Rescuing Homosexuals In The House Of God:

A Biblical Analysis of Corrective Church Discipline: God's Loving Plan to Rescue and Restore Believers Dr. Todd M. Fink, 2019-03-08 Corrective church discipline is probably the most difficult task of a church and its leaders. It's often time consuming, ugly, has fallout, and usually involves criticism. Therefore, rather than deal with the difficulties of implementing church discipline, we often look for ways to get around it so we don't have to deal with the problems it might entail. This might be an easier approach, but it's not the biblical approach. This book tackles this important doctrine head on and seeks to let God say what He intended to say about church discipline. After all, He is the one who spoke about it in the first place.

God's Grace and the Homosexual Next Door Alan Chambers, **The De-Evolution of the Black Church** L.D. Williams, 2017-01-23 This book is a look at the entity individually and collectively called the black church from its beginnings as an ethnic enclave comprised of African slaves and their descendants into an organization dedicated to the spiritual empowerment of its members in their respective communities in these United States. Beginning with an exploration of the author's personal introduction to the black church from childhood to adulthood, the book also gives background of the church's historical origins in the United States. The question believers and church members alike should ask themselves is whether the black church has maintained its relevance and power by evolving into a business for profit for one or a select few members or must the black church de-evolve to its social and spiritual beginnings spawned in part by slavery and the fight for equal rights in the Civil Rights Movement that made it so revered, treasured, and respected. Understanding Homosexuality David N. Glesne, 2005 This book is born out of the experience of one ministering in a congregational setting to the joys and sorrows of people struggling with a variety of life issues including homosexual experiences. The author addresses the critical questions regarding homosexuality from within the setting of the local church and seeks answers that are consistent with Scriptures and historic Christianity. Two Views on Homosexuality, the Bible, and the Church Zondervan, 2016-11-29 Unique among most debates on homosexuality, this book presents a constructive dialogue between people who disagree on significant ethical and theological matters and yet maintain a respectful and humanizing posture toward one another. Few topics are more divisive today than homosexuality. Two Views on Homosexuality, the Bible, and the Church brings a fresh perspective to a well-worn debate. While Christian debates about homosexuality are most often dominated by biblical exegesis, this book seeks to give much needed attention to the rich history of received Christian tradition, bringing the Bible into conversation with historical and systematic theology. To that end, both theologians and biblical scholars well accomplished in their fields and conversant in issues of sexuality and gender articulate and defend each of the two views. Affirming, represented by William Loader and Megan K. DeFranza, Traditional, represented by Wesley Hill and Stephen R. Holmes. The main essays are followed by insightful responses that interact with their fellow essayists with civility. Holding to a high view of Scripture, a commitment to the gospel and the church, and a love for people, especially those most affected by this topic, the

contributors wrestle deeply with the Bible and theology especially the prohibition texts the role of procreation gender complementarity and pastoral accommodation The book concludes with reflections from general editor Preston Sprinkle on the future of discussions on faith and sexuality The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion

101 Frequently Asked Questions About Homosexuality Mike Haley, 2004-06-01 101 Probing Questions 101 Compassionate and Scriptural Answers from Focus on the Family's Mike Haley Almost daily we hear news reports that confirm the acceptance of homosexuality in our culture Homosexuals are adopting children appearing as characters on television programs taking vacations catering to an exclusively gay clientele and even seeking the right to marry their partners But is this acceptance healthy for society Few topics can raise so many questions so quickly And for many readers those questions hit close to home as they learn of the homosexuality of a loved one or close friend Here are the answers to the most often asked questions about homosexuality fielded by an expert on the subject and a former homosexual himself *Homosexuality* Joseph Walter Miller, 2016-07-26 For many today the issue of homosexuality is easily and clearly settled in scripture The issue for them is one of scriptural authority One either obeys the command found in scripture or one does not Yet for others the scriptural commands are not nearly as clear as claimed and the issue is not obedience but rather interpretation It is not whether one will obey God's will once known but determining if in fact traditional interpreters have discovered God's will Joe Miller Jr a retired pastor with a deep concern from LGBT persons in his community and church tackles this subject by examining not just the scriptures but also the people who interpret them and the theology and science they use to do so He believes that a scriptural case can be made for the full acceptance of LGBT and that to truly follow Jesus and care for the least of these demands nothing less **Pastoral Care of Gays, Lesbians, and Their Families** David K. Switzer, John Thornburg, 1999 This book written by a pastoral theologian with many years of experience in counseling gay and lesbian individuals and their families assists both pastoral caregivers and congregations in examining and enhancing their pastoral care of homosexuals and their families A deeply thoughtful book written with great sensitivity Pastoral Care of Gays Lesbians and Their Families provides factual information theological and biblical insight and practical counseling skills to help congregations become caring communities for gays and lesbians *The Gay Dilemma and Your Church* John Freeman, 2013-09-30 Whether it's a friend family member neighbor or coworker chances are you know someone who's gay You want to respond well but you're not sure how How do you help and encourage other Christians struggling with same sex attraction How do you interact with those who have embraced homosexuality as a lifestyle both in and out of the church *Aliens in the Household of God* Paul Germond, Steve De Gruchy, 1997 This groundbreaking volume explores and challenges the prejudice and discrimination that gay people experience within South African churches Drawing from a broad and

diverse base these stories and essays suggest that heterosexism is the problem **Rescued** John Bevere, Mark Andrew Olsen, 2007-09-01 EDGE OF YOUR SEAT SUSPENSE AND SOMETHING MORE A father trapped in a terrible underwater accident A son desperate to do something anything to save him A digital read out ticking down toward certain death and a fate more horrible still For Alan Rockaway his teenaged son Jeff and Alan s new bride Jenny it s been little more than a fascinating tourist submarine excursion a leisurely end to a weeklong church couples cruise Then the horrifying crash and the plunge toward the unknown Everything Alan has assumed about himself about what awaits him in the future is flipped upside down In the ultimate rescue operation life or death is just the beginning **The Church. Homosexuality. Human Rights.** Ohenewaa Danso, 2024-04-24 This book was delivered to me in one word separation I felt it drop in my spirit like a coin I asked in my meditation what about separation what about it The answer is what you have in your hands now reading The title The Church Homosexuality Human rights hardly made any complete sense to me until I was able to liaise it with the mother word separation The title is punctuated for a purpose each of the three nouns is supposed to be a full separate and sovereign entity I mean each is because each exists However the reality of society and relationships challenges this persuasion and thus leaves the reader even me to figure out whether it s worth any effort to marry these sovereign bodies or not The writer s style is passably argumentative it is purposed to allow the reader release him herself into the billowing wave of opinions and facts on the subject so as to arrive at the shore of conviction that is very personal and independent in nature One could agree or disagree with me when I say that the of the three bodies constituting the title human rights cannot be recognized as a sovereign entity because it is owned by others all humans for that matter The same claim cannot be made for the remaining two Church is a person wife and sovereign homosexual is a person and sovereign Human rights therefore exist only as the middleman mandated to oversee the peaceful coexistence of the two But how is this peaceful coexistence to be attained rather organically For a start the middleman has asked the church and the homosexual to move a step away from entrenched positions identities and ideologies to the common floor of united sovereigns Tolerance is the only way out says the middleman But will the two commit to this tolerance method or like some contracting states of the UN will they resort to the game of unfaithfulness it s human right when it suits us and when it s convenient to get by Whatever your view whatever your prevailing conviction whatever your deeply held belief and whatever your well thought through stance regarding the marriage of the two sovereigns that is what this book in essence is about taking a stand Homosexuality Emmanuel M. Ekwo, 2010-09 I have heard many arguments questions and comments in reference to homosexuality and there is now a burden on my heart to express plainly how offensive this is in the sight of God I will try to merge all these arguments questions and comments together and balance them by the Word of God I pray you read this with an open heart and mind Well I am going to point out a few things that may come as a shock to you You must approach this subject with an open mind and form your own conclusions since mind control is about telling people what to do and how to think and I am certainly not

trying to control you or your life There are some aspects of reality that people nowadays are not taught due to an overwhelming feeling of fear created by those very aspects of reality There are mass movements of gays and lesbians going on around the world even in largely homophobic enclaves such as in many African societies All of these are not an accident folks it is a careful orchestration by the one who seeks Man s destruction I certainly see a prophetic significance in the recent homosexual upsurge The modern homosexual upsweep is one phase of a declining trend in morals When the disciples asked our Lord What shall be the sign of Thy coming and of the consummation of the age He told them that iniquity shall abound Matthew 24 3 12 There is today permissiveness and promiscuity in sexual behavior unprecedented in the history of America and of the world There is little restraint upon the widespread of materials containing pictures and writings depicting erotic behavior intended to cause sexual excitement This would be included in our Lord s prophecy about abounding iniquity

The Harvest T. D. Jakes, 2011-07-28 The harvest is past the summer has ended and we are not saved Jeremiah 8 20 Bishop T D Jakes focuses on the problems plaguing the United States of America and addresses issues that many would rather not consider Racism though more sophisticated and attitudinal is as prevalent as it was before the Civil Rights Bill Homosexuality has become an acceptable alternative lifestyle Degenerative social and moral issues result in sin and hopelessness inside churches as well as outside For it is time for judgment to begin with the family of God and if it begins with us 1 Peter 4 17 God knows who is responsible for the breakdown and corrosion within our nation the church Until now no one was willing to take responsibility for society s moral decay and no one was offering any viable long lasting solutions Today Bishop Jakes shares how you can make a difference and bring in The Harvest for the glory of God *Unchanging Witness* S. Donald Fortson, Rollin G. Grams, 2016-02-01 In *Unchanging Witness* Donald Fortson and Rollin Grams articulate the consistent orthodox view historically held everywhere always and by all by presenting primary sources throughout Christian history and by interpreting the biblical texts in their cultural contexts Search N Rescue Eddie Roman, 2019-03-01 Search and Rescue is a practical guide to reaching people with the good news of Jesus Christ Eddie has been teaching evangelism classes and leading outreaches for the past six years As producer director of Ray Comfort and Kirk Cameron s TV show *The Way of the Master* Eddie knows how to communicate deep truths in a way that is easy to grasp Many Christians want to share the gospel with friends and family but few actually do Fear of rejection stifles many Others don t share Christ because they don t know what to say Drawing insight from the bible as well as personal experience Eddie gives clear instruction on how to overcome the obstacles and share your faith **Four (and a half) Dialogues on Homosexuality and the Bible** Donald J. Zeyl, 2022-02-07 *Four and a half Dialogues on Homosexuality and the Bible* explores four different interpretive approaches to biblical texts regarding homosexuality and same sex marriage Differences of interpretation are discussed openly honestly and charitably The dialogues four characters maintain friendship with each other despite their disagreements and so the book serves as a model of how difficult potentially divisive conversations on a

controversial topic might be conducted Three of the four perspectives presented for examination are well represented in the existing literature the fourth is not as familiar and is offered and developed as a proposal for bridging the divide that persists among theologically conservative Christians who honor the authority of Scripture over their thinking and their living Ongoing conflict over this issue is destructive of the unity toward which the Bible summons all believers to strive and so the book includes also a call to create space for one another both individually and institutionally for differences in theological conclusions and in community practices Each of the dialogues begins with one of the characters telling their personal story regarding their sexuality continues with that character's case for their view and concludes with a series of suggested discussion questions

Ancient Aliens the Healing of Billie: Save Planet Earth William Stanley Henderson Jr., 2016-05-23 By writing the book of the Ancient Alien Angels the Healing of Billie I am releasing my anger at society and religion and mostly my parents for the abuse that I had placed upon me by their actions thoughts Then through forgiveness I set myself free of the past and releasing them from me so that they no longer have a hold or say or power in my life I have taken back my power from them and they no longer can make me feel like a victim a helpless child that I no longer view myself as a victim in life My book is an in depth look into my life from birth to now 65 years later every event in my life I have seen and from the eyes of the child within through my teen age years into adulthood from anger and hate to love and peace within I had locked away the inner child not wanting to face my past and as society religion and my parents had made me feel like a bad person and I did not want to show the world around me my dark past and I locked Billie in a cage and hid him from myself and the world and now Billie is free and so am I

Are You Ready? T. D. Jakes, 2013-01-15 In the past we have seen moves of God that were carried out by men in the flesh This time when we hear the Spirit call we are going to see every nation coming to Christ and saying I heard it I heard it I was praying and God spoke to me I want to be saved The world cannot get mankind together None of their programs none of their laws none of their legislation none of their marches have brought us together as one Nothing but the blood of Jesus can bring together all men from every nation tongue and kindred And now is the time It is the time of the great ingathering of God's elect Nothing but the blood of Jesus can bring mankind together ARE YOU READY
