Research Memorandum On Crime In The Depression:

Research Memorandum on Crime in the Depression Thorsten Sellin, 1937 **Research Memorandum on Crime in the Depression** Johan Thorsten Sellin, 1972 *Violence and Crime in Cross-national Perspective* Dane Archer, Rosemary Gartner, 1987-01-01 This prize winning reference work provides data on crime in 110 nations and 44 major cities making it possible for the first time to examine the patterns and causes of violent crime on a cross national basis In this important book Archer and Gartner take a major step toward providing and utilizing international data on crime and violence They have assembled the best cross cultural database on criminal violence that has ever been compiled Michael L Radelet Contemporary Sociology The authors data and superior analyses make their conclusions more compelling than earlier studies with like or contrary results Furthermore the data set seems rich enough to yield similarly enlightening findings for other researchers Roy L Austin Annals of the American Academy of Political and Social Science Some highly significant data including whether large cities have higher homicide rates than smaller cities the deterrent effect of the death penalty on homicide rates the etiology of urban violence Choice An amazing analysis of a most wonderful series of data Rarely has social science been blessed by the richness of material over so much time and over so much space as are represented by this volume Marvin E Wolfgang University of Pennsylvania Report on the Post-war Trends of Crime in Selected European Countries Karl O. Christiansen, 1967 This report is a comparative study of crime and delinquency in Belgium Denmark England and Wales Norway and Switzerland from about 1946 48 to about 1962 64 It is an attempt to analyze statistical data on the crime rates trends and variations in criminal patterns in these countries and to a certain extent to compare them The report also includes some data concerning Austria Federal Germany Finland France Italy the Netherlands and Sweden

Mean Streets John Hagan, Bill McCarthy, 1998-08-28 About youth crime and homelessness in Canada Laura Nader Laura Nader, 2020-12-15 Laura Nader documents decades of letters written received and archived by esteemed author and anthropologist Laura Nader She revisits her correspondence with academic colleagues lawyers politicians military officers and many others all with unique and insightful perspectives on a variety of social and political issues She uses personal and professional correspondence as a way of examining complex issues and dialogues that might not be available by other means By compiling these letters Nader allows us to take an intimate look at how she interacts with people across multiple fields disciplines and outlooks Arranged chronologically by decade this book follows Nader from her early career and efforts to change patriarchal policies at UC Berkeley to her efforts to fight against climate change and minimize environmental degradation The letters act as snapshots giving us glimpses of the lives and issues that dominated culture at the time of their writing Among the many issues that the correspondence in Laura Nader explores are how a man on death row sees things how scientists are concerned about and approach their subject matter and how an anthropologist ponders issues of American survival The result is an intriguing and comprehensive history of energy physics law anthropology feminism and legal

anthropology in the United States as well as a reflection of a lifelong career in legal scholarship **Indian Social Problems (Vol-1)** G.R. Madan, 1966-07-02 This work is a comprehensive study of the social problems facing India at present It is the first study of its kind and provides a coordinated picture of social problems confronted by India particularly after Independence The revised editions now divided into five volumes Volume One presents an analysis of the causes of Social and Personal Disorganization and deals with the problems of crime and juvenile delinquency major social vices maladjustment in institutions resulting in poverty and unemployment population explosion undernutrition mass illiteracy students indiscipline moral degeneration misuse of leisure corruption family disintegration and community conflicts in the form of casteism provincialism lingualism and communalism *Encyclopedia of Criminology* J. Mitchell Miller, Richard A. Wright, 2013-12-17 This three volume work offers a comprehensive review of the pivotal concepts measures theories and practices that comprise criminology and criminal justice No longer just a subtopic of sociology criminology has become an independent academic field of study that incorporates scholarship from numerous disciplines including psychology political science behavioral science law economics public health family studies social work and many others The three volume Encyclopedia of Criminology presents the latest research as well as the traditional topics which reflect the field's multidisciplinary nature in a single authoritative reference work More than 525 alphabetically arranged entries by the leading authorities in the discipline comprise this definitive international resource The pivotal concepts measures theories and practices of the field are addressed with an emphasis on comparative criminology and criminal justice While the primary focus of the work is on American criminology and contemporary criminal justice in the United States extensive global coverage of other nations justice systems is included and the increasing international nature of crime is explored thoroughly Providing the most up to date scholarship in addition to the traditional theories on criminology the Encyclopedia of Criminology is the essential one stop reference for students and scholars alike to explore the broad expanse of this multidisciplinary field **The SAGE Handbook of Punishment and Society** Jonathan Simon, Richard Sparks, 2012-09-18 The project of interpreting contemporary forms of punishment means exploring the social political economic and historical conditions in the society in which those forms arise The SAGE Handbook of Punishment and Society draws together this disparate and expansive field of punishment and society into one compelling new volume Headed by two of the leading scholars in the field Jonathan Simon and Richard Sparks have crafted a comprehensive and definitive resource that illuminates some of the key themes in this complex area from historical and prospective issues to penal trends and related contributions through theory literature and philosophy Incorporating a stellar and international line up of contributors the book addresses issues such as capital punishment the civilising process gender diversity inequality power human rights and neoliberalism This engaging vibrantly written collection will be captivating reading for academics and researchers in criminology penology criminal justice sociology cultural studies philosophy and politics Karl Marx Kevin B.

Anderson,2017-05-15 Marx s approach to analyzing society and especially his critique of capitalist society continues to influence the work of a large number of scholars world wide Unfortunately there are relatively few clear accounts of what this approach is and how to put it to use And despite the many attempts to use Marx s method to study a variety of subjects there are relatively few that can serve as useful models In the present volume the internationally renowned Marxist scholar Bertell Ollman and the social theorist Kevin B Anderson have brought together a sampling of the best writings of the past hundred years that illustrate and critique Marx s method as well as explain what it is and how to put it to work Anyone wishing to understand better Marx s dialectical method along of course with the theories created with its help or to revise this method or to criticize it or to use it in their own work will find this collection invaluable **White Collar Crime** Edwin H. Sutherland,1983-01-01 This text presents evidence to support a thesis that there is much crime in the upper socio economic classes and only the administrative procedures used to deal with it separate it from other animal behavior

Inequality, Crime and Public Policy (Routledge Revivals) John Braithwaite,2013-09-13 First published in 1979 Inequality Crime and Public Policy integrates and interprets the vast corpus of existing research on social class slums and crime and presents its own findings on these matters It explores two major questions First do policies designed to redistribute wealth and power within capitalist societies have effects upon crime Second do policies created to overcome the residential segregation of social classes have effects on crime The book provides a brilliantly comprehensive and systematic review of the empirical evidence to support or refute the classic theories of Engles Bonger Merton Cloward and Ohlin Cohen Miller Shaw and McKay amongst many others Braithwaite confronts these theories with evidence of the extent and nature of white collar crime and a consideration of the way law enhancement and law enforcement might serve class interest

American Sociological Review ,1959-02 Includes sections Book reviews and Periodical literature **Criminology** Stephan Hurwitz,Karl O. Christiansen,1983 This handbook of criminology appears as the second edition of Stephan Hurwitz s Criminology and is based on the third Danish edition of the authors Criminology published in two volumes Lawyers psychiatrists sociologists as well as all criminologists will find invaluable its open minded discussion of all the basic theories within the criminological field **Unemployment and Crime** United States. Congress. House. Committee on the Judiciary. Subcommittee on Crime,1978

Federal Probation ,1967 **The Political Economy of Punishment Today** Dario Melossi,Máximo Sozzo,José Brandariz García,2017-11-03 Over the last fifteen years the analytical field of punishment and society has witnessed an increase of research developing the connection between economic processes and the evolution of penalty from different standpoints focusing particularly on the increase of rates of incarceration in relation to the transformations of neoliberal capitalism Bringing together leading researchers from diverse geographical contexts this book reframes the theoretical field of the political economy of punishment analysing penalty within the current economic situation and connecting contemporary penal changes with political and cultural processes It challenges the traditional and common

sense understanding of imprisonment as exclusion and posits a more promising concept of imprisonment as a differential or subordinate form of inclusion This groundbreaking book will be a key text for scholars who are working in the field of punishment and society as well as reaching a broader audience within law sociology economics criminology and criminal justice studies

Rural Youth Bruce Lee Melvin, Elna Nielsen Smith, 1938

Social Aspects of Crime in England between the Wars Hermann Mannheim, 2019-03-11 Originally published in 1940 This ground breaking work formed the foundation for modern criminology becoming an academic discipline within UK sociological studies It concerns the history of crime its causes and treatment in England during the preceding twenty five years or so Mannheim through this and later studies went on to found the criminology department at LSE The book offers an evaluation of the criminological implications of the War and early post War period as well as an examination of the practical working of the new penal machinery built up by the Reform Acts passed just prior to the War The author produced a scientific account of the post War state of crime beginning with a critical examination of the structure and interpretation of English Criminal Statistics followed by a survey of the principal criminological features of the period between the two Wars Significant aspects are dealt with in a separate chapters four devoted to problems of work and leisure Unemployment and Strikes Business Administration Alcoholism and Gambling four others to those of certain specific sections of the population Juvenile Delinquency Female Delinquency and Prostitution Recidivism This is a fascinating read for both the historian and the criminologist
