Republic A Novel Of Texas:

Republic! : a Novel of Texas Ernest Victor Thompson, **Republic!** E. V. Thompson, 1986 **Sons of the Republic of Texas**, 2001 The Sons of the Republic of Texas tells the story of the Republic of Texas beginning with its birth on April 21 1836 Includes a brief history of the Sons of the Republic of Texas from 1893 to the present The text is complemented by over 100 pages of family and ancestral biographies of members of the Sons of the Republic of Texas past and present Indexed

The Republic of Texas Clarence Wharton, 1922 **A Political History of the Texas Republic, 1836-1845** Stanley Siegel, 2010-01-01 This book is unique among the histories of the Texas Republic it is the first to examine the fledgling nation from the point of view of its dynamic political life Policies with far reaching results were formulated in the nine years of Texas independence and the author clearly presents the many thorny issues that were to plague Texas for generations The political history of the Republic is one of strong figures vying with each other for popular support of their divergent policies The author details the personal feuds and animosities that resulted and shows the effects of these differences on the governing of the nation Thoughtful use of diaries memoirs and other contemporary sources gives the reader an excellent understanding of the sense of personal concern the citizens of the Republic felt toward the political issues of the day

Texas Sunrise Elmer Kelton, 2024-06-04 From a seven time Spur Award winning author Two brothers experience the action of Texas s revolution against Mexico in this collection of two classic Westerns Texas Sunrise brings together two of Elmer Kelton s acclaimed novels novels and tells the story of the Texas Revolution as experienced by brothers Thomas and Joshua Buckalew of Tennessee In Massacre at Goliad inevitable tensions mount between Mexican authorities and the American newcomers to Mexican lands north of the Rio Grande Revolution is in the air something Thomas Buckalew welcomes but Joshua fears Joshua who has Mexican friends and is in love with a Mexican girl pledges to take up arms with his brother if necessary The story touches on the immortal battle of the Alamo but centers on the infamous Goliad massacre of March 1836 The massacre led ultimately to Sam Houston s decisive battle of San Jacinto where Texas became an independent republic After the Bugles continues where Goliad ends on the battlefield at San Jacinto Along with other settlers whose lives have been disrupted by the revolution Joshua Buckalew tries to put the pieces back together but finds that starting over in the aftermath of war can be as challenging as the war itself The racial differences that helped foment the conflict have not disappeared and being an independent republic can be far more difficult than being a colony of Mexico Praise for Texas Sunrise As with all of Kelton s westerns characters are colorful and well drawn the action is fast and bloody and the plotting carefully thought out making this another supercharged yarn Publishers Weekly *The Biography Book* Daniel S. The Texas Republic William Ransom Hogan,1946 Social and economic history **Founders and Patriots of the Republic of Texas** Daughters of the Republic of Texas. Lineage Book Committee, **Daughters of Republic of Texas - Vol I** ,1995-06-15 The Republic of Texas has a vivid past its ancestors ventured west to settle an uneasy land from exploration by the Spaniards to war with the Mexican government and its declaration of independence in 1836 Read about these ancestor s stories through hundreds of biographies with photographs of most A comprehensive index provides easy reference for genealogical research The Republic of Texas 2022 Gary Bray,2014-06-03 After the collapse of the United States in 2016 Texas petitions and purchases its sovereignty to become a free republic As an independent country Texas is able to become a purely free market economy without the restrictions and roadblocks of government Texas soon becomes the most powerful country in the world and draws the interest from the United Nations to become a tax paying member country This story is a look at a world as it could be if the producers were not only trusted but encouraged and the welfare state was to be replaced by a more self reliant society This is the age old battle between government control and free market forces I just finished your book and was very impressed by your ability imagination and style Of course the storyline kept my attention since I m as Texan as anybody could be I can honestly say that even though my family is somewhat newcomers I m only third generation Native Texan because my Great Grandfather came to Texas as a small boy in 1856 Gary I don t read novels mostly histories and biographies but I could hardly put down *The Republic of Texas* Uncle Sam *Three Texas Rangers* Karl Thomson,2021-03-01 While this book is fiction most of the action is based in reality and life in early Texas While much of this book seems beyond our ability to believe today life then was more than most of our made up superheroes today This book takes us from the early days of Texas through its fight for independence and the Mexican American War to the seemingly impossible start of a new nation that reached the Gulf of Mexico into what is now Wyoming As a nation Texas covered a part of Wyoming Colorado New Mexico Oklahoma Kansas and of course Texas During much of that time a modern day school bus would have held all the lawmen in the nation of Texas These early years are full of excitement heartbreak hopes dreams love fighting and death Founders and Patriots of the Republic of Texas Daughters of the Republic of Texas. Lineage Book Committee,1985 **Lone Star Rising** William C. Davis,2017-05-09 Here is the little known dramatic epic of heroes Sam Houston Stephen Austin and a host of others who turned the Alamo into one of the most successful rallying cries

in history All Americans not just Texans remember the Alamo But the siege and brief battle at that abandoned church in February and March 1836 were just one chapter in a much larger story larger even than the seven months of armed struggle that surrounded it Indeed three separate revolutionary traditions stretching back nearly a century came together in Texas in the 1830s in one of the great struggles of American history and the last great revolution of the hemisphere Anglos steeped in 1776 fervor and the American revolution came seeking land Hispanic and native Americans joined the explosion of republican uprisings in Mexico and Latin America and the native Tejanos seized on a chance for independence As William C Davis brilliantly depicts in Lone Star Rising the result was an epic clash filled not just with heroism but also with ignominy greed and petty and grand politics In Lone Star Rising Davis deftly combines the latest scholarship on the military battles of the revolution including research in seldom used Mexican archives with an absorbing examination of the politics on all sides His stirring narrative features a rich cast of characters that includes such familiar names as Stephen Austin Sam Houston and Antonio Santa Anna along with Tejano leader Juan Segu n and behind the scenes players like Andrew Jackson From the earliest adventures of freebooters who stirred up trouble for Spain Mexico and the United States to the crucial showdown at the San Jacinto River between Houston and Santa Anna there were massacres misunderstandings miscalculations and many heroic men The rules of war are rarely stable and they were in danger of complete disintegration at times in Texas The Mexican army often massacred its Anglo prisoners and the Anglos retaliated when they had the chance after the battle of San Jacinto The rules of politics however proved remarkably stable The American soldiers were democrats who had a hard time sustaining campaigns if they didn t agree to them and their leaders were as given to maneuvering and infighting as they were to the larger struggle Yet in the end Lone Star Rising is not a myth destroying history as much as an enlarging one the full story behind the slogans of the Alamo and of Texas lore a human drama in which the forces of independence republicanism and economics were made manifest in an unforgettable group of men and women [The Republic of Texas: A Brief History of Texas from the First American Colonies in 1821 to Annexation in 1846](#) Clarence Ray [From Old C.
