Rescue The Ethiopian Jews A Memoir 19551995:

Rescue the Ethiopian Jews! Graenum Berger, 1997 Operation Solomon Stephen Spector, 2005-03-15 Operation Solomon was one of the most remarkable rescue efforts in modern history in which more than 14 000 Ethiopian Jews were airlifted to Israel in little more than a day In this riveting volume Stephen Spector offers the definitive account of this incredible story based on over 200 interviews and exclusive access to confidential documents Written with the pace and immediacy of a novel here is the dramatic story of the rescue of the dark skinned Jews of Ethiopia Spector recounts how 20 000 Jews were willingly lured from their ancestral villages to Addis Ababa expecting to be taken quickly from there to the Holy Land Instead they became pawns in a struggle between the Israeli government and Ethiopia s repressive dictator who tried to coerce Israel into selling him weapons he needed in a losing war against rebel armies In the resulting stalemate the Jewish community was forced to live for nearly a year in squalid hovels vulnerable to the dangers of the city including crime and HIV Worse yet the imminent collapse of Addis Ababa with the rebels closing in on the capital raised the threat of bloody street fighting or even a genocidal attack on the Jews a small minority in a nation that is primarily Christian and Muslim Spector describes the tense negotiations among Israelis Ethiopians and Americans which became increasingly urgent as time ran low and the danger mounted And he highlights the secret deals and sudden setbacks that nearly aborted the mission at the eleventh hour even as Israeli jets sat on the runway in Ethiopia waiting to take the Jews to the land for which they had yearned for generations Recounting the full story for the first time Operation Solomon is a stirring account of a heroic rescue achieved in the face of daunting odds **American Jewish Year Book** The American Jewish Committee, 2000 The Library owns the volumes of the American Jewish Yearbook from 1899 current **Jewish Communities in Exotic Places** Ken Blady, 2000 Jewish Communities in Exotic Places examines seventeen Jewish groups that are referred to in Hebrew as edot ha mizrach Eastern or Oriental Jewish communities These groups situated in remote places on the Asian and African Jewish geographical periphery became isolated from the major centers of Jewish civilization over the centuries and embraced some interesting practices and aspects of the dominant cultures in which they were situated **Collected Memoirs** Ruth Gruber, 2018-04-24 Three poignant and powerful memoirs from the award winning journalist human rights advocate and fearless chronicler of the Jewish struggle The New York Times Winner of the National Jewish Book Award for her biography of the pioneering Israeli nurse Raquela Prywes Ruth Gruber lived an extraordinary life as a foreign correspondent photographer humanitarian and author This collection is comprised of three of her most gripping memoirs covering many of the most significant historical events in the first half of the twentieth century Ahead of Time At the tender age of eighty the trailblazing journalist looked back on her remarkable first twenty five years growing up in a Brooklyn shtetl entering New York University at fifteen becoming the world s youngest person to earn a PhD at nineteen in Cologne Germany being exposed to Hitler s rise to power and becoming the first American to travel to Siberia at the age of twenty four reporting on

From Tragedy to Triumph Mitchell G. Bard, 2002-06-30 From 1984 to 1991 Israel conducted a series of dramatic rescues bringing thousands of Ethiopian Jews to the state of Israel Codenamed Operation Sheba this effort involved various covert means including large scale airlifts and exchanges for arms to save these Jews from intolerable conditions in Ethiopia and the Sudan But as dramatic and uplifting as this effort was there are still troubling questions about why it took so many years for Israel to act on behalf its African compatriots This is the complete story behind the Israeli rescue of the Jews of Ethiopia how tragedy was turned into triumph These rescue operations represented the culmination of complex political maneuvering in Israel and illustrated what Israeli resolve can accomplish when Jewish lives are endangered It was an inspiring effort as William Safire wrote at the time thousands of black people are being brought to a country not as slaves but as citizens On the other hand there is much to deplore how long it took for the leaders of Israel to recognize and take action to save this ancient African branch of the Jewish Diaspora known as the Falasha The reasons are the result of the complex intersection of Israeli geostrategy pressure from the American Jewish community and Ethiopian domestic politics as well as racism and debates about the Jewishness of the Falasha community The International Migration Review ,1999

Eurasian Empires as Blueprints for Ethiopia Asnake Kefale, Tomasz Kamusella, Christophe Van der Beken, 2021-02-17 This book is a contribution to the global history of the transfer of political ideas as exemplified by the case of modern Ethiopia Like many non European nation states Ethiopia adopted a western model of statehood that is the nation state Unlike the postcolonial polities that have retained the mode of statehood imposed on them by their colonial powers Ethiopia was never successfully colonized leaving its ruling elite free to select a model of modern western statehood In 1931 via Japan they adopted the model of unitary ethnolinguistically homogenous nation state in turn copied by Tokyo in 1889 from the German Empire founded in 1871 Following the Ethiopian Revolution 1974 that overthrew the imperial system the new revolutionary elite promised to address the nationality question through the marxist leninist model The Soviet model of ethnolinguistic federalism originally derived from Austria Hungary was introduced in Ethiopia first in 1992 and officially with the 1995 Constitution To this day the politics of modern Ethiopia is marked by the tension between these two opposed models of the essentially central European type of statehood The late 19th century German German quarrel on the proper model of national statehood for Germany or more broadly modern central Europe remains the quarrel of Ethiopian politics nowadays The book will be useful for scholars of Ethiopian and African history and politics and also offers a case in comparative studies on the subject of different models of national statehood elsewhere
