiveness in the field of women s health It offers comprehensive and cohesive explanatory accounts of law s limits and for the first time in the field introduces a distinction between formal and substantive effectiveness of laws Its approach is trans systemic multi

jurisdictional and comparative with a focus on six countries in North America Europe Asia and Africa and international human rights case law based on matters arising from Hungary Portugal Spain Slovakia the Czech Republic Peru and Bolivia The book will be a valuable resource for educators students lawyers rights advocates and policymakers working in women s health socio legal studies human rights feminist legal studies and legal philosophy more broadly **International**
