

THE RESCUE OF DANISH JEWRY

Test of a Democracy

The rescue of Danish Jewry in October of 1943 from what would have been certain annihilation at the hands of the Germans became a legend even as it was being implemented. *This is the factual story of that rescue and of the valiant people who made it possible.*

Rescue Of Danish Jewry:

The Rescue of the Danish Jews Leo Goldberger, 1987 An immensely valuable contribution As the last generation of witnesses to the Holocaust testify to its horrors they must also testify to its heroes those who risked all to save lives These movingly told stories restore our faith in the human spirit William Shirer The mystery of the rescue phenomenon will probably always elude us As the rescuers narratives in this remarkable volume show the acts of saving Jews seemed spontaneous and natural and thus the mystery of the rescue act begins to unravel radiantly The insights which this interdisciplinary collection of essays subtly pieces together show in unique fashion the preconditions or the possibilities of individual and collective courage Dennis B Klein author of *Jewish Origins of the Psychoanalytic Movement* A distinguished group of internationally known individuals Jews and non Jews rescuers and rescued offer their enriching first person accounts and reflections that explore the question Why did the Danes risk their lives to rescue the Jewish population A Conspiracy of Decency Emmy E. Werner, 2002-11-06 The dramatic and compelling rescue of the Danish Jews from the hands of the Nazis told through firsthand accounts and personal stories *The Rescue of Danish Jewry* Leni Yahil, 1969 Bog om de danske jøders flugt til Sverige i oktober 1943 jødernes historie i Danmark den tyske besættelse og den danske modstandsbevægelse Der gennemgås det politiske liv i landet med den danske samarbejdspolitik sammenbrud den dansk nazisme og antisemitisme og deportation til koncentrationslejren Theresienstadt Bogen fortæller også om livet som flygtning i Sverige samt i det befriede Danmark *The Rescue of the Danish Jews* Dennis B. Klein, 1993 *Countrymen* Bo Lidegaard, 2013-09-17 Amid the dark ghastly history of World War II the literally extraordinary story never before fully researched by a historian of how the Danish people banded together to save their fellow Jews from the Nazis told through the remarkable unpublished diaries and documents of families forced to run for safety leaving their homes and possessions behind and of those who courageously came to their aid In 1943 with its king and administration weakened but intact during the Nazi occupation Denmark did something that no other country in Western Europe even attempted Anticipating that the German occupying powers would soon issue the long feared order to round up the entire population of Jews for deportation to concentration camps the Danish people stood up in defiance and resisted The king politicians and ordinary civilians were united in their response these threatened people were not simply Jews but fellow Danes who happened to be Jewish and no one would help in rounding them up for confinement and deportation While diplomats used their limited but very real power to maneuver and impede matters in both Copenhagen and Berlin the warning that the crisis was at hand quickly spread through the Jewish community Over fourteen harrowing days as they were helped hidden and protected by ordinary people who spontaneously rushed to save their fellow citizens an incredible 7 742 out of 8 200 Jewish refugees were smuggled out all along the coast on ships schooners fishing boats anything that floated to Sweden While the bare facts of this exodus have been known for decades astonishingly no full history of it has been written Unfolding on a day to day basis *Countrymen*

brings together accounts written by individuals and officials as events happened offering a comprehensive overview that underlines occupied Denmark's historical importance to Hitler as a prop for the model Nazi state and revealing the savage conflict among top Nazi brass for control of the country This is a story of ordinary glory of simple courage and moral fortitude that shines out in the midst of the terrible history of the twentieth century and demonstrates how it was possible for a small and fragile democracy to stand against the Third Reich The Rescue of the Danish Jews Leo Goldberger,1987 An immensely valuable contribution As the last generation of witnesses to the Holocaust testify to its horrors they must also testify to its heroes those who risked all to save lives These movingly told stories restore our faith in the human spirit William Shirer The mystery of the rescue phenomenon will probably always elude us As the rescuers' narratives in this remarkable volume show the acts of saving Jews seemed spontaneous and natural and thus the mystery of the rescue act begins to unravel radiantly The insights which this interdisciplinary collection of essays subtly pieces together show in unique fashion the preconditions or the possibilities of individual and collective courage Dennis B Klein author of *Jewish Origins of the Psychoanalytic Movement* A distinguished group of internationally known individuals Jews and non-Jews rescuers and rescued offer their enriching first person accounts and reflections that explore the question Why did the Danes risk their lives to rescue the Jewish population **Rescuing the Danish Jews** Ann Byers,2012-01-01 Examines the rescue of the Danish Jews during World War II including background on Denmark and the Holocaust firsthand accounts from the many people involved and how thousands of Jews were saved from the Nazis Provided by publisher **Countrymen** Bo Lidegaard,2014-03 The rescue of the Danish Jews from Nazi persecution in October 1943 is a unique exception to the tragic history of the Holocaust Within a few weeks some 7 000 people managed to escape What made this possible This book tells the story of how during WWII the people of Denmark rallied to save their Jewish population from the Nazis **Rescuing the Danish Jews** Ann Byers,2012-01-01 Bent Melchior a fourteen year old Danish Jew was crammed into the hold of a fishing boat but this was not a normal fishing trip Surviving the crowded filthy conditions on this trip meant reaching freedom After many hours at sea Melchior had reached safety in Sweden The remarkable story of rescuing the Danish Jews has many heroic tales In the midst of World War II and the slaughter of millions in the Holocaust the Danes resisted Nazi brutality and saved thousands of people from death **Boats in the Night** Martha Loeffler,2000 The rescue of Danish Jewry [Ḥaṣālat haj-jehūdīm bi-Denjā, engl.] Test of a democracy Leni Yahil,1969 **Holocaust a History** Deborah Dwork,Robert Jan Pelt,2003-08-26 Unrivalled in scope Holocaust is a story of all Europe of the vast sweep of events in which this great atrocity was rooted from the Middle Ages to the modern era *Resisters, Rescuers, and Refugees* John J. Michalczyk,1997-09 Fifty years after World War II critical issues of this international conflict still haunt our society today in business war crimes trials and international relations This text focuses on the historical issues of Christian rescue of Jews resistance to Nazi oppression and the plight of the refugee in light of current problems facing us The essays in this book from nationally and internationally

known scholars reveal that the Holocaust was not only a Jewish tragedy but an epic human tragedy as well one that has indelibly scarred the collective soul of twentieth century society As these scholars and witnesses provide insights into the historical context of World War II and the Holocaust they also assist us in regulating the future behavior of ourselves our country and our world *The Rescue of the danish jews* ,1984 **October 1943** Therkel Stræde,1993 **Nordic Traces in Israel** Orna Keren-Carmel,2024-11-28 For many years historians have not given due attention to the relations between the Nordic countries and Israel As a consequence the existing body of research on this topic is almost entirely conducted by scholars from the social sciences especially international relations and conflict resolution studies a fact that has led to an overemphasis on their occasional interstate political disputes This book offers a fresh and exciting historical analysis of their relations during the three decades following Israel s establishment in 1948 focusing on their connection points and mutual influences in various fields Furthermore it is mapping Israel geographically according to the traces of diverse Nordic Israeli initiatives throughout the years In recent years scholarship on Nordic studies has yielded new research areas regarding the influence of these countries on other parts of the world and vice versa Nordic policies attitudes and experience have been analyzed in the framework of knowledge circulation and this in turn sparked a renewed scholarly interest in the Nordic model s The book fits into this stream of research by arguing that close historical investigation helps to construct and sometimes also deconstruct the fluid definition of the Nordic model s By focusing on the intersection between Israel studies and Nordic studies it provides insights into the complex yet fascinating relations that developed between these countries since the mid twentieth century **Weird Scientists □ the Creators of Quantum Physics** Jeffrey Strickland,2011-09-04 *Weird Scientists* is a sequel to *Men of Manhattan* As I wrote the latter about the nuclear physicists who brought in the era of nuclear power quantum mechanics or quantum physics was unavoidable Many of the contributors to the science of splitting the atom were also contributors to quantum mechanics Atomic physics particle physics quantum physics and even relativity are all interrelated This book is about the men and women who established the science that shook the foundations of classical physics removed determinism from measurement and created alternative worlds of reality The book introduces fundamental concepts of quantum mechanics roughly in the order they were discovered as a launching point for describing the scientist and the work that brought forth the concepts **Rescue in Denmark** Harold Flender,2019-08-09 German troops entered Denmark a country of four and a half million persons on April 9 1940 and three years passed before the purge against Danish Jews was begun On the night of October 1 1943 the Nazi boot kicked open doors in rooms largely empty Only a fraction of the Danish Jews 472 were caught and sent to Theresienstadt Concentration Camp where 53 of them died The remaining 7 500 escaped thanks to one German and several thousands of their countrymen How That was the question that puzzled the American journalist and television writer Harold Flender He returned to Denmark for intensive research among rescuers and rescued and in archives This book is the result Flender brings out the risks and agonies the drama and the heroism in

Hour of Need Ralph Shayne, 2023-09-12 Hour of Need is a graphic novel telling the true story of the resistance to Nazi rule in Denmark during World War II and the heroes that saved the Danish Jews by helping them evacuate to Sweden In the Hans Christian Andersen fairy tale legend had it that should danger ever come to Denmark the mighty warrior Holger Danske promised to wake from his centuries long slumber to protect its citizens When the Nazis move to round up young Mette and her fellow Danish Jews in a surprise raid in 1943 after years of letting Denmark rule its people her father must make life and death decisions to save his family Overnight they have become refugees at the mercy of the complete strangers they meet during their escape The mythical Holger Danske s promise to the Danish people manifests in the compassion and bravery of a school teacher turned resistance leader and other ordinary citizens who bravely defy the Nazi regime to come to her rescue in her hour of need Told from the point of view of Mette returning to Denmark years later with her grandchildren Hour of Need tells the story of how the people of an occupied nation from king to fisherman risked their lives to evacuate their Jewish countrymen to Sweden in small fishing boats Hour of Need is a tribute to the heroes that saved the Danish Jews and how humanity triumphs in the darkest hours Developed in partnership with the Illinois Holocaust Museum and Education Center Find out more at ilholocaustmuseum.org

Antisemitism in the North Jonathan Adams, Cordelia Heß, 2019-12-02 Is research on antisemitism even necessary in countries with a relatively small Jewish population Absolutely as this volume shows Compared to other countries research on antisemitism in the Nordic countries Denmark the Faroe Islands Finland Greenland Iceland Norway and Sweden is marginalized at an institutional and staffing level especially as far as antisemitism beyond German fascism the Second World War and the Holocaust is concerned

Furthermore compared to scholarship on other prejudices and minority groups issues concerning Jews and anti Jewish stereotypes remain relatively underresearched in Scandinavia even though antisemitic stereotypes have been present and flourishing in the North ever since the arrival of Christianity and long before the arrival of the first Jewish communities This volume aims to help bring the study of antisemitism to the fore from the medieval period to the present day Contributors from all the Nordic countries describe the status of as well as the challenges and desiderata for the study of antisemitism in their respective countries
