

INTRODUCTION TO SOCIAL WORK

MEANING AND DEFINITION

The following definition was approved by the IFSW General Meeting and the IASSW General Assembly in July 2014:

“Social work is a practice-based profession and an academic discipline that promotes social change and development, social cohesion, and the empowerment and liberation of people. Principles of social justice, human rights, collective responsibility and respect for diversities are central to social work. Underpinned by theories of social work, social sciences, humanities and indigenous knowledge, social work engages people and structures to address life challenges and enhance wellbeing. The above definition may be amplified at national and/or regional levels.”

-Global Definition of the Social Work Profession-

SCOPE OF SOCIAL WORK

The concern of social work's is to help people who are in need so that they develop the capacity *to* deal with their problems by themselves. It is both science and an art. Social is work is science in the sense that the knowledge taken from different disciplines forms the body of knowledge for a social worker and he/she uses this theoretical base for helping people i.e., for practice. What theory postulates has to be put into practice. The required capacity to do it is known as skill. Hence, professional social work with selected knowledge and the set of social work values, has to be transformed into a professional service.

A social worker has to establish a positive relationship with the clients. She should know how to interview and write reports. He/she should be able to diagnose i.e., find out the cause for the problem and finally he/she should work out a treatment plan. An Assessment of the problem, planning for its solution, implementing the plan and evaluating the outcome are the four major steps involved in social work.

Research In Social Work An Introduction

Robert R. Redfield

Research In Social Work An Introduction:

This book delves into Research In Social Work An Introduction. Research In Social Work An Introduction is a vital topic that needs to be grasped by everyone, ranging from students and scholars to the general public. The book will furnish comprehensive and in-depth insights into Research In Social Work An Introduction, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:
 - Chapter 1: Introduction to Research In Social Work An Introduction
 - Chapter 2: Essential Elements of Research In Social Work An Introduction
 - Chapter 3: Research In Social Work An Introduction in Everyday Life
 - Chapter 4: Research In Social Work An Introduction in Specific Contexts
 - Chapter 5: Conclusion
 2. In chapter 1, this book will provide an overview of Research In Social Work An Introduction. The first chapter will explore what Research In Social Work An Introduction is, why Research In Social Work An Introduction is vital, and how to effectively learn about Research In Social Work An Introduction.
 3. In chapter 2, this book will delve into the foundational concepts of Research In Social Work An Introduction. The second chapter will elucidate the essential principles that need to be understood to grasp Research In Social Work An Introduction in its entirety.
 4. In chapter 3, this book will examine the practical applications of Research In Social Work An Introduction in daily life. This chapter will showcase real-world examples of how Research In Social Work An Introduction can be effectively utilized in everyday scenarios.
 5. In chapter 4, the author will scrutinize the relevance of Research In Social Work An Introduction in specific contexts. The fourth chapter will explore how Research In Social Work An Introduction is applied in specialized fields, such as education, business, and technology.
 6. In chapter 5, this book will draw a conclusion about Research In Social Work An Introduction. The final chapter will summarize the key points that have been discussed throughout the book.
- The book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of Research In Social Work An Introduction.
