Rescuing Jeffrey A Memoir:

Rescuing Jeffrey Richard Galli, 2001-11-06 A father writes of his determination in the days following his son's paralyzing accident to remove his quadriplegic son from life support

Believe: A Memoir in Stories Christina H. Wilson, 2024-07-09 A sickly child Christina spent a lot of time reading fairytales Never would she have imagined her real life would take on the qualities of a true Cinderella story At the age of twenty five Christina meets Jeffrey a Wall Street Titan Life becomes a whirlwind They were young they were in love and they were rich Life with Jeffrey a man who lived on his own terms was consuming and exciting until The morning of September 11 2000 at 6 a m when the phone rang the news on the other end of the call would change their lives forever It was not the beginning or the end of their story but a cataclysmic moment that joined the past to the present and to the future In this whirlwind of being can fairytales really live up to the harsh realities and tragedies of life Ultimately Christina's story is about self discovery unconditional love family and her deep belief that all that happens in life is for a reason Life Christina states is not something to regret It is something to experience Every experience is a step along the path to the full realization of who we are at our core and destined to be There should be neither judgment explanation nor expectation because life is just what it is a lesson in self discovery

The Caregiver's Tale Ann Burack-Weiss, 2006-03-14 Ann Burack Weiss explores a rich variety of published memoirs by authors who cared for ill or disabled family members Contrary to the common belief that caregiving is nothing more than a stressful situation to be endured memoirs describe a life transforming experience self discovery a reordering of one's priorities and a changed view of the world The Caregiver's Tale offers insight and comfort to individuals caring for a loved one and is a valuable resource for all health care professionals Identifying common themes Burack Weiss describes how the illness career and social meaning of cancer dementia HIV AIDS mental illness and chemical dependence affect the caregiving experience She applies the same method to an examination of family roles parents caring for ailing children couples and siblings caring for one another and adult children caring for aging parents Jamaica Kincaid Sue Miller Paul Monette Kenzaburo O and Philip Roth are among the many authors who share their caregiving stories Burack Weiss provides an annotated bibliography of the more than one hundred memoirs and an accompanying chart to help readers locate those of greatest interest to them

Unexpected Alison Piepmeier, 2021-02-23 What prenatal tests and down syndrome reveal about our reproductive choices When Alison Piepmeier scholar of feminism and disability studies and mother of Maybelle an eight year old girl with Down syndrome died of cancer in August 2016 she left behind an important unfinished manuscript about motherhood prenatal testing and disability In Unexpected George Estreich and Rachel Adams pick up where she left off honoring the important research of their friend and colleague as well as adding new perspectives to her work Based on interviews with parents of children with Down syndrome as well as women who terminated their pregnancies because their fetus was identified as having the condition Unexpected paints an intimate nuanced picture of reproductive choice in today's world Piepmeier takes

us inside her own daughter's life showing how Down syndrome is misunderstood, stigmatized and condemned particularly in the context of prenatal testing. At a time when medical technology is rapidly advancing, *Unexpected* provides a much needed perspective on our complex and frequently troubling understanding of Down syndrome. **The Art of Caregiving in**

Fiction, Film, and Memoir Jeffrey Berman, 2020-10-29 Bringing together the human story of care with its representation in film, fiction and memoir, this book combines an analysis of care narratives to inform and inspire ideas about this major role in life. Alongside analysis of narratives drawn from literature and film, the author sensitively interweaves the story of his wife's illness and care to illuminate perspectives on dealing with human decline. Examining texts from a diverse range of authors such as Leo Tolstoy, Edith Wharton and Alice Munro and filmmakers such as Ingmar Bergman and Michael Haneke, it addresses questions such as why caregiving is a dangerous activity, the ethical problems of writing about caregiving, the challenges of reading about caregiving and why caregiving is so important. It serves as a fire starter on the subject of how we can gain insight into the challenges and opportunities of caregiving through the creative arts. **Psychoanalytic Memoirs**

Jeffrey Berman, 2022-11-17 The first book length study of the psychoanalytic memoir, this book examines key examples of the genre including Sigmund Freud's mistitled *An Autobiographical Study*, Helene Deutsch's *Confrontations with Myself*, An Epilogue, Wilfred Bion's *War Memoirs* 1917-1919, Masud Khan's *The Long Wait*, Sophie Freud's *Living in the Shadow of the Freud Family* and Irvin D. Yalom and Marilyn Yalom's *A Matter of Death and Life*. Offering in each chapter a brief character sketch of the memoirist, the book shows how personal writing fits into their other work, often demonstrating the continuities and discontinuities in an author's life as well as discussing each author's contributions to psychoanalysis, whether positive or negative. *Signifying Bodies* G. Thomas Couser, 2009-10-22 Sheds new light on the memoir boom by asking: Is the genre basically about disability?

Davis's Patient-Practitioner Interaction Gina Maria Musolino, Carol M. Davis, 2025-03-24 This best selling textbook, now in its seventh edition, is the essential resource to foster the self-awareness and communication skills needed by health professionals in providing ethical, compassionate and professional care for their patients. The book begins by encouraging readers to understand change and evaluate their patterns of response so that they can adapt to patients in a range of stressful or contentious situations. Through holistic self-awareness, taking into account one's family history and personal values, the book then discusses methods of stress management before moving through the most effective ways to support and communicate with patients. There are chapters on establishing rapport, assertiveness and conflict resolution, cultural sensitivity, leadership, spirituality and patient education. Specific issues around communicating with terminally ill patients or those with disabilities are also covered. Fully updated throughout the seventh edition, now features a new chapter devoted specifically to Justice, Equity, Diversity and Inclusion, plus a new chapter covering professional formation in transitions from classroom to clinical education, including telehealth, patient-practitioner interaction, PPI, interprofessional education and early career pathways. The new edition is informed by the national Healthy People 2030 objectives while also

offering further coverage of the social determinants of health biopsychosocial aspects of health and healing and sexuality and sexual health Featuring interactive and online learning activities based on real life clinical situations as well as vignettes designed to make learning active and engaging this invaluable text is ideal for any developing professional in the health professions
