Reclaiming Social Policy Arjan de Haan, 2007-07-31 This book re evaluates the importance of social policies in shaping well being and combating exclusion and enhances understanding of how these policies are formed in a globalizing world It emphasises the context and path dependence of patterns and policies of inclusion and exclusion and provides a framework for supporting social policy making

*Issues in Social Policy* Kathleen Jones, John Brown, Jonathan Bradshaw, 2023-07-21 First published in 1978 *Issues in Social Policy* is designed as a basic textbook for social administration students in universities polytechnics and similar institutions and for students in allied fields such as medicine nursing and public administration What is meant when we talk of equality and equity as social goals Do the two conflict What are the social needs and the social resources which our society tries to reconcile Is voluntary social service any more than a frill tacked on an expanding statutory empire or perhaps a way of cutting public expenditure Is there a conflict between universalist and selectivist social policies What is the impact of deviancy theory on social policy Is the growing professionalisation of social work in the true interests of clients These are some of the questions which form the material of the book The authors see the development of social policy as central to the development of a more just society and the academic study of issues in social policy as crucial to clear thinking and effective action

James S. Coleman Dr Jon Clark, Jon Clark, 2005-08-10 James S Coleman was one of a distinguished generation of sociology students who passed through the Columbia Sociology Department in the 1940s and 50s This book critically debates his work and his contribution to society and the social sciences more generally It consists of 18 major papers by 20 authors from six countries on a range of themes The volume is framed by an extended editorial introduction reflecting on the five year exchange of correspondence between James Coleman and the editor together with two of Coleman's own works

**The Global Crisis and Transformative Social Change** P. Utting, S. Razavi, R. Varghese Buchholz, Rebecca Varghese Buchholz, 2012-03-02 Global crises not only deeply impact the economy and people's livelihoods they also unsettle basic ideas and assumptions about the meaning and drivers of development This collection of theoretical and empirical studies explores the substance and politics of policy change following the 2007-8 crisis from the perspective of developing countries

**Research in Education**, 1973 The Welfare State in Transition Norman Johnson, 1987 Focusing on welfare states in capitalist societies *The Welfare State in Transition* carries forward the debate on pluralism identifying and discussing the problems involved in transferring responsibility for welfare services from the state to the other three sectors Education

and Migration in an Asian Context Francis Peddie, Jing Liu, 2021-04-20 This edited book explores the complex and multifaceted connections between education and migration in an Asian context from multiple perspectives It features studies from China Japan India the Philippines Thailand and Timor Leste and covers diverse migration and education experiences These experiences encompass internal and international migration and forced displacement as well as questions surrounding education such as school choice education provision and training as human capital education and social inclusion and student performance in a post conflict context By covering a wide range of questions and situations the original scholarship in this book reveals how human development concerns and higher rates of movement within and outside of Asian countries operate on multiple levels in a globalized world

*Social Policy* John Baldock, Lavinia Mitton, 2011-09-22 Designed for use by undergraduates on social policy social work and sociology courses and by students on vocational training courses including postgraduate this textbook covers all the main topics of social policy

*Critical Social Work* June Allan, Linda Briskman, 2020-07-16 Another important contribution to the growing literature on critical social work It is on the cutting edge of thinking about social work and its goal of social change Kate van Heugten Social Work Review Critical Social Work starts from the premise that a central goal of social work practice is social change to redress social inequality Taking a critical theoretical approach the authors explore the links between personal and social change They confront the challenges for critical social work in the context of pressures to separate the personal from the political and in responding to the impact of changes in the socio political statutory and global contexts of practice Critical Social Work has been thoroughly revised to take into account recent social economic and political developments Coverage of theoretical frameworks has been substantially expanded and reflects current concerns such as evidence based practice and human rights The causes of people's marginalisation and oppression are examined in relation to class race ethnicity gender and other forms of social inequality Case study chapters in the earlier edition on working with immigrants Indigenous people women men families people with psychiatric disabilities and those experiencing loss and grief have been updated and revised The second edition includes new case study chapters on disability older people children rurality and violence and abuse Critical Social Work is an essential resource to inform progressive social work practice

*Not Only the Poor* Robert E Goodin, Julian Le Grand, 2018-07-20 Originally published in 1987 Not Only the Poor explores the self interested involvement of the non poor in the welfare state particularly the middle class Using evidence from Britain America and Australia they show that the non poor were crucial in the founding of the welfare state and in all three countries the non poor benefit extensively from key welfare programmes including those ostensibly targeted on the poor Goodin and Le Grand conclude that the beneficial involvement of the non poor in the welfare state is probably inevitable but this may be no bad thing depending on the alternative and on the nature of the egalitarian ideal adopted

*Refugees, Citizenship and Social Policy in Europe* A. Bloch, C. Levy, 1999-04-30 Recently global and European migration in the post Cold War world have received much attention This edited collection is a
