Rescue Of The Innocents Endangered Children In Medieval Miracles

Leigh Ann Craig

Rescue Of The Innocents Endangered Children In Medieval Miracles:

The Rescue of the Innocents Ronald C. Finucane, 1997 It has been said that the part of Medieval history which scholars find most challenging to elucidate is the emotional life of Medieval families Indeed it is an area that is surrounded by a sense of mystery and superstition In *The Rescue of the Innocents* Ronald Finucane seeks to examine this area by focusing on the influence of miracles on the lives of children during the Middle Ages Finucane explores rampant reports of miraculous happenings delving into the experiences of six hundred children who were rescued cured or resuscitated it was thought by the holy dead He analyzes the impact that these wonders had on the families of the children comparing the differences between experiences of families in the north and the south of Europe The reactions of mothers in particular in comparison to fathers and other kin are studied for their distinctive quality In addition Finucane breaks with the traditions of Medieval historians and concentrates on only one type of source hagiographical records BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved

The Rescue of the Innocents Ronald C. Finucane, 2000 In *The Rescue of the Innocents* Richard Finucane looks at the influence of miracles on the lives of children during the Middle Ages Finucane explores rampant reports of miraculous happenings delving into the experiences of six hundred children who were rescued cured or resuscitated it was thought by the holy dead He analyzes the impact that these wonders had on the families of the children comparing the differences between experiences of families in the north and the south of Europe The reactions of mothers in particular in comparison to fathers and other kin are studied for their distinctive quality In addition Finucane breaks with the traditions of Medieval historians and concentrates on only one type of source hagiographical records In so doing he produces a wealth of fascinating material sharing with readers the experiences of grief joy and belief among Medieval families

A Companion to Medieval Miracle Collections, 2021-09-06 Miracle accounts provide a window into the views and conceptions of the laity the uneducated women and even children whose voices are mostly missing from other types of sources They are not however simple to use This volume offers a methodological insight into the medieval world of the miraculous Consisting of 15 cutting edge articles by leading scholars in

the field it provides versatile approaches to the origins methods and recording techniques of various types of miracle narratives It offers fascinating case studies from across Europe which show how miracle accounts can be used as a source for various topics such as lived religion healing protection and family and gender Contributors are Nicole Archambeau Leigh Ann Craig Ildik Csepregi Jussi Hanska Emilia Jamrozak Sari Katajala Peltomaa Jenni Kuuliala Iona McCleery Jyrki Nissi Roberto Paciocco Donald S Prudlo Marika R s nen Jonas Van Mulder and Louise Elizabeth Wilson

Disability in Medieval Europe Irina Metzler,2006-06-07 This impressive volume presents a thorough examination of all aspects of physical impairment and disability in medieval Europe Examining a popular era that is of great interest to many historians and researchers Irene Metzler presents a theoretical framework of disability and explores key areas such as medieval theoretical concepts theology and natural philosophy notions of the physical body medical theory and practice Bringing into play the modern day implications of medieval thought on the issue this is a fascinating and informative addition to the research studies of medieval history history of medicine and disability studies scholars the English speaking world over

Youth and Age in the Medieval North Shannon Lewis-Simpson,2008 This interdisciplinary volume explores social cultural and biological definitions of youth and age specific to the medieval north and changing mentalities towards youth and age as a result of political cultural and religious transformations in the north

Misconceptions About the Middle Ages Stephen Harris,Bryon L. Grigsby,2010-05-26 Interest in the middle ages is at an all time high at the moment thanks in part to The Da Vinci Code Never has there been a moment more propitious for a study of our misconceptions of the Middle Ages than now Ranging across religion art and science Misconceptions about the Middle Ages unravels some of the many misinterpretations that have evolved concerning the medieval period including the church war science art society With an impressive international array of contributions the book will be essential reading for students and scholars involved with medieval religion history and culture

Early Modern Childhood Anna French,2019-10-08 Early Modern Childhood is a detailed and accessible introduction to childhood in the early modern period which guides students through every part of childhood from infancy to youth and places the early modern child within the broader social context of the period Drawing on the work of recent revisionist historians the book scrutinises traditional historiographical views of early modern childhood challenging the idea that the concept of childhood didn t exist in this period and that families avoided developing strong affections for their children because of the high death rate Instead this book reveals a more intricately detailed character of the early modern child and how childhood was viewed and experienced Divided into five parts it brings together the work of historians art historians and literary scholars to discuss a variety of themes and questions surrounding each stage of childhood including the household pregnancy infancy education religion gender illness and death Chapters are also dedicated to the topics of crime illegitimacy and children s clothing providing a broad and varied lens through which to view this subject Exploring the evolution in understanding of the early modern child Early Modern Childhood is the ideal book for students of

the early modern family early modern childhood and early modern gender *Sunday* Craig Harline, 2011-09-13 The mere mention of Sunday will immediately conjure up a rich mix of memories associations and ideas for most anyone of any age Whatever we think of be it attending church reading a bulky newspaper eating brunch or watching football Sunday occupies a unique place in Western civilization But how did we come to have a day with such a singular set of traditions Here historian Craig Harline examines Sunday from its ancient beginnings to contemporary America in a fascinating blend of stories and analysis For the earliest Christians the first day of the week was a time to celebrate the liturgy observe the Resurrection and work But over time Sunday in the Western world took on still other meanings and rituals especially in the addition of both rest and recreation to the day s activities Harline illuminates these changes in enlightening profiles of Sunday in medieval Catholic England Sunday in the Reformation and Sunday in nineteenth century France home of the most envied and sometimes despised Sunday of the modern world He continues with moving portraits of soldiers and civilians trying to observe Sunday during World War I examines the quiet Sunday of England in the 1930s and concludes with the convergence of various European traditions in the American Sunday which also adds some distinctly original habits of its own such as in the realms of commerce and professional sports With engaging prose and scholarly integrity Sunday is an entertaining and long overdue look at a significant hallmark of Western culture

Wandering Women and Holy Matrons Leigh Ann Craig, 2009 This book explores womena TM s experiences of pilgrimage in Latin Christendom between 1300 and 1500 C E Later medieval authors harbored grave doubts about womena TM s mobility literary images of mobile women commonly accused them of lust pride greed and deceit Yet real women commonly engaged in pilgrimage in a variety of forms both physical and spiritual voluntary and compulsory and to locations nearby and distant Acting within both practical and social constraints such women helped to construct more positive interpretations of their desire to travel and of their experiences as pilgrims Regardless of how their travel was interpreted those women who succeeded in becoming pilgrims offer us a rare glimpse of ordinary women taking on extraordinary religious and social authority

Infirmity in Antiquity and the Middle Ages Christian Krötzel, Katariina Mustakallio, Jenni Kuuliala, 2016-03-09 This volume discusses infirmitas infirmity or weakness in ancient and medieval societies It concentrates on the cultural social and domestic aspects of physical and mental illness impairment and health and also examines frailty as a more abstract cultural construct It seeks to widen our understanding of how physical and mental well being and weakness were understood and constructed in the longue dur e from antiquity to the Middle Ages The chapters are written by experts from a variety of disciplines including archaeology art history and philology and pay particular attention to the differences of experience due to gender age and social status The book opens with chapters on the more theoretical aspects of pre modern infirmity and disability moving on to discuss different types of mental and cultural infirmities including those with positive connotations such as medieval stigmata The last section of the book discusses infirmity in everyday life from the perspective of healing medicine and care

Medicine

and the Law in the Middle Ages, 2014-03-27 Medicine and the Law in the Middle Ages offers fresh insight into the intersection between these two distinct disciplines A dozen authors address this intersection within three themes medical matters in law and administration of law professionalization and regulation of medicine and medicine and law in hagiography The articles include subjects such as medical expertise at law on assault pregnancy rape homicide and mental health legal regulation of medicine roles physicians and surgeons played in the process of professionalization canon law regulations governing physical health and ecclesiastical leaders and connections between saints judgments and the bodies of the penitent Drawing on primary sources from England France Frisia Germany Ireland Italy Portugal and Spain the volume offers a truly international perspective Contributors are Sara M Butler Joanna Carraway Vitiello Jean Dangler Carmel Ferragud Fiona Harris Stoertz Maire Johnson Hiram K mper Iona McCleery Han Nijdam Kira Robison Donna Trembinski Wendy J Turner and Katherine D Watson

Birth Passages Theresa M. Krier, 2001 Birth Passages offers a provocative and eloquent challenge to the nostalgia for the maternal sometimes influenced by classic Freudian theory which pervades many discourses Theresa M Krier suggests an alternative to the common characterizations of the maternal as a force inspiring both desire and dread a force that must be repressed if subjectivity and culture are to be established Instead drawing on the work of Melanie Klein D W Winnicott and Luce Irigaray Krier seeks to establish a new model of the relationship between mother and infant one in which birth is seen not as the tragic ending to the prenatal union but rather as the child s claiming both distance from and proximity to this parent Krier s insightful readings of poetic works from antiquity the Middle Ages and the Renaissance show these texts in opposition to their cultures insistent nostalgia for the maternal Their authors she maintains recognize such longing as a symptom of a glamorous but false and disabling fantasy In her analysis of the Song of Songs Lucretius s De rerum natura Chaucer s Parlement of Foules Spenser s Amoretti and Faerie Queene and Shakespeare s Love s Labor s Lost and The Winter s Tale Krier details how the writings represent the intersubjective nature of birth

Children and Childhood in Western Society Since 1500 Hugh Cunningham, 2020-06-10 Updated to incorporate recent scholarship on the subject this new edition of Hugh Cunningham s classic text investigates the relationship between ideas about childhood and the actual experience of being a child and assesses how it has changed over the span of 500 years Through his engaging narrative Hugh Cunningham tells the story of the development of ideas from the Renaissance to the present revealing considerable differences in the way Western societies have understood and valued childhood over time His survey of parent child relationships uncovers evidence of parental love care and in the frequent cases of child death grief throughout the period concluding that there was as much continuity as change in the actual relations of children and adults across these five centuries Since the book s first publication in 1995 the volume of historical research on children and childhood has escalated hugely and is testimony to the level of concern provoked by the dominance of the negative narrative that originated in the 1970s and 1980s A new epilogue revisits the volume from today s perspective analysing why this negative narrative

established dominance in Western society and considering how it has affected historical writing about children and childhood enabling the reader to put both this volume and recent debates into context Supported by an updated historiographical discussion and expanded bibliography Children and Childhood in Western Society since 1500 remains an essential resource for students of the history of childhood the history of the family social history and gender history **Parenting** George W. Holden,2014-10-10 Written from a psychological perspective while integrating cross disciplinary viewpoints this fully updated Second Edition takes a parent centered approach to exploring topics such as the reasons behind parental behavior the effect parents and children have on one another and social policy s ability to help families Including the latest statistics on family functioning and with coverage of contemporary issues George Holden s Parenting conveys the process of parenting in all its complexities **A Bishop's Tale** Craig Harline,Eddy Put,2008-10-01 This absorbing book takes us back to the busy colorful world of a Netherlandish Catholic bishop and his flock during the age of Reformation It is drawn from a rare journal one of many kept by Mathias Hovius from 1596 to 1620 while he was Archbishop of Mechelen part of modern Belgium Elegantly written the book focuses not only on the life of Mathias Hovius but also on key events and characters of his time it portrays lived religion so that we see people from all sides getting involved in the constant negotiation of what it meant to be a good Catholic Craig Harline and Eddy Put recreate the eventful life and times of Mathias Hovius a world in which other believers were outright heretics the nagging fevers of old age were the result of unbalanced bodily humors and a corruptible earth rested motionless at the center of the universe while God sat exalted on a throne just beyond the fixed stars The authors also tell the stories of monks nuns priests millers pilgrims peasant women saints town and village councils and ordinary parishioners each story fascinating in its own right illustrates a major theme in the history of the Catholic Reformation In the end Harline and Put have painted a picture teeming with life and energy Childhood in the Middle Ages and the Renaissance Albrecht Classen,2011-12-22 Earlier theses on the history of childhood can now be laid to rest and a fundamental paradigm shift initiated as there is an overwhelming body of evidence to show that in medieval and early modern times too there were close emotional relations between parents and children The contributors to this volume demonstrate conclusively on the one hand how intensively parents concerned themselves with their children in the pre modern era and on the other which social political and religious conditions shaped these relationships These studies in emotional history demonstrate how easy it is for a subjective choice of sources coupled with faulty interpretations caused mainly by modern prejudices toward the Middle Ages in particular to lead to the view that in the past children were regarded as small adults The contributors demonstrate convincingly that intense feelings admittedly often different in nature shaped the relationship between adults and children **Beyond the Century of the Child** Willem Koops,Michael Zuckerman,2012-10-30 In 1900 Ellen Key wrote the international bestseller The Century of the Child In this enormously influential book she proposed that the world s children should be the central work of society during the twentieth century

Although she never thought that her century of the child would become a reality in fact it had much more resonance than she could have imagined The idea of the child as a product of a protective and coddling society has given rise to major theories and arguments since Key s time For the past half century the study of the child has been dominated by two towering figures the psychologist Jean Piaget and the historian Philippe Ari s Interest in the subject has been driven in large measure by Ari s s argument that adults failed even to have a concept of childhood before the thirteenth century and that from the thirteenth century to the seventeenth there was an increasing childishness in the representations of children and an increasing separation between the adult world and that of the child Piaget proposed that children s logic and modes of thinking are entirely different from those of adults In the twentieth century this distance between the spheres of children and adults made possible the distinctive study of child development and also specific legislation to protect children from exploitation abuse and neglect Recent students of childhood have challenged the ideas those titans promoted they ask whether the distancing process has gone too far and has begun to reverse itself In a series of essays *Beyond the Century of the Child* considers the history of childhood from the Middle Ages to modern times from America and Europe to China and Japan bringing together leading psychologists and historians to question whether we unnecessarily infantilized children and unwittingly created a detrimental wall between the worlds of children and adults Together these scholars address the question whether a hundred years after Ellen Key wrote her international sensation the century of the child has in fact come to an end **Crying in the**

Middle Ages Elina Gertsman, 2012-02-20 Sacred and profane public and private emotive and ritualistic internal and embodied medieval weeping served as a culturally charged prism for a host of social visual cognitive and linguistic performances *Crying in the Middle Ages* addresses the place of tears in Jewish Christian and Islamic cultural discourses providing a key resource for scholars interested in exploring medieval notions of emotion gesture and sensory experience in a variety of cultural contexts Gertsman brings together essays that establish a series of conversations with one another foregrounding essential questions about the different ways that crying was seen heard perceived expressed and transmitted throughout the Middle Ages In acknowledging the porous nature of visual and verbal evidence this collection foregrounds the necessity to read language image and experience together in order to envision the complex notions of medieval crying

Medicine and Religion c.1300 Joseph Ziegler, 1998-07-09 This book takes a fresh look at the cultural role of medicine among learned people around 1300 It was at this time that learned medicine came to be fully incorporated into the academic system and began to win greater social acceptance Joseph Ziegler argues that physicians and clerics did not confine the role of medicine to its physical therapeutic function and that fusion rather than disjunction characterized the relationship between medicine and religion at that time Much of this argument relies on language analysis and on a close study of unedited manuscript sources By juxtaposing the spiritual writings and the medical output of two learned physicians Arnau de Vilanova c 1238 1311 and Galvano da Levanto fl 1300 Dr Ziegler shows that they saw a medical purpose namely to ensure

the spiritual health of their audience and to reveal the mysteries of God and creation. When entering the spiritual realm, both brought to it a medical framework and extended their medical knowledge and curative activities from body to soul. By examining preachers' manuals and sermons, the author suggests that a growing tendency emerged among clerics in general and preachers in particular to appropriate current medical knowledge for spiritual purposes and to substantiate their extensive use of medical metaphors, analogies, and exempla by citing specific medical authorities.

Rescue Of The Innocents Endangered Children In Medieval Miracles: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the captivating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Rescue Of The Innocents Endangered Children In Medieval Miracles : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and gripping novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.

Rescue Of The Innocents Endangered Children In Medieval Miracles Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to

historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Rescue Of The Innocents Endangered Children In Medieval Miracles free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Rescue Of The Innocents Endangered Children In Medieval Miracles free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Rescue Of The Innocents Endangered Children In Medieval Miracles free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Rescue Of The Innocents Endangered Children In Medieval Miracles. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Rescue Of The Innocents Endangered Children In Medieval Miracles any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Rescue Of The Innocents Endangered Children In Medieval Miracles Books

What is a Rescue Of The Innocents Endangered Children In Medieval Miracles PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Rescue Of The Innocents Endangered Children In Medieval Miracles PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Rescue Of The Innocents Endangered Children In Medieval Miracles PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Rescue Of The Innocents Endangered Children In Medieval Miracles PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Rescue Of The Innocents Endangered Children In Medieval Miracles PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
