The Law Body of rules & norms which regulates & harmonises the community by demarcating (making boundaries / limits) the rights & duties of legal subjects.	Rights Deals with the lawful relationships btw legal subjects among each other & in relation to the objects of their rights.

Real relationship:

A particular legal relationship btw one / more legal subjects & a thing – to which the law attaches consequences.

It is broader than the concept "real right" > real relationships INCLUDE real rights as well as certain unlawful real relationships!

There are 2 sides to a real relationship:

Subject-object relationship Btw particular legal subjects & the particular thing involved in the relationship which may imply specific rights & duties for the legal subject in relation to that thing.	Subject-subject relationship Btw the particular legal subject & all other legal subjects, which may imply specific rights & duties btw the various legal subjects.
